We gay boys can make Christmas merry!
By dressing up like a wee fairy,
And using a boy
As our sexual toy,
More fun than a hymen or cherry!!

30222 HOLIDAYS - BAWDY Jim Weaver Collection

Here's to Jon, my favorite Iowan;
May Christmas come to you a flowin',
With holiday cheer,
Right into next year.
May the size of your tongue keep a growin'.

30223 HOLIDAYS - BAWDY Carol

To the two Franks and Arch raise your glass;
May they always be blessed with class.
Though older than dirt,
They'll chase any skirt,
That comes along, wigglin' an ass.

30224 HOLIDAYS - BAWDY Carol

Here's to Trav, my favorite cowboy;
May you get a least one great toy,
That's not full of air,
Or covered with hair,
And only two legs to enjoy.

30225 HOLIDAYS - BAWDY Carol

To Peter and Tiddy, the Brits;
May both of you keep all your wits
For many a year,
'Cause us gals hold dear
All of your divine English bits.

To all of us gals in AJL,
May someone ring our Christmas bell.
May we wake each day
To no hairs of grey,
And not is a sleazy motel.

For Christmas, Jay gave May a lay,
But he gives her a lay every day...
She sighed, "Holidays
Makes my rear tired always,
Can't we celebrate other ways, Jay?

30228 HOLIDAYS - BAWDY Grand Prix Lim 304

Said St. Pat to his pal, Easter Bunny,
My job is the best for the money.
All I do is drink beer;
You shit eggs out your rear,
Which I find exceedingly funny!

30229 HOLIDAYS - BAWDY Jim Weaver Collection

Hooray, it's the first day of May!
I know I almost missed the day!
But I'll fill up the nook,
By hook or by crook;
Outdoor fucking, it starteth today.

30230 HOLIDAYS - BAWDY Tony Davie

July the fourth means I'll have cole-
Slaw, barbecued ribs and a bowl
Of beans, and I'll raise
The flag and then gaze,
As she undulates on my pole.

30231 HOLIDAYS - BAWDY Travis Brasell

Greet the New Tear with hot buttered rum;
Lewd lims we will toast 'til we're numb;
Pagan gods will not curse
All our prurient verse;
Dominis (now) vobis (you all) cum!

30232 HOLIDAYS - BAWDY

"Real Patriot" -- that's my friend Maury;
It's something I know a priori.
He bakes apple pies
And Fourth of July's,
He scores and then runs up Old Glory.

30233 HOLIDAYS - BAWDY Armand E Singer 504

A new year is ripe in the making
And so soon resolutions I'm breaking -
My poor body's abused
With food, drugs and booze,
And for sex, my poor balls ain't stopped aching!

30234 HOLIDAYS - BAWDY Jim Weaver Collection

Happy Birthday to my girlfriend belated,
Who's afraid that her beauty has faded.
Rest assured dear,
If you show us your rear,
We'll be standing in line to me mated.

30235 HOLIDAYS - BAWDY MrMalo

We gay boys can make Christmas merry!
I'm Archibald, he's Bert and there's Jerry.
We all love dessert,
Though I'm not sure of Bert;
Says he prefers his trifle in Sherry!

30236 HOLIDAYS - BAWDY Jim Weaver Collection

I said, "Let's vacation in Spain."
My Charlie yelled, "No! Not again!
It just is not fair;
Last time we were there.
I spent my vacation in pain."

30237 HOLIDAYS - BAWDY

"With mad bulls, you forced me to run.
On the beach, I fried in the sun.
The food made me ill!
Well, I've had my fill --
This year I'll stay home and have fun."

30238 HOLIDAYS - BAWDY

"Miss Boobies, who lives down the street
Will be glad to massage my feet.
That Miss Wiggley-Butt
Might act like a slut,
But she'll fix me something to eat."

30239 HOLIDAYS - BAWDY

"I'll lay on the couch in the den
And watch football re-runs with Gwen.
Her backfield in motion
Might give me the notion
To play games if I get the yen."

30240 HOLIDAYS - BAWDY

"You can go vacation in Spain,
But I think I have more to gain
If I stay right here
With girlies and beer --
The king of my own home domain."

30241 HOLIDAYS - BAWDY

If he won't come with me, that's fine.
This year maybe I will take mine
In the South of France,
Just doing love's dance
Without Charlie's annoying whine.

30242 HOLIDAYS - BAWDY

He will be most sorry, I'm sure
To miss out on the Cote d'Azure
They sun in the nude
And he could be crude
While picking out his boff du jour.

30243 HOLIDAYS - BAWDY

(He's faithless and fickle, that man.
But he does things no one else can.
He has double joints
At interesting points
And tastes just like caramel flan.)

30244 HOLIDAYS - BAWDY

Still, Charlie's a pig and a fool.
He'll spend two weeks stuck on a stool
In his corner bar,
Where all the men are
Just hiding from wives, as a rule.

30245 HOLIDAYS - BAWDY

Friday night comes around once more,
And everyone runs for the door.
They've now got to choose
Between sex, drugs, and booze,
For their weekending bachannal chore.

30246 HOLIDAYS - BAWDY Andrew Walker

Booze and drugs? Hurt me too much.
Sex? Well, I do like a touch.
But what I extol
Is sweet rock and roll --
Just dance, scream, sweat, wiggle and such.

30247 HOLIDAYS - BAWDY H WHELCHEL

I'm so glad I'm out of that race
And worry about making first base.
Just my pipe and a scotch,
And a lady whose crotch
Is sitting right there on my face.

30248 HOLIDAYS - BAWDY S C Saint

What's that little girl? Trick or treat?
Well come in, my dear little sweet.
Now take off your clothes,
Adopt this spread pose,
And now feel the size of my meat.

30249 HOLIDAYS - BAWDY - HALLOWEEN

I decided to go trick or treatin'.
When I knocked, this gal gave me a greetin'.
She said, "Come on in,"
I replied with a grin,
"I must warn you that I haven't eaten."

30250 HOLIDAYS - BAWDY - HALLOWEEN   Al Willis   TP9806

A homely young fellow named Sumpkin,
A kinky, depraved country bumpkin,
Was found in the night,
'Neath a Halloween light,
To be out having sex with a pumpkin.

30251 HOLIDAYS - BAWDY - HALLOWEEN   Cap'n Bean   P0010

The kiddies who come trick-or-treating
Are in for an interesting greeting.
I scream out A TRICK!
Then whip out my dick,
And fart while I give it a beating!

30252 HOLIDAYS - BAWDY - HALLOWEEN   H Whelchel

King Fart heard his bell got ding-dong,
And opened the door to a throng
Of scary exhumed
Ghoulies untombed,
Waiting to smell his fart song!

30253 HOLIDAYS - BAWDY - HALLOWEEN   Karen

For every last ghoulie in sight,
King Fart's show was such a delight,
The beat and the farts
Go straight to the hearts
Of all ghoulies on Halloween night.

30254 HOLIDAYS - BAWDY - HALLOWEEN   Karen

An ugly old lady named Bitts,
On Halloween, took out her tits;
They tragically sagged
And she screamed like a hag,
And she frightened me out of my wits.

30255 HOLIDAYS - BAWDY - HALLOWEEN   Cap'n Bean   P0010

Last Halloween night we did meet
In a bar right off of main street.
With scarcely a pattern,
She did jack my lantern;
I found her trick quite a treat!

30256 HOLIDAYS - BAWDY - HALLOWEEN

She never did give me her name;
She used me for her little game.
Not that I'm complainin',
It's just that I'm sayin,
I'd like her to do it again.

30257 HOLIDAYS - BAWDY - HALLOWEEN

Unless there's another out there
Who thinks that they can compare
To the hot burnin' lovin'
Of this mysterious woman,
Who vanished right into thin air.

30258 HOLIDAYS - BAWDY - HALLOWEEN

I answer the door in bear slippers;
Give candy to all little nippers.
I'm not so amused
At those who abuse;
Two teenagers dressed up like strippers.

30259 HOLIDAYS - BAWDY - HALLOWEEN

Come dear, to the great pumpkin patch
And we'll play in the brambles and thatch.
You'll ride on my broom
And if there is room,
We'll play a great game in your snatch.

30260 HOLIDAYS - BAWDY - HALLOWEEN   John Miller

It's time now for goblins and witches,
And costumes that keep me in stitches.
While mom and big sisters
Raise big penis blisters,
It's a good thing the kids are not snitches.

30261 HOLIDAYS - BAWDY - HALLOWEEN   John Miller

This monster you mention, in heat;
Peeking out of your denims - that's neat.
But what frightens me tru-
Ly's the answer that you
Give to me: Just a trick or real treat?

30262 HOLIDAYS - BAWDY - HALLOWEEN   Anon

On Thanksgiving Day I'll be lovin'
Each type of food fresh from your oven.
I'll eat lotsa meats
And dessert type treats,
As more than your turkey gets stuffin'

30263 HOLIDAYS - BAWDY - THANKS   Gearhart

And as the clock gets close to eight
I'm starting now to salivate.
Because I am certain
We'll do more than flirtin'
This Thanksgiving Holiday date.

30264 HOLIDAYS - BAWDY - THANKS

Thanksgiving is here, Lass and Lad --
Raise your glass in a toast and be glad
For the health and good cheer
You've had through the year --
And for all the fine fucking you've had!

30265 HOLIDAYS - BAWDY - THANKS   Jim Weaver Collection

On Thanksgiving I give much thanks
For blessings of hussies and skanks,
With pussies that spasm,
And I know who has 'em;
The bitches are holed up at Franks!

30266 HOLIDAYS - BAWDY - THANKS   Travis Brasell

A fellow who lived in the east
Was eating a Thanksgiving feast.
"This turkey is good,"
He announced, "but I would
Still prefer the roast ass of a beast."

30267 HOLIDAYS - BAWDY - THANKS   Cap'n Bean   P9911

Along with Thanksgiving turkey,
A Puritan gal quite perky
Offered some extra fun
To an indian son;
His Thanksgiving turned out kinda jerky.

30268 HOLIDAYS - BAWDY - THANKS

Up on Nelly a fellow from Skivving
In the midst of his love cried, "That's living!"
Said our Nell, on his isthmus,
"You may think that it's Christmas,
But to me it's a cause for Thanksgiving!"

30269 HOLIDAYS - BAWDY - THANKS   Grand Prix Lim 888

Stud Henry be one of them mothers
Dig Thanksgiving more than the others --
Thanks the sisters a lot
For their tits and their twat --
And for sharing it all with the brothers.

30270 HOLIDAYS - BAWDY - THANKS   Jim Weaver Collection

My thanksgiving cook is now huffing
And puffing while she makes the fluffing,
For two lemon pies,
While spreading her thighs,
Enjoying my Thanksgiving stuffing.

30271 HOLIDAYS - BAWDY - THANKS   Travis

Said the farmer, while giving a leer,
"November is drawing quite near.
I was asked to prepare
The Thanksgiving fare,
And we're having stuffed turkey this year."

30272 HOLIDAYS - BAWDY - THANKS   Murphy

On that day, there were loud exclamations
Of delight, from his friends and relations.
They did not know, of course,
That his special white sauce,
Was produced by his ejaculations.

30273 HOLIDAYS - BAWDY - THANKS   Murphy

For this Valentine's day give her candy;
Cho-co-lats, pal, she'll think sure are dandy;
Though she may grow a zit
Right above her fat clit;
That's tomorrow; tonight she'll be randy!

30274 HOLIDAYS - BAWDY - VALENTINES

Truly, I ache for you, Joan.
If you like, I will lower the tone.
So what if your wedded?
I need to be bedded
And cured of this permanent bone.

30275 HOLIDAYS - BAWDY - VALENTINES Peter Wilkins

My dear, that's a terrible problem,
If you truly can't wobble or gobble 'em,
But be happy on Valentine's
When your drinkin' yer Ballantines:
Ya won't have to squabble or bauble 'em!

30276 HOLIDAYS - BAWDY - VALENTINES

I'll gladly be your Valentine
Tomorrow. If you would be mine.
I'd do you up proud,
But hon, there's a crowd,
And I don't want to wait in that line.

30277 HOLIDAYS - BAWDY - VALENTINES Carol

And now you can join in my line;
I'm sure we can Valentine fine.
I'm now a new man;
Your number one fan.
For you I have given up kine.

30278 HOLIDAYS - BAWDY - VALENTINES Archie

Oh Sonia, it seem such a waste
That girlies are more to your taste.
But dammit, my percy
Is needing your mercy,
In achingly imminent haste.

30279 HOLIDAYS - BAWDY - VALENTINES Peter Wilkins

O, Valentine's day Limericks,
We're talking 'bout pussies and pricks,
True ladies I think,
When you offer her dink,
Might leave you right out in the sticks!

30280 HOLIDAYS - BAWDY - VALENTINES

At Valentine greetings I curse;
I cannot imagine much worse
Than roses and hearts
And a cupid with darts
Or that vacuous saccharine verse.

30281 HOLIDAYS - BAWDY - VALENTINES

So sod it, I'm writing my own
To Lucy, Amanda and Joan
And maybe some nurses
With far better verses;
That surely won't lower the tone.

30282 HOLIDAYS - BAWDY - VALENTINES

I'll ply you with flowers and sweets,
Sweet nothings and diamonds and treats,
Sweetmeats and cakes;
Whatever it takes
To get you there under the sheets.

30283 HOLIDAYS - BAWDY - VALENTINES John Miller

This Valentines I really hate,
And not 'cause I don't have a date.
I could go and pay
A gal for a lay,
But they've upped their hourly rate.

30284 HOLIDAYS - BAWDY - VALENTINES Lightbulb

My options are fast running out;
Though really, was there any doubt?
That this Valentine
Old Percy is mine.
(Tiddy Ogg, is she cured of her gout?)

30285 HOLIDAYS - BAWDY - VALENTINES Lightbulb

It will be quite painful, of course,
For her, so I'll apply less force.
If that's not cnough,
I'll dive in her muff,
But I worry my voice might get hoarse.

30286 HOLIDAYS - BAWDY - VALENTINES Lightbulb

I know that you're anyone's, Sandy,
When offered a lemonade shandy.
So Valentine's Day,
Will you come out to play,
If I promise to ply you with brandy?

30287 HOLIDAYS - BAWDY - VALENTINES Peter Wilkins

Today is the day of romance,
So let's go and dine and then dance
The night away, love,
Beneath stars above;
Somewhere that they don't require pants!

30288 HOLIDAYS - BAWDY - VALENTINES

I think that I know just the place,
Where you don't even wear bits of lace.
The whole room is bare,
Not even a chair,
So I'll just have to sit on your face.

30289 HOLIDAYS - BAWDY - VALENTINES

My face makes a right comfy chair;
My tongue licks a part in your hair.
And then I kiss up
To find a b-cup,
As my lips take some sips on your pair.

30290 HOLIDAYS - BAWDY - VALENTINES

Now without my face for to sit on,
[Nips hard as I give you a tit-on!]
You'll see a huge stump
Grow up from a lump,
So get on and slide your sweet clit on!

30291 HOLIDAYS - BAWDY - VALENTINES

Today is the feast of St Val,
The florist's and candy store's pal.
It costs you the earth,
But maybe it's worth
It, to open the legs of your gal.

30292 HOLIDAYS - BAWDY - VALENTINES

I'm slamming it in you with love,
My charmingly sweet turtle dove.
On Valentine's Day
I'll thrust all the way
Inside to show what I'm made of!

30293 HOLIDAYS - BAWDY - VALENTINES

Happy Valentine's Day to you ladies,
Whose loins make me hotter than hades;
And, to those who have left,
So deft with a cleft,
That I still have a leak like Euphrates.

30294 HOLIDAYS - BAWDY - VALENTINES

There once was a man caught off guard
When he forgot his Valentine's card.
But his gal had the laugh
When she noticed his staff,
And told him that things could stay hard.

30295 HOLIDAYS - BAWDY - VALENTINES Remkle McSabbivy

Valentine's Day got by me;
No wishes from me did girls see;
I feel castigated,
So here's one belated:
"To all girls -- A Happy V.D.!"

30296 HOLIDAYS - BAWDY - VALENTINES

I'm giving to all you my heart
Along with the bodily part...
s that throb and get wet,
Which you love to pet
And pierce with your arrow and darts.

30297 HOLIDAYS - BAWDY - VALENTINES

Oh my darling, my sweet Valentine;
Shall we celebrate with some wine?
From the prices list,
Can't afford to get pissed.
Let's forget it -- your place or mine?

30298 HOLIDAYS - BAWDY - VALENTINES Tony Burrell

My Christmas list this year is small;
In fact, I don't want much at all.
In me there's no greed,
Just one thing I need:
To fuck all the girls at the mall!

30299 HOLIDAYS - BAWDY - XMAS

If you do your thing at the mall,
Please, don't do it out in the hall.
While watching you sowing,
Won't look where I'm going.
I'll trip over you and I'll fall.

30300 HOLIDAYS - BAWDY - XMAS

Remember, we've Christmas to keep
Because shepherds refused to take sleep;
So, you gals who get presents
Should not speak in 'unpleasants'
About men who stay nightly with sheep!

30301 HOLIDAYS - BAWDY - XMAS

December, December, December,
Makes me just want to dismember
Each flocked Christmas tree,
Each Grinch that I see,
And Ebeneezer's wrinkled old member!

30302 HOLIDAYS - BAWDY - XMAS   Larry M

My Christmas tree, fragrant and plump,
Stands proudly on its massive stump;
And my Christmas fire
Now makes me perspire,
As I pump my Christmas whore's rump!

30303 HOLIDAYS - BAWDY - XMAS

My dearest, my sweet boy so fair!
A partridge at home in a pear
Tree! I just love you...
Thank heaven above, too...
With you, it has answered my prayer.

30304 HOLIDAYS - BAWDY - XMAS   Tutta Gioia

Two turtle doves! Oh how sweet!
A billing and cooing dear treat...
My thanks and my love
To you, my own dove...
By your gifts, I am swept off my feet!

30305 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Really my love, you're too kind.
The French Hens arrived and I signed
For these feathery three.
You're too good to me.
Your largesse just boggles the mind.

30306 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Four calling Birds? They are cute,
But, my pet, you have won your love-suit
I'm really all yours,
But I have other chores
And ten birds all 'round sure pollute.

30307 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Dear Heart! You sent birds as hors d'oeuvres!
But my sweet...your financial reserves?
These five golden rings
A wealth of joy brings,
Soothing my squawked at raw nerves.

30308 HOLIDAYS - BAWDY - XMAS Tutta Gioia

On my porch I found six geese a-laying!
Birds again! John are you playing
A juvenile game?
Nervous breakdown your aim?
The poop and the noise are dismaying.

30309 HOLIDAYS - BAWDY - XMAS Tutta Gioia

In my pool, seven swans all a-swimming...
My filter all clogged from poop-skimming!
Twenty three birds
All squirting turds...
With avian shit, my life's brimming!

30310 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Just what in the hell do I do
With these cows and their teat-pulling crew?
An octet of maids
Just angling for AIDS
As they prattle 'bout who they'll next screw!

30311 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Pipers with pipes? You shithead!
Pie-piped the eight maids in my bed...
While the ninth piper waited,
He viciously mated
With the fowl, leaving six of them dead!

30312 HOLIDAYS - BAWDY - XMAS Tutta Gioia

"Ladies" you call them? These sluts?
With pipers' priaps up their butts?
I've nine back-door whores
Spread out on all fours,
While the tenth, with the maids, works on nuts!

30313 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Your balls I will bind with wet cords
For sending these sex-obsessed lords;
A-leaping and lunging,
Their phalluses plunging
Into birds, into cows, into bawds!

30314 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Dear Sir: Please be advised, Mr. Green,
We represent Agnes Steen
Whom you've driven insane
With your brutal campaign
Of harrassment, depraved and obscene.

30315 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Those auto-sexed fiddlers you sent
Maniacally fiddled then spent
Twelve gallons or more
All over her floor...
She slipped and she fell...You'll repent!

30316 HOLIDAYS - BAWDY - XMAS Tutta Gioia

Still, I hope you have a nice time
And your holiday is sublime.
I hope you don't freeze it,
'Fore ever I sees it,
'Cause, wherever, that may be a crime!

30317 HOLIDAYS - BAWDY - XMAS

Since merry's the order of the day,
There's not much for me to say.
But to wish one and all:
Stand bright and tall,
And enjoy every Christmas lay.

30318 HOLIDAYS - BAWDY - XMAS Esther

We gay boys can make Christmas merry!
In ways that some folks think are scary;
A phallic symbol in lights,
Big elves dressed in tights,
With all cheeks red and quite hairy!

30319 HOLIDAYS - BAWDY - XMAS Jim Weaver Collection

We gay boys can make Christmas merry!
He's Joe, that's Doc and I'm Terry.
I don't really mock
When Joe puts cock in Doc,
But I can't resist calling him "Fairy"!

30320 HOLIDAYS - BAWDY - XMAS FCA

Break out the booze, sing a song;
Christmas is near, not too long.
Perhaps I'll get kissed
By a chap who's not pissed
To have me play around with his dong.

30321 HOLIDAYS - BAWDY - XMAS J

The presents are under the tree,
And yet there is not one for me.
I don't ask for much;
A card, rose, or such.
Merry fucking Christmas to me!

30322 HOLIDAYS - BAWDY - XMAS

We gay boys can make Christmas merry!
We're Santa's elves, Chaz, Screech, and Perry.
The work we don't mind
When we screw from behind;
We never popped any girl's cherry!

30323 HOLIDAYS - BAWDY - XMAS Jim Weaver Collection

To all of you guys here, I'll blow
A kiss from 'neath my mistletoe.
And for the new year
I'll spread my good cheer,
And not once accept any dough.

30324 HOLIDAYS - BAWDY - XMAS Carol

Hope this Christmas will bring you joy,
And that you get at least one new toy,
That when you assemble,
It just might resemble
That cute well-hung neighborhood boy.

30325 HOLIDAYS - BAWDY - XMAS Carol

For Christmas, I nothing deserve;
Get nothing for being a perv.
Take Santa's reindeer,
Get into their rear,
And deliver the ace I can serve.

30326 HOLIDAYS - BAWDY - XMAS

By the time I am done with the buck,
Their navigational skills will suck.
Poor Santa'll be lost
But at extra cost,
I might just give him a fuck

30327 HOLIDAYS - BAWDY - XMAS

I hope you will be "in the 'pink'"
And not in the brown or the stink.
As New Year approaches,
I don't wish you roaches,
Just good fucking, great food, and drink.

30328 HOLIDAYS - BAWDY - XMAS

On Christmas Eve night, gather 'round
My hearth where it's warm and my hound
Enjoys a good scratch
Of her itching snatch;
'Tis where tales of love can be found.

30329 HOLIDAYS - BAWDY - XMAS Travis Brasell

For instance, you'll hear the love story
Of Jane and the night she sang "Glory,
The Angels Ascended"
When her twat descended
On Vicar McShaw's 'hunky-dory.'

30330 HOLIDAYS - BAWDY - XMAS   Travis Brasell

And what would Yule be without telling
Why AJL's ladies start yelling
When AJL's guys
Are squeezed by their thighs;
(A clue: Has to do with what's swelling.)

30331 HOLIDAYS - BAWDY - XMAS   Travis Brasell

All ladies and gents who are able
Can act out their own Christmas fable,
Until light of day,
In mangers of hay,
Out under the star o'er my stable.

30332 HOLIDAYS - BAWDY - XMAS   Travis Brasell

Ask no more of stories: "Who has'em?"
'Tis by my warm fireside, you'll spasm
With laughter from yarns
I've spun in my barns,
That deal with -- you guessed it -- orgasm!

30333 HOLIDAYS - BAWDY - XMAS   Travis Brasell

We gay boys can make Christmas merry!
With our big nuts so hairy.
We will both butt fuck
Till we both bust a nut;
You should try it -- it's not scary.

30334 HOLIDAYS - BAWDY - XMAS   Jim Weaver Collection

A faithful parishioner, Fred,
Was humping some girl he'd misled.
Preferring to miss mass
Because it was Christmas,
And open his presents in bed.

30335 HOLIDAYS - BAWDY - XMAS   Armand E Singer

My 'wish' list this Christmas is small;
I just want some pussy, that's all.
From ninety rich ladies
Who each own Mercedes,
Who'll spend on me, scads at the mall!

30336 HOLIDAYS - BAWDY - XMAS   Travis Brasell

I understand wanting the muff
Of ninety-odd women with stuff;
But if all of you are
Going to ride in one car,
You had better be dressed in the buff!

30337 HOLIDAYS - BAWDY - XMAS   Brian

But now, my holiday mood
Grows large when I think of that brood
Of 'ninety-ish' girls
In their diamonds and pearls
And Mercedes, with me driving nude!

30338 HOLIDAYS - BAWDY - XMAS   Travis Brasell

Now if you're a limerick sage,
With this thing I can't quite engage;
Your strange predilection
For such a connection --
Is ninety the number or age?

30339 HOLIDAYS - BAWDY - XMAS   Tiddy Ogg

Maiden Veronica's plight
Was caused by a terrible fight
Between her love true
And a barbarian who,
In the field left no holey knight.

30340 HOLIDAYS - BAWDY - XMAS

This story is true, please believe,
This girl, so as not to concieve,
Would stick to sex, oral,
In liaisons immoral...
They called her, of course, kiss-mast Eve.

30341 HOLIDAYS - BAWDY - XMAS

I'm wishing you holiday joy
With your favorite girl or sweet boy.
But as for myself,
From Santa's workshelf,
I'm gonna pick me a man-toy!

30342 HOLIDAYS - BAWDY - XMAS

A girl by the name of Remember
Would keep a nice man till December.
Then if she was miffed
For lack of a gift,
Would sear the nice man to an ember.

30343 HOLIDAYS - BAWDY - XMAS Paul Waterman

My wife once subscribed to McCalls
And read how to deck out the halls.
She went Christmas shopping,
Said to a clerk mopping,
"I heard that you have big red balls?"

30344 HOLIDAYS - BAWDY - XMAS

The clerk did not know what to do,
But thought for a moment or two.
He then unzipped his pants
And said after a glance,
"Small balls...but they have a red hue!"

30345 HOLIDAYS - BAWDY - XMAS

As Christmas approaches, I say:
Dear Santa, just send me a lay
From one of the males,
Whose limerick tales
I've missed since I've been long away.

30346 HOLIDAYS - BAWDY - XMAS P Statio Nuts

On counting the crotches being kneaded,
It seems that your plea is being heeded.
So give me a call
And we'll have a ball,
If none of these pricks have succeeded.

30347 HOLIDAYS - BAWDY - XMAS

If your not spreading good cheer and it's free,
Then come here and sit on my knee.
Let's play Santa Claus;
You'll love it because
The best toy I've got's, part of me.

30348 HOLIDAYS - BAWDY - XMAS Carol

As the Christmas season draws near,
I want to wish all my friends in here;
Tis the season to be in Holly
Or maybe it was Polly
Oh Well! I am spreading Christmas cheer.

30349 HOLIDAYS - BAWDY - XMAS

This Christmas I wanted to take,
A vacation; I need a break,
From cold weather, shopping,
And relatives popping,
In and out...oh how my feet ache!

30350 HOLIDAYS - BAWDY - XMAS Carol

And so I called Jon on the phone,
To see if he'd make me a loan.
He sent me some dough,
But wouldn't you know,
There's strings attached...right to his bone.

30351 HOLIDAYS - BAWDY - XMAS

And what is dear Jon's interest rate?
How often does he get to mate?
My interest-free loan
May not make you moan,
But surely will make him irate.

30352 HOLIDAYS - BAWDY - XMAS SFA

Jon's interest is rated quite high,
And compounded daily; that's why
My high interest loan
Always gets a moan,
As payments trickle down my thigh.

30353 HOLIDAYS - BAWDY - XMAS Carol

Sweet Carol makes my interest rise
(Especially the bit 'twixt my thighs).
Her clitoral collateral
Gets my briefs all splatteral,
And causes returns of great size.

30354 HOLIDAYS - BAWDY - XMAS Jon Gearhart

Christmas dinner went with a swing;
Grandpa choked on a small bit of wing.
He said he felt quite a turd,
'Cause he had stuffed the bird;
Burnt his knob 'cause the bird was roasting.

30355 HOLIDAYS - BAWDY - XMAS Anon

Christmas is coming! Way hey!
What new can we give on this day?
There's vibrating knickers
To give Granny titters,
And make the old lady feel gay.

30356 HOLIDAYS - BAWDY - XMAS Tony Burrell

Well, it is the right time for sharing,
Forgiving, forgetting, gift bearing.
So this Christmas Day
I wish you a lay;
Your virginal hymens' a'tearing.

30357 HOLIDAYS - BAWDY - XMAS

I've written a holiday song;
I'll sing it -- it won't take too long:
"Oh, Christmas is coming...
[This measure's for humming...]
....As slow as this gal on my dong!"

30358 HOLIDAYS - BAWDY - XMAS

How nice that you took time to write,
A holiday song; what delight!
You're so versatile;
In that Dixie style,
You can hum(p) Christmas Carol's all night.

30359 HOLIDAYS - BAWDY - XMAS

'Twas the night before Christmas in Dixie
And Travis was down with young Trixie.
She was whistling and humming,
While Travis was cumming,
Inside the mouth of that sweet pixie.

30360 HOLIDAYS - BAWDY - XMAS

But she was too slow for his liking;
He needed a blond headed Viking.
So he made a call
And said "Come visit y'all!"
And Christmas Carol came quickly biking.

30361 HOLIDAYS - BAWDY - XMAS

She brought along Jon and who else?
The AJL guys and the gals
And they had orgasms
That left them in spasms
Well into the new year -- what pals!

30362 HOLIDAYS - BAWDY - XMAS

I now have some news that is cool:
Today they have cancelled all school!
So stay home, lie in bed...
Did you do as I said?
April Fool, April Fool, April Fool.

30363 HOLIDAYS - CLEAN Prof M-G TP9804

Happy Cinco de Mayo, today!
I will celebrate this holiday
When I make love tonight;
I will screw with delight
And will give an orgasmic Ole!

30364 HOLIDAYS - CLEAN Travis Brasel

I've thought every now and again,
This Italian, who went to some pain,
Did all of his work,
For title and perk
And glory and wealth of old Spain.

30365 HOLIDAYS - CLEAN Chris Papa

And so it is fitting today,
To note in a non-PC way,
If the figures are right,
The time is in sight,
When Hispanics, here will hold sway.

30366 HOLIDAYS - CLEAN Chris Papa

When that comes, I'm willing to bet,
Besides change in language, we'll get,
To cancel out Chris,
Just so we won't miss
The Ponce De Leon Offset.

30367 HOLIDAYS - CLEAN Chris Papa

Easter's coming next week, do you care?
Are you planning to go to the Fair,
And eat all those homemade
Pies, cakes, and marmalade,
And find goodies from that old hare?

30368 HOLIDAYS - CLEAN Ystap TP9804

Easter bunnies are known to be rare
If the feast's held in March, and a hare
Has few spring days to mate...
But this year Easter's late --
There'll be bunnies galore, everywhere!

30369 HOLIDAYS - CLEAN Prof M-G TP9804

If this Sunday you sit on your keister
'Round the table to enjoy a feaster,
Please in some special way
Have a very nice day,
And to you may I say "Happy Easter!"

30370 HOLIDAYS - CLEAN

So why are you calling, you creep;
It's Easter, I'm trying to sleep.
So unless your a rabbit
With a chocolate habit,
Leave your name at the sound of the beep.

30371 HOLIDAYS - CLEAN MrMalo

If you are a rabbit, I swear,
You must have a magical pair.
Let's meet in the kitchen
With your beauties a-drippin',
I'll lick the milk chocolate from there.

30372 HOLIDAYS - CLEAN Audrey

It really hasn't been very funny
To fall head over heels for a bunny.
I'm afraid that my bind
May cost me my mind,
All I think of's soft chocolate and honey.

30373 HOLIDAYS - CLEAN Audrey

My sad story doesn't end there;
My dream disappeared in thin air.
Now I know that she's
La Belle Dame sans Merci,
And she's gone with her soft chocolate pears.

30374 HOLIDAYS - CLEAN Audrey

Your milk chocolate is so delicious
And it's also very nutritious.
Please give me a treat
Outside in the street,
And we'll shock the ultra-fastidious.

30375 HOLIDAYS - CLEAN Audrey

Oh! Easter! The bliss and the singing,
The church-bells a-donging and dinging.
But the hymns not the thing
That makes my mind sing.
No! It's the CHOCOLATE the Rabbit is bringing!

30376 HOLIDAYS - CLEAN

I wish you a good holiday,
With laughter and loving and play.
With family around,
Good cheer will abound.
Enjoy yourself, that's what I say.

30377 HOLIDAYS - CLEAN Marlene Lewis

From Joanna, your most loyal fan ---
The daughter of one truly great man:
I've been very proud;
You stand out in a crowd;
You're the Dad with matchless elan.

30378 HOLIDAYS - CLEAN Dick Hull

This year we are having it thrice;
In eight weeks we are having it twice.
If you're superstituous,
'98's inauspicious!
Be careful, don't walk on thin ice!

30379 HOLIDAYS - CLEAN John Miller

Though she quite often walks and makes jokes,
Her volunteer work helps other folks!
And at Mass each day,
You may hear her pray
That her golf game improves by four strokes.

30380 HOLIDAYS - CLEAN Dick Hull

So Mom, on this special birthday,
We're all here to toast you and say:
Go play eighteen holes
And reach all your goals,
But stay as nice as you are here today.

30381 HOLIDAYS - CLEAN Dick Hull

The second of Feb, Groundhog Day,
Punxsutawney of Penn. had his say.
In the future he seeks
For another six weeks,
Will Winter keep Springtime away.

30382 HOLIDAYS - CLEAN Mul

Of Parliament, Guy Fawkes was no member,
So he plotted to kindle an ember.
On his first bonfire night,
Guy forgot to ignite...
But remembers now every November.

30383 HOLIDAYS - CLEAN Prof M-G T9711

Through the heavens discovery zooms,
While escorted by witches on brooms,
Who've been sent in to chase
It from spooks' private space,
To protect Halloween, one assumes!

30384 HOLIDAYS - CLEAN

So filthy was Herbert P. Yew,
Both water and soap he'd eschew.
Except once a year
He'd bathe so he'd hear
Folks sing, "Happy Bathday to You."

30385 HOLIDAYS - CLEAN Irving Superior P9206

He's passed the half century mark;
With his wit, he's full of life's spark.
We've gather to say
Have a Happy Birthday,
Then we'll leave, but not till it's dark.

30386 HOLIDAYS - CLEAN Jim Weaver Collection

To sing HAPPY BIRTHDAY is fun,
But soon HAPPY BIRTHDAY is done.
Next day, what to do?
Replace the TO YOU,
And sing HAPPY BIRTHDAY PLUS ONE.

30387 HOLIDAYS - CLEAN Irving Superior P8612

Let's sing HAPPY BIRTHDAY PLUS ONE.
And next day, PLUS TWO (ain't this fun!)
Three hundred six four.
By Gosh, one day more
And then HAPPY BIRTHDAY PLUS NONE.

30388 HOLIDAYS - CLEAN Irving Superior P8612

Two boyos while slaking their thirst
Wondered who first would be cursed
On St Patrick's day,
To stay home and play
With the kiddies and eat till he burst.

30389 HOLIDAYS - CLEAN Anon

A day off from work, Easter Sunday,
And Presidents' Day's on a Monday,
And birthdays, like King's,
July the Fourth flings,
And now there's Attila the Hun Day.

30390 HOLIDAYS - CLEAN Travis Brasell

We have some days off to remember,
And Christmas, of course, in December;
There's also Thanksgiving,
And days just for living.
And New Year's to drink and get limber.

30391 HOLIDAYS - CLEAN Travis Brasell

We've Halloween, Flag Day and more,
Like Valentine's Day to adore
Our "Loves"; then there's Mother's
And Father's Days; others
Like Hanukkuh, Kwanza, and four

30392 HOLIDAYS - CLEAN Travis Brasell

More holidays added each year,
Along with our 'sick days' (oh dear);
We 'Merkins' pay tax
And need to relax,
So give us an "Off Day," ya hear"

30393 HOLIDAYS - CLEAN Travis Brasell

Retirement's a wonderful thing
When the bell for the last time does ring.
And then sure enough,
We get every day off,
And life really goes with a swing!

30394 HOLIDAYS - CLEAN Tony Burrell

One hand bestows the holidays,
While the other hand takes them away;
There ain't no lunch free --
Mandatory O.T. (overtime)
In the long run, sees to it we pay!

30395 HOLIDAYS - CLEAN Dr Limerick

I think it is needed to say,
In salute on this Mother's Day,
A time for our, "Thanks",
To those in their ranks,
Who help our old world on its way.

30396 HOLIDAYS - CLEAN Chris Papa

How ironic that Mom passed away
On this bright sunny warm Mother's Day.
Now I can love Mother
As I love no other:
She'd be so proud to know I'm not gay!

30397 HOLIDAYS - CLEAN John Miller 0327

They nuture with infinite care,
Are Love with a countenance fair,
Protect and give aid,
Fix messes we've made,
And show equanimity rare.

30398 HOLIDAYS - CLEAN Chris Papa

They're sirens of sweet Mercy's call,
And ;help us get up when we fall,
They toil without pause,
Are jewels, because,
Without them, we're nothing at all!

30399 HOLIDAYS - CLEAN Chris Papa

I tell you the crabby old witch
Is a regular naggin' old bitch.
The smelly old critter
Is twisted and bitter.
I wish she would drown in a ditch.

30400 HOLIDAYS - CLEAN PeterW

Springtime means one thing for sure:
Another Mother's Day gift to endure.
"It's the thought," I remind,
But what thought's behind
A truckload of topsoil and manure?

30401 HOLIDAYS - CLEAN Latte Lady

My mother-in-law is a cow;
And I know it's not Mother's Day now.
But is there a reason
The mom-in-law season
Should last just a day, anyhow?

30402 HOLIDAYS - CLEAN PeterW

For forty years Joe's led the band,
Done trips, parades and concerts grand;
Four decades of teens
Know what music means;
A record we hope will always stand.

30403 HOLIDAYS - CLEAN Dick Hull

Retirement is not a time to mourn
Or a day to speak a lot of corn.
For our music man,
'Tis a time to plan,
But it's also a time to toot your horn!

30404 HOLIDAYS - CLEAN Dick Hull

I'm so glad to have you all here --
And to have Dick's retirement near.
He has had his say,
So this is my way
To make his new life very clear!

30405 HOLIDAYS - CLEAN Dick Hull

In Cyprus we'll have our own pool.
So picture Dick playing it cool:
With sunglasses on,
A sportshirt he'll don,
Yes, life will be horribly cruel!

30406 HOLIDAYS - CLEAN Dick Hull

However, 'cause a pool must be clean.
Our retiree must keep it pristine.
He'll relax until
He learns a new skill;
He will wield a mean vacuum machine.

30407 HOLIDAYS - CLEAN Dick Hull

So while Dick makes the pool water pure,
I can go out for my manicure.
Yes, our warm new life
Will charm Dick's wife
And now has a double allure!

30408 HOLIDAYS - CLEAN Dick Hull

Thanksgiving is over -- Hooray!
Soon it will be Christmas day.
And then New Years Eve,
'Fore Valentines we've
Got more holidays on the way.

30409 HOLIDAYS - CLEAN Ardens

For the Irish, we've got St. Pat,
Then Easter -- what do you think of that?
Memorial
July 4th full
Of fireworks and sparkly hats.

30410 HOLIDAYS - CLEAN Arden

Labor day? We've got it made.
Columbus? He gets a parade.
Don't be a meanie
Next Halloweeny,
When goblins your houses invade.

30411 HOLIDAYS - CLEAN Arden

I see we both share the same creed;
Less week and more weekend, we need.
A holiday each week
And we'll have, so to speak,
A good beginning on heaven, indeed.

30412 HOLIDAYS - CLEAN Azul

We have some days off to 'remember',
And Christmas, of course, in December;
There's also Thanksgiving,
And days for just living,
And New Year's to drink and get limber.

30413 HOLIDAYS - CLEAN

In Limerick, they tie up the streets
With poets who, begging for sweets,
Recite day and night
With doggerel delight,
Deluding themselves that they're Yeats.

30414 HOLIDAYS - CLEAN Anon

St Paddy's day was such a treat;
The sun shone and we all felt the heat.
The bands were quite smashing,
With uniforms dashing;
All in all, the whole days was so neat.

30415 HOLIDAYS - CLEAN Mul

The corned beef and cabbage was nice.
That feast is my only one vice.
Keep your old mutton;
For me I'm a glutton,
So much so that I had it twice.

30416 HOLIDAYS - CLEAN Mul

To all of my internet friends,
As this sunny and greeny day ends,
I went to my vault,
Extracted a malt,
And Salute! this old fucker sends.

30417 HOLIDAYS - CLEAN Mul

Kevin will join all the fun and say
'Twas a great time this Saint Patrick's Day.
The Irish are keen;
We all wore the green;
I hope next March, the rainbow will stay!

30418 HOLIDAYS - CLEAN Dick Hull

As we celebrate Veteran's Day,
Right here in the U. S. of A.
Let us not forget
That we're in their debt,
For the ultimate price some did pay.

30419 HOLIDAYS - CLEAN Carol

To the parents whose bundle of joy
Caused elation that's not at all coy:
We all give a cheer
And toast you right here,
As you welcome your new little boy.

30420 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

She's a beauty and surely a pearl,
Your new bundle of love all a-curl.
We send our congrats,
And take off our hats
To the folks with their new baby girl!

30421 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

And now that you're parents, don't weep
But allow us a thought very deep:
We say, Mom and Dad
Please do not be sad,
But it's weeks 'til that first good night's sleep!

30422 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

Hannah, have the best birthday ever;
I hope you're a great friend forever.
We're two weeks apart,
Which is a good start,
For a friendship we cannot sever!

30423 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

She is funny, kindhearted and proud.
And we gather to cheer her out loud!
'Cause our fair lady
This day is eighty --
With a life that's been richly endowed.

30424 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

As your birthday is the twenty-first,
You can say today you rehearsed.
And tonight it's fine
To drink more wine;
In your honor, we slake our thirst.

30425 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

A good friend by the name of Jim
Turned sixty with plenty of vim.
Though he may sleep late
His stamina's great,
And doesn't need to head for the gym.

30426 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

As Anne Marie hits the big SIX-O
Come to our home and go with the flow;
Wear green if you can
For this Ireland fan,
It;ll flush her cheeks with a healthy glow.

30427 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

Jim's capacity for gin with lime
And ability to dance on a dime,
Mean he and his wife
Are still full of life,
And it's not yet Viagra time!

30428 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

At this party you'll greet friends and kin,
You'll get to watch some shamrocks spin.
And you'll surely see
Our Anne Marie,
Turn sixty with an Irish grin.

30429 HOLIDAYS - CLEAN - BIRTHDAY   Dick Hull

There's a lady who turns mumble three
(She's many years younger than me)
And she is no klutz,
Though she signs herself "Nutz".
Heres hoping her birthday's happy!

30430 HOLIDAYS - CLEAN - BIRTHDAY

He said "I'm collecting for two."
On my porch you're not - catch a clue!
A costume you lack;
Have you lost the knack?
Can't say it, can't do it - Fuck you!

30431 HOLIDAYS - CLEAN - HALLOWEEN

On Halloween night, I'm the reaper;
I'm the silent and ominous creeper;
I'm the Angel of Death
Moving quiet as breath,
So don't give me away with my beeper!

30432 HOLIDAYS - CLEAN - HALLOWEEN   Cap'n Bean   P0310

Halloween is one hell of a chore,
Getting dressed in the spirit of gore;
But along with the fright,
There's a tasty delight
In the candy I find at each door!

30433 HOLIDAYS - CLEAN - HALLOWEEN   Cap'n Bean   P0310

An ominous Halloween night,
When the moon is so eerily bright;
I savor it well,
For it's creepy as hell,
And infuses the children with fright.

30434 HOLIDAYS - CLEAN - HALLOWEEN   Cap'n bean   P0010

The covers are off all my drains,
I've wired the bell push to the mains.
I'm sure going to beat,
Those damned trick or treat-
ers, by drowning or frying their brains.

30435 HOLIDAYS - CLEAN - HALLOWEEN

And if the sods still won't vamoose,
It gives me the perfect excuse
To open the kennel,
For the ultimate penal-
ty, letting my rottweiler loose.

30436 HOLIDAYS - CLEAN - HALLOWEEN

Now you all may think me a prick,
But I think it's quite a good trick;
And the dog gets a treat,
Something different to eat;
I just hope they don't make him sick.

30437 HOLIDAYS - CLEAN - HALLOWEEN

This crisp air makes my heart flip-flop
And shining dark evenings are tops --
Halloween's creeping near
With fireworks in its rear,
And then crackers explode with big pops.

30438 HOLIDAYS - CLEAN - HALLOWEEN   Lucy

The French I have heard are all huffy,
Xenophobic and stupidly stuffy,
About Halloween.
They think it's obscene
And culturally merdey and scruffy.

30439 HOLIDAYS - CLEAN - HALLOWEEN   Tutta Gioia

It's the one time of the year
That I can go 'round without fear
That someone will gag
Or barf in a bag;
They just say "Great costume, my dear!"

30440 HOLIDAYS - CLEAN - HALLOWEEN   Marlene Lewis

An old zombie who lived in a shoe,
Plagued with maggots, so what did she do?
She washed them all clean,
And painted them green,
And Halloween, gave them out, shouting Boo!

30441 HOLIDAYS - CLEAN - HALLOWEEN   Allen Wolverton

I heard this and it made me shake;
Of maggots I never partake.
They really are icky;
I prefer to be picky
And stick to the chocolate and cake.

30442 HOLIDAYS - CLEAN - HALLOWEEN   Tickettyboo

We'd Halloween treats from store shelves
To give out, but no trick-or-treat elves
Rang our bell -- heavy rain
Kept them home without gain.
So we'll eat all the candy ourselves.

30443 HOLIDAYS - CLEAN - HALLOWEEN   Prof M-G   T9711

I scooped out the flesh of a pumpkin;
I carved on the face of a bumpkin;
Went disguised to my folks.
They saw through my hoax.
Try as you might, you can't stump kin.

30444 HOLIDAYS - CLEAN - HALLOWEEN   Prof M-G   T9710

A shape-shifting shadow surprise
In the corner of one of your eyes;
The hoot of an owl,
Black cat on the prowl,
And me in my witchy disguise.

30445 HOLIDAYS - CLEAN - HALLOWEEN   Karen

Jack o' Lantern's evil leer,
Glimmers of shadowy fear,
A shape in the dark,
The Evil one's mark,
The ghosts and the spirits are here.

30446 HOLIDAYS - CLEAN - HALLOWEEN   Karen

My black cat familiar and I
Shall hop on my broomstick and fly
'Cross the full moon;
See us and swoon.
This may be your night to die.

30447 HOLIDAYS - CLEAN - HALLOWEEN   Karen

Beware of the shadowy moon;
Hark to the trill of the loon.
Their warning conveys
The strangest of days;
It'll be All Hallows Eve all too soon.

30448 HOLIDAYS - CLEAN - HALLOWEEN   Azul

The night that the witches take flight,
The dead arise to give us a fright.
So if out with your honey,
Don't think it is funny
If he disappears 'round midnight.

30449 HOLIDAYS - CLEAN - HALLOWEEN   Azul

Here we sit on All Hallow's Eve;
Witches, goblins, would you believe,
Come here seeking treats,
Else mischievous feats
Are threatened without a reprieve.

30450 HOLIDAYS - CLEAN - HALLOWEEN   Daniel Ford

So we hand over the candy
To little ghouls and one dandy,
A gangster baddy
(Little's ones' daddy)
Flashlight and walking stick handy.
(Who's hoping Mommy stays randy.)
30451 HOLIDAYS - CLEAN - HALLOWEEN   Daniel Ford

Although we intend just to "treat" them,
And with bags of candy would greet them,
The kids on the block,
Can't overcome shock,
Of having two Dobermans meet them.

30452 HOLIDAYS - CLEAN - HALLOWEEN   Chris Papa

The ghostly green ghoul that's alight,
Will hardly stir feelings of fright,
But Dobes on a "sit,"
Do scare them a bit,
They think they are going to bite.

30453 HOLIDAYS - CLEAN - HALLOWEEN   Chris Papa

The cackling witch off on her broom,
Won't give 'em a portent of doom;
Their terror defines,
In well bred canines,
Who welcome them into the room.

30454 HOLIDAYS - CLEAN - HALLOWEEN   Chris Papa

After great deal of soothing is said,
They'll give furtive touch on dog's head,
And since they're so brave,
The "tricks" part we'll waive,
And give them their just "treats", instead.

30455 HOLIDAYS - CLEAN - HALLOWEEN   Chris Papa

The ghosts and the goblins will soon
Be rompin' 'round 'neath a dark moon.
But I'll give no sweets
Nor other nice treats;
I'll be at the local saloon.

30456 HOLIDAYS - CLEAN - HALLOWEEN   Observer

Our physical attributes might
Give some other people a fright.
But it is not fair
For them to just stare;
After all, it's Halloween Night!

30457 HOLIDAYS - CLEAN - HALLOWEEN   Marlene Lewis

Nothing can beat Halloween
For over indulgence obscene.
For children, it's candy;
For their elders, it's brandy;
For vandals, the night of their dreams.

30458 HOLIDAYS - CLEAN - HALLOWEEN   Dr Limerick

There once was a pumpkin that died,
For a candle had burnt off his hide.
His insides were taken,
His face was misshapen,
And now he is displayed outside.

30459 HOLIDAYS - CLEAN - HALLOWEEN   Darleen Kelly

My son came to me and he said:
"Dad, make me a big pumpkin head."
So I thought, what the heck;
Put an axe 'cross his neck,
And fitted a squash there instead.

30460 HOLIDAYS - CLEAN - HALLOWEEN

There once was a fellow named Wright
Who died on a Halloween night,
At the home of the Thorpe's,
Where they dragged out his corpse,
And they riddled the children with fright.

30461 HOLIDAYS - CLEAN - HALLOWEEN   Cap'n Bean   P0201

Not last night, but the night before,
Three witches they came to my door.
One had a hunchback,
One wore a black sack,
And the third spewed pizza on my floor.

30462 HOLIDAYS - CLEAN - HALLOWEEN   Tutta Gioia

The ghosts and ghouls are out to play;
If you see them, please stay away.
It's Halloween night.
They'll give you a fright.
Trick or treat is what you must say.

30463 HOLIDAYS - CLEAN - HALLOWEEN   Anon

The night psychos wander the street,
Looking for victims to eat.
I won't sit at home;
I'll be on the roam,
And smile as I say "trick or treat?"

30464 HOLIDAYS - CLEAN - HALLOWEEN   Allison Critch

If I say to you, "Trick or treat',
And you don't give me something to eat,
Then beware the course,
For you know I'll be forced
To kill you with the smell of my feet.

30465 HOLIDAYS - CLEAN - HALLOWEEN   Jeff Baggs

The goblins appear in the night,
Intending to give us a fright.
On the door they will beat,
And they'll yell Trick Or Treat.
Then they quickly deport from our sight.

30466 HOLIDAYS - CLEAN - HALLOWEEN   Gifford Wherry

To Christians this Christmas 'bout birth
Rejects truth for all it is worth!
I and my pointy hat,
(There's a W on that),
Will pour some red wine on the earth.

30467 HOLIDAYS - CLEAN - HALLOWEEN   Archie

How are you this Memorial Day?
Better off, I do hope and I pray
Than millions of vets
Whom our mations forgets
When remembering ceases to pay...

30468 HOLIDAYS - CLEAN - MEMORIAL   John Miller 0342

The pallor of women their pall...
To speed them no candles at all,
Save in girl's eyes
Shine final goodbyes
As soldiers continue to fall...

30469 HOLIDAYS - CLEAN - MEMORIAL   Tutta

For those who are dying like cattle,
No bells! Just the stutter and rattle
Of rifles and guns...
The dead's orisons,   (prayers)
Whose lives have been snuffed out in battle.

30470 HOLIDAYS - CLEAN - MEMORIAL   Tutta

Some verses from the 1st World War
Show battle as a terrible whore!
But lying histories
Do keep the mysteries
And hide all the dying, the pain and the gore.

30471 HOLIDAYS - CLEAN - MEMORIAL   Sansuesi

September's first Monday's a day
When most folks don't work, but just play.
And yet it's called "Labor",
Parade, pipe and tabor,
Display in a most festive way.

30472 HOLIDAYS - CLEAN - MEMORIAL   Chris Papa

My "Stars and Stripes" is out to wave,
From flag-pole aluminum stave,
But it does amuse
To think I might use
My army fatigues, old and brave.

30473 HOLIDAYS - CLEAN - MEMORIAL   Chris Papa

It lets folks know that I did give,
So that my dear country might live.
Two years of my time,
When youth was in prime,
Slipped by, just like water through sieve.

30474 HOLIDAYS - CLEAN - MEMORIAL   Chris Papa

But I won't joining in the parade,
Or take politician's charade
About "Land of the Free",
Which surely cost me
A debt that was manfully paid.

30475 HOLIDAYS - CLEAN - MEMORIAL   Chris Papa

I'd hope that the youth of our land
Would set aim for goals that are grand.
With no need for arms,
Or far wars' alarms,
Let justice and peace be their stand.

30476 HOLIDAYS - CLEAN - MEMORIAL   Chris Papa

Each year in the U. S. of A.,
We have a Memorial Day;
Remembrance for all
Who answered the call
By placing their lives in harm's way.

30477 HOLIDAYS - CLEAN - MEMORIAL   Travis Brasell

This day should not pass with regret,
We owe an unpayable debt
To all the bravehearted,
Those valiant departed,
Whose sacrifice we'll not forget.

30478 HOLIDAYS - CLEAN - MEMORIAL   Travis Brasell

For Freedom, their lives served as shields;
Advancing in war's ravaged wealds,
'Gainst tyranny's fist.
They made the resist
With Victory on all battlefields.

30479 HOLIDAYS - CLEAN - MEMORIAL   Travis Brasell

In skies, upon seas or on land,
Wherever the point of command,
They stormed every hell,
Where heroes blood fell,
'Til God gave them rest by his hand.

30480 HOLIDAYS - CLEAN - MEMORIAL   Travis Brasell

In shadows of Old Glory's wave,
We cherish the memories we save;
Of those who stand tall
In Remembrance's Hall --
By Freedom salute we The Brave!

30481 HOLIDAYS - CLEAN - MEMORIAL   Travis Brasell

Australia, in similar vein,
Remembers each April, with pain.
Our own ANZAC Day,
Our young men blown away,
So that free our great land might remain.

30482 HOLIDAYS - CLEAN - MEMORIAL   Steve123

The Battle of Gallipoli
Is a focal point for us, you see.
The battle was brutal
But hopelessly futile.
I'm sure glad that it wasn't me.

30483 HOLIDAYS - CLEAN - MEMORIAL   Steve123

As, sadly, the sun starts to set
On the soldiers who cannot forget,
The youth of today
Laugh it off, turn away,
While the ANZAC is battling yet.

30484 HOLIDAYS - CLEAN - MEMORIAL   Steve123

I've never been called up or fought.
But growing to manhood has taught
Me to see what they lost,
And just how much it cost,
And to give the respect that I might.

30485 HOLIDAYS - CLEAN - MEMORIAL   Steve123

The year is two thousand and three,
And I thought I could have it for free.
But, surprising to say,
On it's very first day,
It arrived at my house C.O.D.

30486 HOLIDAYS - CLEAN - NEW YEARS   Cap'n Bean   P0301

I'm loving and leaving you soon,
Like early this Saturday noon.
I hope you all here
Have a Happy New Year;
I'll be back in two thousand and oon.

30487 HOLIDAYS - CLEAN - NEW YEARS

It's the very last month of the year,
And I shed, from my eye, a small tear;
As I feel a bit glum,
As the holidays come,
Over friends who are no longer here.

30488 HOLIDAYS - CLEAN - NEW YEARS   Cap'n Bean   P0312

Sure I know that I've done lots of teasin'
But I write for a much different reason.
'Tis to wish you good cheer
For the upcoming year,
And in fact for this whole festive season.

30489 HOLIDAYS - CLEAN - NEW YEARS   Robert Birch

For you folks out there in Coshocton,
Many yule drinks we're concoctin'.
As we drink our beer,
We wish you were here,
So to you "Frolichte Weinacten."

30490 HOLIDAYS - CLEAN - NEW YEARS   Ed Wolfert   P8212

This holiday season it's clear,
We're in for a repeat of last year.
Good cheer abounds;
I'll gain six pounds,
And we'll all go bankrupt again, dear.

30491 HOLIDAYS - CLEAN - NEW YEARS   Lynn Mostafa

The holiday season's a ball;
The shoppers are trekking the hall.
Even the Grinches
Are sitting on benches
And watching the girls in the mall!

30492 HOLIDAYS - CLEAN - NEW YEARS   Observer

Merry Christmas, Happy New Year.
To all of our good friends, most dear,
Good health to you all.
May your troubles be small,
And millennium full of good cheer!

30493 HOLIDAYS - CLEAN - NEW YEARS   Chris Papa

The end of 2002,
I'm off to a Hogmanay do;
Here's wishing from me
That 2003
Will be peaceful and happy for you.

30494 HOLIDAYS - CLEAN - NEW YEARS   Peter Wilkins

Dear friends, 'tis abundantly clear
Time waiteth for no man, I fear.
Wine glasses in hand?
Good! -- Yell "Ain't life grand!
And to all a real Happy New Year!"

30495 HOLIDAYS - CLEAN - NEW YEARS

We wish you happiness and cheer
All throughout the coming New Year.
May blessings increase;
The bellicose cease,
Allowing us lives without fear.

30496 HOLIDAYS - CLEAN - NEW YEARS Chris Papa

With partying now in high gear,
Unhappiness pushed to the rear,
Stay near us and smile
As you know all the while --
We all want a Happy you, near.

30497 HOLIDAYS - CLEAN - NEW YEARS Fred Cohen P8801

Friends, I hope that your Yuletide was festive
And the stay with in-laws not too pestive.
Let me hope that y'all see
Smashin' times in '03;
For the start let's consume drinks digestive.

30498 HOLIDAYS - CLEAN - NEW YEARS

The holiday season is here.
Time to have family be near.
So come as you can,
By car, truck, or van,
And be home with me soon, won't you, dear?

30499 HOLIDAYS - CLEAN - NEW YEARS Oxymoronic Gal

As the century draws to a close,
We are facing a new set of woes;
Nineties folk are perplexed;
Should the decade that's next
Be the Noughties, or simply the O's?

30500 HOLIDAYS - CLEAN - NEW YEARS   Anon

In the new year, a wondrous time,
When stars and all life rhyme sublime;
A millennium ends,
As a new one impends,
Springtime of an age truly prime.

30501 HOLIDAYS - CLEAN - NEW YEARS   Joel D Ash   P0001

To the past we will all bid adieu,
In fond hope that great times will ensue;
Some so awestruck,
At their run of good luck,
Perhaps one of the few may be you.

30502 HOLIDAYS - CLEAN - NEW YEARS   Joel D Ash   P0001

Your family granted much love,
Good fortune that flows from above;
The treasure of health,
Plus a measure of wealth,
Good friends and the blessings thereof.

30503 HOLIDAYS - CLEAN - NEW YEARS   Joel D Ash   P0001

With peace in our time that is real,
Sad wounds in the world start to heal;
Our America strong,
Seeking right, righting wrong,
With the ship of state on even keel.

30504 HOLIDAYS - CLEAN - NEW YEARS   Joel D Ash   P0001

Give thanks that you live in this place,
Shining light of the whole human race;
Of course there are flaws,
But no remorse because,
There is so much that's fine to embrace.

30505 HOLIDAYS - CLEAN - NEW YEARS   Joel D Ash   P0001

Go forth with much joy in your heart;
Make an effort to play a good part;
Strive for positive flow,
You can help make it so,
And a glorious year will soon start.

30506 HOLIDAYS - CLEAN - NEW YEARS   Joel D Ash   P0001

A New Year! A brand new beginning;
No sulking, no swearing, no sinning.
Though that's just how I feel
With intentions quite real,
Those who know me, they just can't help grinning.

30507 HOLIDAYS - CLEAN - NEW YEARS   Ogden Nield

Let's hope that descent of the ball,
'Twill bring merry time for us all.
With good health to spare
And someone to share
A love for all things, large and small.

30508 HOLIDAYS - CLEAN - NEW YEARS   Chris Papa

My goals for a Happy New Year!
A few limericks posted to here,
More laughter, less pain,
Less weight will I gain,
More money and women and beer!

30509 HOLIDAYS - CLEAN - NEW YEARS   John Miller

Texans, please lend us your ear,
As we enter this Happy New Year.
If you think we have changed,
You're slightly deranged;
For a poem, and not us, you'll will hear.

30510 HOLIDAYS - CLEAN - NEW YEARS   Julian G Martin   P0211

I'm ready to start the New Year;
I refuse to buy into fear.
I'll sing Auld Lang Syne,
Share a cup of wine,
And toast friends whether far or near!

30511 HOLIDAYS - CLEAN - NEW YEARS   Maggie

My plan for a frantic first
Includes much slaking of thirst.
Although it's risky,
I'll chase my whiskey
With beer after beer till I burst.

30512 HOLIDAYS - CLEAN - NEW YEARS   Norm

May the cheer of this seasonal fling
Stay with you as the the New Year takes wing,
And be in your heart
Always from the start,
To the end, when again the bells ring.

30513 HOLIDAYS - CLEAN - NEW YEARS   Daniel Ford

So hear's to the old and the new;
I wish health and happiness too!
Good days filled with rhymes
And the best of times,
As we bid the nineties adieu!

30514 HOLIDAYS - CLEAN - NEW YEARS   Maggie

Every year after work, Xmas eve,
To the pub for a party, we leave.
There's not much to do,
Except eat, drink and feel blue,
As the New Year's too close to believe.

30515 HOLIDAYS - CLEAN - NEW YEARS   Jim Weaver Collection

Don't complain, Hanukah is eight days,
With a gift to be given each day.
So you see, it is true
There are only rich Jews;
No wonder -- how else could they pay?

30516 HOLIDAYS - CLEAN - NEW YEARS   Mike Dale

We send you our seasonal greeting,
As the year seems to be so fleeting.
May your feel the love
That's shared from above,
As well as the rain, snow, and sleeting.

30517 HOLIDAYS - CLEAN - NEW YEARS   Daniel Ford

This year I do Yule by the book;
I've perfected my 'really thrilled' look,
Practiced mistletoe snogging,
Remote-control hogging,
And got some other bugger to cook.

30518 HOLIDAYS - CLEAN - NEW YEARS   Lucy

No matter the creed or prayer said,
Whether there's cloth on the head,
Most religions all
Heed the solstice call,
At time when the earth seems near dead.

30519 HOLIDAYS - CLEAN - NEW YEARS   Chris Papa

Two thousand, two thousand, two thousan',
The whole wide world's over carousin'.
This ain't just New Year
Or New Century here,
'Cause the third Milennium now's in.

30520 HOLIDAYS - CLEAN - NEW YEARS   Prof M-G

I thank you, my dear, for your greeting;
The old year, too fast, has been fleeting.
And '03 is in-rushing
Giving me a concushing,
As I duck out with party horns bleating.

30521 HOLIDAYS - CLEAN - NEW YEARS

Though usually I'm here to appall
And stink up the place, bugger all;
I'll pinch back, at present,
And briefly be pleasant --
Good holiday cheer to you all!

30522 HOLIDAYS - CLEAN - NEW YEARS

Come November our prayers we are giving
To our Lord for our bountiful living.
But some folks, I have heard,
Find the whole thing absurd --
Why don't Indians indulge in Thanksgiving?

30523 HOLIDAYS - CLEAN - THANKS   Phil Cannibal   P0101

On Thanksgiving, I'll sit at my place,
And I'll wait until Mother says grace.
Then I'll open my yap
Like a gluttonous chap,
And I'll stuff all the food in my face!

30524 HOLIDAYS - CLEAN - THANKS   Cap'n Bean   P0311

'Tis almost Thanksgiving again,
But the event is becoming a pain.
People expect an invite,
Or you're not too polite;
But for me there's nothing to gain.

30525 HOLIDAYS - CLEAN - THANKS

We spent a small fortune on food,
And I don't want to sound like I'm rude,
But they party all night,
And there's often a fight,
Which for me, really spoils the mood.

30526 HOLIDAYS - CLEAN - THANKS

Oh, eating is my favorite thing
I think of the joy it does bring
A dish with a slice
Of pi would be nice
What's your number? I'll give you a ring!

30527 HOLIDAYS - CLEAN - THANKS

My number dear I thought you knew,
Since last year I gave it to you.
But if it got lost,
Please let me emboss,
It on your cock like a tattoo.

30528 HOLIDAYS - CLEAN - THANKS

The grandmother said with a jeer,
"Thanksgiving is lovely my dears.
As I look and I see
All of you around me,
I am thankful, it's just once a year."

30529 HOLIDAYS - CLEAN - THANKS   Keith Gilman   P0111

A gentleman and his pet puffin
Ate a turkey with all of the stuffin'.
They went for a walk.
And enjoyed their talk,
And finished their meal with a muffin.

30530 HOLIDAYS - CLEAN - THANKS   Vincent Torre   P0207

I came to this land of the free,
From terror and famine did flee.
Now this feeling of dread;
I might soon be dead --
It's Thanksgiving - please don't pick me!

30531 HOLIDAYS - CLEAN - THANKS

Thanksgiving's a bountiful treat,
With our diners so full and complete;
Devour the fare,
But remember a prayer,
For those who have nothing to eat.

30532 HOLIDAYS - CLEAN - THANKS   Cap'n Bean   P0311

May the turkeys be all stuffed with dressing;
May the jerks become jerky, a blessing.
May the duds be the milk ones; (Milk Duds - US candy)
And those cross become hot buns.
For one/two-a-penny, that's refreshing.

30533 HOLIDAYS - CLEAN - THANKS   Hilde na Beag

Thanksgiving, the U.S. has thanked
In time honored ways SACROSANCT;
For family and friends,
A time for amends,
With love of all most highly ranked.

30534 HOLIDAYS - CLEAN - THANKS   Chris Papa

November, November, November,
A time to give thanks and remember,
Unless you're the tom
That the meat's taken from,
Then, too early, you've reached your December!

30535 HOLIDAYS - CLEAN - THANKS   Prof M-G

Amid all the joy, something lurky;
As sad little thought very murky.
Though we've all done well,
Today has been hell,
For many a fine-feathered turkey.

30536 HOLIDAYS - CLEAN - THANKS   Chris Papa

When there's no thought of gift giving,
Just fellowship and good living,
Family and friend
To gathering lend
Good will, good eats for Thanksgiving.

30537 HOLIDAYS - CLEAN - THANKS   Daniel Ford

This thanksgiving we're wishing you two
A bountiful feast with a crew
Of your friends and your kin
And plenty of gin.
It's a day meant for turkeys like you.

30538 HOLIDAYS - CLEAN - THANKS   A. N. Wilkins   P8612

The jaunty plump bird chanced a look
To see if he'd outfoxed the cook.
But alas and alack,
He's now on his back;
'Twas the door to the kitchen he took.

30539 HOLIDAYS - CLEAN - THANKS   Frank Fazed

Thanksgiving, the Pilgrims' first feast,
In the frigid and nasty Northeast;
They were warmly dressed,
Though I would have guessed,
The Indians were wearing their least.

30540 HOLIDAYS - CLEAN - THANKS   Chris Papa

On maize and zucchini they dined,
Table manners were not too refined;
they ate turkey with fingers,
And pumpkin pie bringers
Were left in a terrible bind.

30541 HOLIDAYS - CLEAN - THANKS   Chris Papa

This was Thanksgiving weekend
When Americans go 'round the bend,
Stuffing our faces
And looking for traces
Of leftovers, on that depend.

30542 HOLIDAYS - CLEAN - THANKS   Arden

We sit and watch each football game,
(No matter if each one's the same)
As well as parades,
With floats filled with maids,
And nap on the couch -- oh the shame!

30543 HOLIDAYS - CLEAN - THANKS   Arden

I don't think it's fair that the Yanks
Have Christmas and Giving of Thanks.
They have turkey twice,
'Cause food is their vice;
Their waistlines are bursting their banks!

30544 HOLIDAYS - CLEAN - THANKS   Jayne

We Brits do it but twice a year,
We pig out to have Christmas cheer;
So fat we can't reach
To switch off the Queen's speech,
Then at New Years, we guzzle down beer.

30545 HOLIDAYS - CLEAN - THANKS   Jayne

I searched out the cards that I got
Last Valentine's Day and guess what?
I went to the mall
And reposted them all
For the twenty-first time on the trot.

30546 HOLIDAYS - CLEAN - VALENTINES Peter Wilkins

Some Valentine cards I shall buy,
And wistfully sign with a sigh:
To Sonia, Sandy,
Alicia, Mandy,
And probably others, from I.

30547 HOLIDAYS - CLEAN - VALENTINES Peter Wilkins

To my crush on Valentine's day,
Here's a poem to express what I say.
"I see you at school;
Your looks make me drool;
Could you please send a smile my way?"

So search if you will, for the man
Who'll hold off as long as he can,
And romance extend
To sweet mutual end.
There's nothing much better than.

30549 HOLIDAYS - CLEAN - VALENTINES Chris Papa

A newlywed husband named Bart
Said, "You are the queen of my heart.
You'll always be mine,
My sweet Valentine;
I'll love you till debt do us part!"

30550 HOLIDAYS - CLEAN - VALENTINES Observer

On Valentine's Day, here's a note:
"My dear, I would like a fur coat,
Or maybe a ring.
Oh, heck -- will you bring
Me more of those lim'ricks you wrote?"

30551 HOLIDAYS - CLEAN - VALENTINES

A problem long under the sun
Is when it comes to having fun:
Though ladies maight linger,
The guy's trigger finger
Frequently shortens the fun.

30552 HOLIDAYS - CLEAN - VALENTINES Chris Papa

As Valentine's day approaches,
My mind serenely encroaches.
Romance is so nice
And gives life some spice,
Who needs a lover that poaches.

30553 HOLIDAYS - CLEAN - VALENTINES Maggie

Venus, not Eros, you see,
Is the preference for women like me.
Libido with haste
Is merely a waste!
Linger with passion! Ecstasy!

30554 HOLIDAYS - CLEAN - VALENTINES Maggie

This Valentine thing makes me sick;
A candy-and-card merchant's trick.
This stuff about cupid,
Is insipid and stupid;
All a man wants is pleasing his prick.

30555 HOLIDAYS - CLEAN - VALENTINES John Miller

Your girlfriend is balking, and still you
Pursue her, although it may kill you.
Valentines might just whet her
And maybe you'll get her
To answer a "YES" to your "WILL YOU?"

30556 HOLIDAYS - CLEAN - VALENTINES Ystap   T9801

Whenever I see Valentines
I'm reminded that "hearts" are like wines,
The redder the better,
So don't you forget her,
And send her those sugar-sweet lines.

30557 HOLIDAYS - CLEAN - VALENTINES Ystap   T9801

My girl has turned into a Miss.
My love has not turned into bliss.
I wrote out some lines
On sweet Valentines,
And now I can just reminisce.

On Valentine's day, give her flowers,
With perfume that quite overpowers.
But she takes just one smell,
And gets hay fever. Hell!
Now she'll be sneezing for hours.

Happy Valentine's Day to the one,
Whom without there'd just be no fun,
At playing a game,
Though still kinda lame,
You know who you are, don't ya hon?

Things in Bethlehem got in a whirl,
With frankincense and so much myrrl.
Both shepherds and flock
Were in for a shock
When the Wise Men announced, "A black girl!"

Said, "The diagnosis is not hepatitis.
I've ruled out phlebitis

On Christmas Day, all that I heard
Was, "Come to the table, old turd!"
My cook said, "Here's eggs,
And cold turkey legs;
Your kin ate the rest of the bird!"

30563 HOLIDAYS - CLEAN - XMAS

The whole problem with Christmas is gifts;
We have to exchange them in shifts.
We never keep track
Of what stores should take back,
Versus what should go straight to the thrifts.

30564 HOLIDAYS - CLEAN - XMAS Prof M-G T9712

Even the items we keep
Will be sold off at garage sales cheap,
To be bought by folks who'll
Give us back them next Yule,
To provision our next thrift-store heap.

These heavy verses need luggers,
To keep them away from the muggers,
And away from kids;
Put Scrooge on the skids,
Get rid of the Bah Humbuggers.

30566 HOLIDAYS - CLEAN - XMAS Daniel Ford

Christmas bells clang in my ear.
I am a curmudgeon I fear.
But I'll see it through,
I'll brighten my view
With a few bottles of old Christmas cheer.

They're decking the bulkheads and hulls.
They're painting the dinghies and sculls.
On the beach and the bay
Anybody would say
That it's Christmas for bouys and for gulls.

30568 HOLIDAYS - CLEAN - XMAS A. N. Wilkins P8801

On the last night before Christmas Day,
The turkey decided to pray.
And as down came the axe,
The farm got a fax
Saying "Christmas is cancelled 'til May."

I've got sparkles up to my knees;
I drown in twinkles when I sneeze.
I might just as well
Be buried in tinsel.
My wife has got Christmas Disease.

30570 HOLIDAYS - CLEAN - XMAS   Tony Burrell

Aunt Mildred, I thank you, my dear,
For the socks that you sent me this year;
And the handkerchiefs too.
I'll be thinking of you
When I'm blowing my nose, never fear.

30571 HOLIDAYS - CLEAN - XMAS   Peter Wilkins

Aunt Gertrude, the hankies you sent
And the socks; well, I thank you. You spent
Far too much, you old bat,
Oh, I'm sorry 'bout that;
'Twas a slip of the pen never meant.

30572 HOLIDAYS - CLEAN - XMAS   Peter Wilkins

Grandma, your present was better
Than last year's. I love this new sweater,
But cannot believe
The great length of one sleeve,
Which has smudged all the ink on this letter.

30573 HOLIDAYS - CLEAN - XMAS   Peter Wilkins

Uncle Fred? You are terribly wise,
And I'd thank you; but really -- those ties
That you sent were so stained
And with dirt so ingrained,
That they once were your own, I surmise.

30574 HOLIDAYS - CLEAN - XMAS   Peter Wilkins

I thought you were well in your box,
Dear Great Grandma, I fear that the shock's
Been a little too great;
Please forgive me. I'm late
Writing thank you, my dear, for the socks.

30575 HOLIDAYS - CLEAN - XMAS Peter Wilkins

I replaced the last Christmas tree ball,
'Cause one shattered last night in its fall.
The tree now is well done,
Though my ex's missing one.
All the best of the Season to y'all.

30576 HOLIDAYS - CLEAN - XMAS Pilar

It's cold and dark as the night,
Fires heat houses just right.
Soft sprinkles of snow,
Sprinkle and glow.
Christmas lights twinkle sweet light.

It's supposed to be Jesus's birthday
And the happiest time on our earth-day.
But just take my advice
Lest you're caught in a vice;
It's a run up to "milking your purse-day".

30578 HOLIDAYS - CLEAN - XMAS Nawahl Razak

If giving a gift's all it takes
To make people love you, it makes
For many a shallow
Young girl and a fellow;
Don't fall for it, for heaven's sakes.

Now things that are very much dearer
Are the crafts that are bringing you nearer.
Imagination
And a little creation
Do make messages very much clearer.

First we start out with a tree --
But it's always crooked as can be --
It makes Mon and Dad fuss,
Causes Daddy to cuss,
And when it falls, they blame it on me!

30581 HOLIDAYS - CLEAN - XMAS Kaylin

Then Dad and Mom have a fight
Because half of the lights do not light.
Dad tries, but no use,
Now he's blown a fuse!
So he cusses some more -- what a sight!

30582 HOLIDAYS - CLEAN - XMAS Kaylin

Mommy takes us to the mall,
But the baby is starting to bawl.
In long lines we dance --
I just peed my pants,
'Cause the bathroom is way down the hall!

30583 HOLIDAYS - CLEAN - XMAS Kaylin

And, it is just as I feared --
Just who is this creep with the beard?
Makes me sit on his knee
While he's fondling me.
I think that this fat guy is weird!

30584 HOLIDAYS - CLEAN - XMAS Kaylin

They say this is a season of mirth,
When we celebrate a child's birth.
But with all the stress,
It's just one big mess --
No goodwill, and no peace on Earth!

30585 HOLIDAYS - CLEAN - XMAS Kaylin

It's damned near to Christmas again;
Time for that bloody French Hen
Or two in a tree...
Oh, how I would pee
All over the Season's pitchmen!

Biology Student Fong Lee,
Vacationed last month by the sea.
While out on a lark,
He spied a dead shark,
Whose stomach contents included five golden rings, four calling birds, three French hens, two turtle doves, ...

30587 HOLIDAYS - CLEAN - XMAS Dean Hannotte

In November, there's Christmas decor,
Always more than they'd put up before.
I think that's too early,
And that almost surely,
For most of the public, a bore.

30588 HOLIDAYS - CLEAN - XMAS Ryan

Each Christmas the city's a flurry
Of aimlessly, scurrying hurry.
There's much consternation,
Disorganization,
Frustration and bad-tempered worry.

30589 HOLIDAYS - CLEAN - XMAS Peter

Away with this holiday spirit!
Merry Christmas? I don't want to hear it!
You buy gifts till your broke;
What you get back's a joke.
I don't so much hate it as fear it!

30590 HOLIDAYS - CLEAN - XMAS   Ogden Nield

There was a young reindeer named Nate,
Who at Christmas would procrastinate.
"I'll buy presents tomorrow,"
He'd say to his sorrow,
For Christmas by Easter's too late.

Sometimes we think we've been had;
But this year has not been so bad.
So from Juarez to Chihuahua,
We, Pappa and Mamma,
Wish you "Feliz Navidad."

The day of Christmas is near,
And it fills our hearts full of cheer.
With lights that are glowing;
Everywhere it is snowing,

Christmas shopping's a thing I begrudge,
When traffic's snarled and won't budge.
I really could use a nap,
But I have gifts to wrap,
Then make Christmans cookies and fudge.

We'd like to offer sheerful light,
To illuminate faces,
During break from the races,
"Happy Christmas to all; Good Night!"

Filled with gifts by Santa's wee elves.
Pick-pockets abound,
Shop lifters all 'round.
Merry Christmas, please help yourselves!

As children cheer,
It's reversed, for a holiday delight.

A non-denomonation
Free celebration
Generic greeting -- INGRATE!

Those shoppers who shove, push and knock,

Come sit by me while I blink bonnily,
I'll warm you so hey nonny nonnily...
And at Christmas time,

Who leaves lots of gifts so wantonily.

30606 HOLIDAYS - CLEAN - XMAS   Tutta Gioia

So, who's the fat guy by my fire?
All in all, my behavior's been dire.
No gifts for me,

Old Santa somewhat of a stranger?
You say your Yule spirit's in danger?
Well smile anyway,

Some say Xmas is simply a farce;
Some say Xmas is fun with its stas;
I must clean, I must bake,
There's no time for a break:
Happy Xmas, mas, mas, mas, mas, mas ....

There's nothing that can compare
With Christmas, and what we find there:
For adults, peace and joy;
For the kids, a new toy.
It's the time of the year when we share.

But for some reason, sleep escaped me.

I'm no longer perterbed
Just one sip... Oh! Christmas Tea!

Guarantees the presence of our dearest.

Wait in line for an hour, or more --
All those gifts, try to find

30628 HOLIDAYS - CLEAN - XMAS Kaylin

With Christmas just six months away
We must start our shopping today;
Let's all of us hurry

Hark! Do I hear Yule bells ringing?
And Choirs beginning their singing?
Now wait! I am wrong,
It is only the song
Of six million cash registers dinging.

Merry Christmas, Ho-Ho, and Good Cheer;
I'm afraid that it's that time of year
When a good Jewish boy
Makes a fool of us Goy,
And we buy till it comes up to here.

I smiled but my face began cracking.
The Grinch, I'm afraid, was attacking,

The spirit, this year, was just lacking.

Yes, Christmas is really sublime.
But I think I'll commit a small crime:
Because time flies so fast,

A fortnight has passed since I've posted
A limerick wherein I've boasted
Of pereginations
And hot procreations,
With women whose pussies I've hosted.

30719 HOMOS - FEMALE Travis Brasell

So therefore, I share with my journal,
This tale of two tails quite supernal;
Forsooth, tell I will
This decadent thrill,
Occurring not long hence, nocturnal.

30720 HOMOS - FEMALE Travis Brasell

While dining at "Ralph and Kakoos,"
A restaurant with rave reviews,
My favorite retreat
On old Bopurbon Street,
I met a young wench with tattoos.

30721 HOMOS - FEMALE Travis Brasell

She was a Mulatto whose skin
Was olive in color, and in
Her eyes of deep blue,
A passionate hue,
I saw the seduction of sin.

30722 HOMOS - FEMALE Travis Brasell

Since I'm such exploitable prey,
She strolled in her hot, sultry way,
Straight up to my table
And asked, "Are you able
To go to my playground to play?"

30723 HOMOS - FEMALE Travis Brasell

Well, under the spell of her charm,
In seconds, we left arm in arm.
Down by the canal,
She hailed her old pal,
A Cajun gal who owned a farm.

That Cajun gal said, "My oh, me oh!"
Make haste fast and gats in my pirogue;

Through fog and around cypress knees,
Those girls paddled trying to squeeze
'Twixt gators and stumps,
While showing their rumps
And promising me some great sleaze.

30726 HOMOS - FEMALE Travis Brasell

The swamp's perils we three survived,
And soon at the farm we arrived;
I urged them to hurry,
My mind was all blurry,
I knew that my time was short-lived.

30727 HOMOS - FEMALE Travis Brasell

Like drunks with a barrel of scotch,
Those two imbibed each other's crotch,
While I sat close by
(I thought I would die!)
With nothing to do except watch.

30728 HOMOS - FEMALE Travis Brasell

Those bitches, they touched, licked and kissed;
Not one spec of body was missed.
Their titties they nuzzled;
Their pussies they guzzled;
Ignoring me, I was quite pissed.

30729 HOMOS - FEMALE Travis Brasell

That night I thought I'd be their hero;
Instead I got nothing but zero;
No, I take that back,
Before the dawn's crack,
I got the hell out in that pirogue.

While partying late New Years Eve,
I made a mistake that I grieve.
I thought that my date
Was a woman named Kate,
But I woke up with a Steve!

31162 HOMOS - MALE - SURPRISE Wildman T9801

Poor Eric was needing a mate,
So swiftly arranged a blind date.
So at eight o'clock
Beneath the town clock,
He proceeded to go meet his fate.

31163 HOMOS - MALE - ZSERIES Jayne

Quite a big girl was young Kate;
She was only a little bit late.
They went for a meal;
He fancied a feel,
As he finished the grub on his plate.

31164 HOMOS - MALE - ZSERIES Jayne

She really was quite a prick teaser.
Eric grabbed some beers out of the freezer.
But, Oh what a shock!
She had a big cock!
Young Kate's not a girl, she's a geezer.

31165 HOMOS - MALE - ZSERIES Jayne

Feel free to just look in and see
When next you are taking a pee.
Go past the first two
And then you can view
Them all there in stall number three!

31166 HOMOS - MALE - ZSERIES

Do these contests occur every hour?
If you had 'em atop a tall tower
The weirdos we know
Could buy tickets below
To enjoy a real nice golden shower.

31167 HOMOS - MALE - ZSERIES

You ask me to join in? Thanks, nope!
Against me you'd all have no hope.
When I'm in top form
And ready, all warm,
I enjoy pissing right up a rope.

31168 HOMOS - MALE - ZSERIES

But it's fun to compete with a friend;
Let loose a full stream without end.
Tell you what, I'm no dope,
While I piss up the rope,
All of you go piss into the wind.

31169 HOMOS - MALE - ZSERIES

I hope the contest ain't obscurin'
The training required that's so pure an'
Challenging physically.
Do you, he asked quizzically,
Forget the warm wet state that urine?

31170 HOMOS - MALE - ZSERIES

My window is boring today;
There's nobody good 'cross the way.
There's just one dull guy
As boring as I --
I flashed him, but he must be gay.

31171 HOMOS - MALE - ZSERIES

Ignored you? That ain't no surprise.
That fellow, like most of us guys,
Will want more invention,
To get his attention...
You've got to flash more than your eyes.

31172 HOMOS - MALE - ZSERIES

There once was a man from Rinde,
Who might have been the gay kind.
Asked to go away,
He was heard to say:
"I cannot leave my friend's behind."

31173 HOMOS - MALE - ZSERIES   Les Stewart

But maybe his good friend's behind
Was pleasantly tight for a grind,
And better than others,
Including his brother's,
Which isn't so soft and refined.

31174 HOMOS - MALE - ZSERIES

How is Bob in the cupboard now faring?
Have you let him out for some airing?
He was quite a sight
On Monday night.
(Could I borrow that dress he was wearing?)

31175 HOMOS - MALE - ZSERIES Petal

Old Bob can't remember which dress
That he wore Monday night to impress
You. Now did it have spots,
Stripes, or blue polka dots?
('Twas a floral arrangement, I guess.)

31176 HOMOS - MALE - ZSERIES Peter W

He says if you buy him a scotch,
Then he promises never to watch
From his cupboard as you
Do whatever you do
In those undies you wear with no crotch.

31177 HOMOS - MALE - ZSERIES Peter W

Cried heavyweight pugilist Rex
(Flexing biceps and triceps and pecs,
As he knocked his opponent
Out cold and somnolent),
"I'd love to try lesbian sex."

31178 HOMOS - MALE - ZSERIES

"I look rather fetching in pink
And this lipstick quite suits me, I think."
Then he sat down and bawled
As the referee called
For a doctor, a nurse and a shrink.

31179 HOMOS - MALE - ZSERIES

A crafty old codger was Roger;
He rented a room to a lodger
He found most appealing;
Drilled holes in the ceiling,
And watched as he fondled his todger.

31180 HOMOS - MALE - ZSERIES Peter Wilkins

The lodger stepped out of her skirt,
Her stilettos, her sweater and shirt;
Then her pantyhose, vest,
Brassiere and the rest.
Poor old Roger was ready to squirt.

31181 HOMOS - MALE - ZSERIES Peter Wilkins

But suddenly, what did he see
Hanging down from the lodger's left knee?
A humungous great bone,
Twice as thick as his own,
And as thick as the trunk of a tree!

31182 HOMOS - MALE - ZSERIES Peter Wilkins

"Oh shit!" said old Roger and squirted
Much jelly and cream which alerted
The lodger below,
Who said, "Jolly good show;
But I think you're a trifle perverted."

31183 HOMOS - MALE - ZSERIES Peter Wilkins

A certain old pervert named Casement
Is guilty of heinous debasement;
The plain simple fact is
What guys like him practice,
Comes under the head of displacement.

31184 HOMOS - MALE - ZSERIES Armand E Singer 936A

His sibling, a far finer Casement,
Was known for extreme self abasement;
Thus, dispite all his good work,
He was lost in the wood work,
Result, a near total effacement.

31185 HOMOS - MALE - ZSERIES Armand E Singer

I once knew a girl named Petunia,
With a marvelous new way of screwin' ya.
She would mount from behind,
Then she'd bump and she'd grind,
Would please ya although it could ruin ya.

31186 HOMOS - MALE - ZSERIES John Miller

I heard of that gal named Petunia,
Who could most certainly ruin ya.
Seems 'she' was a 'he'
And liked men, yesiree;
She'd mount from behind and spray spoo in ya!

31187 HOMOS - MALE - ZSERIES Gearhart

I once knew a bloke called Jack,
Who was always in and out of the sack.
But Jack, he was gay,
For his farts, they would say,
"Poof", as they left through his crack.

31188 HOMOS - MALE - ZSERIES Queensland Person

A mate I thought straight, he then said,
That Jack gave magnificent head.
Though I'd not heard it all,
It'll be 'Bums To The Wall!'
Till someone can prove I'm misled.

31189 HOMOS - MALE - ZSERIES Queensland Person

I met a young fellow the other day,
Who openly confessed "I am gay".
"I experience delight
And pleasures outa sight
In an about face kind of a way".

31190 HOMOS - MALE - ZSERIES

"That is simply not for me", I said;
"I would never give a man head!
Nor apply my renal
To your duodenal;
I would rather have beavers instead!"

31191 HOMOS - MALE - ZSERIES

There was one who gave me a chase,
A Minor League pitcher called Ace.
But he had lotsa nerve:
Aimed to throw me a curve
Then split ere I got to burst face.

31192 HOMOS - MALE - ZSERIES

But beavers are always more fun;
As catchers, they're second to none.
They'll gobble your wood
And make you feel good,
'Fore saying, "I gotta roam, Hon".

31193 HOMOS - MALE - ZSERIES

There's a blonde girl in room 24,
This story I'm sure you'll abhor.
Her lock it was broken;
Her resistance a token;
But nobody knocked on her door.

31194 HOMOS - MALE - ZSERIES

They came to repair it, it's said,
While the girl lay asleep o her bed.
The carpenters dreams
Fell apart at the seams,
When he dropped the new lock on her head.

31195 HOMOS - MALE - ZSERIES

She told me the story thus far,
As she gave me a lift in her car.
But I am quite sure
That there will be more,
Room twenty four is not far.

31196 HOMOS - MALE - ZSERIES

So making love to the chimes of Big Ben,
At half past or quarter to ten,
Or in that vicinity,
She lost her virginity.
The lady in question is Glen.

31197 HOMOS - MALE - ZSERIES

There was an old spinster called Maude
At whom everyone laughed and guffawed;
Until handsome young Bert
Caused a tent in her skirt,
Which revealed she was really a Claude.

31198 HOMOS - MALE - ZSERIES Peter Wilkins

"I've wanted," sobbed Claude, "all my life,
Just to be somebody's dear wife.
Strong hormones I take
So my titties shake,
But I've not gone under the knife."

31199 HOMOS - MALE - ZSERIES

I just met this Queen that you've seen,
Said her name wasn't Claude but Claudine.
And this is no joke,
So I gave her a poke;
My poor little cock has turned green.

31200 HOMOS - MALE - ZSERIES

Can you give this poor guy some advice;
To get my own colour back would be nice.
I feel such a dope
When I open my coat,
My flashes have just got to be nice.

31201 HOMOS - MALE - ZSERIES

I saw her from across the room;
When our eyes met, I was doomed.
Was hoping she'd make up
For my recent break up,
And help chase away all the gloom.

31202 HOMOS - MALE - ZSERIES Gearhart

I asked her if she might, per chance,
Fancy a romantic dance.
The way she said "Yesss,"
I must confess,
Almost made me cream in my pants.

31203 HOMOS - MALE - ZSERIES Gearhart

A deep, sultry, southernly voice,
A body, so pleasantly choice,
That long flowing hair
And transfixing stare,
Made my palms sweaty amd moist.

31204 HOMOS - MALE - ZSERIES Gearhart

When the band had finished their song,
I felt something terribly wrong.
Against me was pressed
From behind that dress,
A bulge that had to be a dong!

31205 HOMOS - MALE - ZSERIES Gearhart

I hoped like hell "he" would not follow.
I was not in search for a fellow.
It at last dawned on me
As I reached my MG,
Why the name of the bar was "The Swallow."

31206 HOMOS - MALE - ZSERIES Gearhart

There was a young lass in Manila;
It seems that no boyfriend could thrill her.
To the market she'd go,
Check the bins to and fro,
To find a nice gourd to fulfill her.

31207 HOMOS - MALE - ZSERIES

As she sought a veggie delight,
A handsome young stud she caught sight.
She had thoughts of romance,
For a bulge in his pants,
Meant he probably stayed up all night.

31208 HOMOS - MALE - ZSERIES

With a smile she went to his cart,
Intending to intercourse start.
But far from being nice,
He'd just point to the price
Of the produce he'd brought to the mart.

31209 HOMOS - MALE - ZSERIES

Getting mad, she said "Are you so blind?
Don't I bring thoughts of lust to your mind?
If you handle things right
We could really be tight."
And to make her point, rubbed her behind.

31210 HOMOS - MALE - ZSERIES

But the guy said "Hey, girl, though you're cute,
Any hopes of our mingling is moot.
Just between you and me,
No vegetables, see;
I'm one of those merchants who's fruit."

31211 HOMOS - MALE - ZSERIES

When a guy stares into a girl's eyes,
And he takes a deep breath and then sighs,
It's a safe bet to take
That the next move he'll make
Is to reach with his hand 'tween her thighs.

In Frisco, make damn sure of this,
That the chick you meet's really a Miss;
After kisses and sighs,
With your hand 'tween her thighs,
You'll say "Huh! Omigod! What is this?"

"I thought you came in here for quim!
If boobs you desire,
Don't need to look higher
Than Barbie dolls down at the gym."

32317 HOOKERS - HOUSES

"They're not there to exercise, mate.
They're just showing off their man-bait.
No brains and no class --
They got tits and ass,
But anything else, they'll frustrate."

32318 HOOKERS - HOUSES

There once was a lady named Alice
Who lived in a whoremonger's palace.
"To you it is bread,"
Fair Alice once said,
"But the staff of my life is a phallus!"

32319 HOOKERS - HOUSES Jane D. Hughes P9205

The busiest girl without doubt
In the 3-story whorehouse would pout:
"The reason I'm dragging
Is not all the shagging.
It's those stairs that are wearing me out."

32320 HOOKERS - HOUSES Theo Heller P9205

There was a young madam named Stonely
Who saw to it that men were not lonely.
Though the beds were all taken,
Not one was forsaken,
They were let in for standing room only.

32321 HOOKERS - HOUSES Albin Chaplin

Reminds me of Josie's in Stockton,
A sex factory; once I had clocked on,
Then Josie gave you
A two minute screw,
Then clamped her legs and not focked on.

32322 HOOKERS - HOUSES

At Mike Jackson's, the time for a yawn
And retire to the bedroom salon,
Is known to us all,
Though no clocks on the wall;
When the big hand, the little one's on.

32323 HOOKERS - HOUSES Hugh Clary

There's a jock down in south Pocatello
Who's convinced he's a hell of a fellow,
For his wife gives him free,
(And so copiously!)
What she learned in a Texas bordello.

32324 HOOKERS - HOUSES Keith MacMillan A041A

The brothel was cleaned to good taste,
By sweeper McBridle in haste.
For when harlots were idle
They were screwed by McBridle,
As he hated to see so much waste.

So tonight you'll be treating your tricks."

How her new home was built.
She explained it was built piece by piece.

Her thoughts being geared to expansion,
She shored up her ass with a stanchion.
She kicked out cajolers
And decrepit bung-holers,
And she moved to the town's finest mansion.

32331 HOOKERS - HOUSES - FANCY Albin Chaplin 3024-2249

Who catered to those who would pay her.
But it all went for naught.
She deserved what she got
When she married His Honor, the Mayor.

They are closing the old Mustang Ranch,
Goin' the way of Dodge City's Long Branch;
Will there be a yard sale,
Bidets and towels stale,
Or a mattress with residual stench?

32340 HOOKERS - HOUSES - FANCY

In the yard on an old army cot,
One last chance at a favorite twat;
With condoms raised high,
Wave to all a good-bye;
We'll go blind when it cannot be bought!

32341 HOOKERS - HOUSES - FANCY

Though they've vanished like five cent cigars,
The dodo, and free lunch at bars,
We still much deplore
That the good whore of yore
Works no longer in plush sex bazaars.

32342 HOOKERS - HOUSES - FANCY Grand Prix Lim 26

According to Ms. Adler's tome.
But could you deny
Men would like to try,
To settle there -- never to roam.

Then, for five, fund a fuck...
It was nicknamed "The Poontango Palace."

It's not just the music of cellos
That identifies high-class bordellos;
They offer occasion
For either persuasion,
For some of their ladies are fellows.

There was an old madam named Potts,

There once was a whorehouse in space,
That traveled all over the place.
In the whole solar system
No one could resist 'em,
But few could keep up with the pace.

32348 HOOKERS - HOUSES - FANCY Neal Wilgus P8511

I heard there's a rule No. 3
Designed for a tourist like me:
'For men who are curious,
Fuck fast and fuck furious
All Amsterdam women you see.'

32349 HOOKERS - HOUSES - FOREIGN

The solution that you here depict
Is useless in this whole conflict.
In the situ I mention,
Better lessen my tension
In Amsterdam's red-light district.

32350 HOOKERS - HOUSES - FOREIGN

An Amsterdam clam I did cock-o,
And that window girl sat on my jock-o.
Don't be timid, sweet thing;
If it wasn't for eating,
It wouldn't be shaped like a taco.

32351 HOOKERS - HOUSES - FOREIGN

Remember "Chez-What-Was-His-Face"?
This lovely, adorable place,
Where we ladies would rest
And where we found the best
Love-making on earth or in space?

32352 HOOKERS - HOUSES - FOREIGN

I was mourning for dearest Le Geeze;
He surely did know how to please
This lonely old Miss --
How I wish he might kiss
My lips and my hips and my... please!

32353 HOOKERS - HOUSES - FOREIGN

I wonder if Chez's is still there
And I wonder would anyone care
To show me the way
To fun laughter and play;
Tell me how to find pleasure - and where!

32354 HOOKERS - HOUSES - FOREIGN

'Twas at a Chinese house of ill-repute;
Because of an urge I couldn't refute;
The madam: Ho Mahn,
I believe a woman,
Said, "Fifty dollar take care of you flute."

32355 HOOKERS - HOUSES - FOREIGN

There were all kinds of ho's in the room;
And the air smelled like Chinese perfume;
When Won Wai Tu Fat,
Came beside me and sat,
And said, "Come-up with me and boom-boom."

32356 HOOKERS - HOUSES - FOREIGN

She was too much for me, Wai Tu Fatt;
Though a friend, thinks fat's where it's at;
Her left titty was gone,
And she had on a thong,
With a bush like a fuzzy welcome mat.

32357 HOOKERS - HOUSES - FOREIGN

"Me love you in all kind of weather.";
When she walked, her thighs rubbed together;
Her right titty flopped,
And her pubic hair mopped
The floor, like a worn piece of leather.

32358 HOOKERS - HOUSES - FOREIGN

I needed a quick change of venue,
Ho Mahn handed me the house menu;
There were all kinds of prices,
For the pleasures and vices,
And a throbbing, beckoning to continue.

32359 HOOKERS - HOUSES - FOREIGN

As my finger went down the whole lot;
It paused right on Chu Sum Twat;
I thought about Fatt,
And I passed quick on that;
I thought about getting crotch rot.

32360 HOOKERS - HOUSES - FOREIGN

My finger came to Goo Wei Chik;
Sloppy seconds...messy Chinese trick;
I re-read the thang,
Picked, Yung Poon Tang,
Seemed like the right Tang for the plick.

32361 HOOKERS - HOUSES - FOREIGN

I left that house of disgrace
With an ear-to-ear smile on my face;
I'll be back again,
With a hundred-and-ten,
Bucks, for Ho Mahn and her place.

32362 HOOKERS - HOUSES - FOREIGN

"Allo? I eez beezy," said Fifi.
"Be wiz you, monsieur, in a jifi;
But eef you can't wait,
Knock on door number eight,
And young Mimi will see to your stifi."

32363 HOOKERS - HOUSES - FOREIGN   Peter Wilkins

An innocent, virginal, dreamy
Expression on beautiful Mimi;
But deep down desires
Much like smoldering fires,
Promise night-times, volcanic and steamy.

32364 HOOKERS - HOUSES - FOREIGN   Peter Wilkins

I had the same thing with young Kate.
So randy I just couldn't wait,
But Kate's sis was willing.
I gave her a milling,
I'd I'd come when Kate came too late.

32365 HOOKERS - HOUSES - FOREIGN   Tiddy Ogg

By contrast, young Fifi's up-front.
She'll approach you and ask for a punt,
Saying, "Fancy a cure
For your stiffy, monsieur?"
As she presses your hand to her cunt.

32366 HOOKERS - HOUSES - FOREIGN   Peter Wilkins

Peter strolled down the Champs Elysees
With a leash on two poodles Francais.
Young Mimi and Fifi
Enthralled mutts quite beefy,
Who sniffed this fine doggy buffet.

32367 HOOKERS - HOUSES - FOREIGN   Randog

While learning to play the bassoon
In a bordello in downtown Rangoon,
My reputation for blowing
Got all the girls going.
These Burmese gals love a good tune.

32368 HOOKERS - HOUSES - FOREIGN   Bill Wall

There once was two ladies from Paris,
Who said to me, "Please come and share us."
They did me all ways,
And now I sing praise,
It turned out they were hookers from Kara's.

32369 HOOKERS - HOUSES - FOREIGN   Richard Long

With the well-run Kraut brothel in sight,
The troops put the Wehrmacht to flight.
And to no one's surprise,
The girls switched to GIs
Without losing even a night.

32370 HOOKERS - HOUSES - FOREIGN   A. N. Wilkins   P9205

I rang Northern Escorts last night,
To ask for a night of delight.
"Let's see," said the voice,
"We have Mary or Joyce;
You may check them out now on our site."

32371 HOOKERS - HOUSES - FOREIGN   Peter Wilkins

Mary and Joyce, our two pearls!
Both royalty! Daughters of Earls!
So shy and discreet!
So wonderfully sweet!
They're two of our daintier girls.

32372 HOOKERS - HOUSES - FOREIGN   Hermione

The pleasures of old Singapore
Are seductive -- you cry out for more.
There's massages and rubs
And dubious clubs,
With unspeakable things on the floor.

32373 HOOKERS - HOUSES - FOREIGN   Bill Wall

There was a stout lad of the fleet,
In Cherbourg, in the chips, and in heat.
He bought out La Maison
De Madam de Bonbon,
And kept calling for girls toot-di-sweet.

32374 HOOKERS - HOUSES - FOREIGN   John Ciardi

An artist, one night in Khartoum,
Was broke and in need of a room.
He swapped an intaglio
To rent a seraglio
And got a bit more than a rheum.(discharge from eyes & nose)
(seraglio - harem, brothel, warehouse)

32375 HOOKERS - HOUSES - HOVEL Philo Logue P8407

An indian down in Khartoum
Runs a whorehouse for freaks in her room.
But a bitch from Bombay
Daisy-chains it away,
While she's friggin her ass with a broom!

32376 HOOKERS - HOUSES - HOVEL G0629

Locked with a hooker fell Brown
From a steep cat-house roof to the ground.
Arms entwined; knocked out cold;
When a passing drunk told
The Madam, "Your sign just fell down!"

32377 HOOKERS - HOUSES - HOVEL Theo Heller P9205

A madam once set up a tent
With a red light hung over the vent,
Where girls could rent asses
Quite cheap to the masses,
Because of the savings in rent.

32378 HOOKERS - HOUSES - HOVEL Norm Storer P9205

After driving all day (God it's hot!)
I found Maude's, and I groaned "I crave twat;
Barkeep, need the roughest
And by God the toughest
And meanest old whore that you've got."

32379 HOOKERS - HOUSES - HOVEL Allen Wolverton

Said the barkeep, "For your appetite,
(Remember the fit won't be tight)
We got her, (won't bite)
For an hour or all night;
Down the hall, second door on the right.

32380 HOOKERS - HOUSES - HOVEL Allen Wolverton

"Well alright!" I paid up, took a pair
Of cold bottles of beer to her lair;
Down the hall I did lunge,
Thinking how I would plunge
My hot prick in the wild raunchy mare.

32381 HOOKERS - HOUSES - HOVEL Allen Wolverton

Second right, I kicked open the door;
"Where in hell is that mean rough tough whore?"
"You just found her, young dude"
As she quickly stripped nude,
Bending over, put palms on the floor.

32382 HOOKERS - HOUSES - HOVEL Allen Wolverton

I stopped; put the beer bottles down;
Sort of gulped; it was hairy and brown!
"How'd you know the position
I want for coition?
Hold on babe, we're going to town."

32383 HOOKERS - HOUSES - HOVEL Allen Wolverton

This good old gal then let a fart;
In my face her twat winked (oh my heart!).
"It's so tough, can't abuse it;
You might want to use it
To open those beers 'fore we start!"

32384 HOOKERS - HOUSES - HOVEL Allen Wolverton

That whorehouse of Vlad's is a pit.
The desk clerk he hired's a twit.
I packed up my bags,
Said, "Good-bye!" to those hags,
But on my way out I got bit.

32385 HOOKERS - HOUSES - HOVEL

That turned me around mighty quick,
For my head it did spin <gulp, I'm sick>
Okay, I'll come back...
Give the job one more crack,
But my teeth just might give you a prick.

32386 HOOKERS - HOUSES - HOVEL

The Johns, in long lines, try to cash in.
My new reputation is passion.
I warn them (in vain,
Cause they're loving the pain)
"The blow job may make you look ashen."

32387 HOOKERS - HOUSES - HOVEL

Peter Lilley and Michael Portillo,
Thought wanking and bumming were brillo.
So they took off their socks,
And got out their cocks,
In a sleazy Westminster bordello.
(two ex-cabinet ministers)
32388 HOOKERS - HOUSES - HOVEL Tez Burke

There was an old whore from Bengal
Who maintained her house in a hall.
This fine use of her senses
Cut down all expenses;
Her piece price dropped to wholesale for all.

32389 HOOKERS - HOUSES - HOVEL Albin Chaplin

It's Rodeo Night at Jean-Claude's,
And she'll be the Belle of the Bawds,
If she can stuff up this dong;
(It's ten inches long!)
Beats everything over a Maudes.

32390 HOOKERS - HOUSES - JEANCLAUDE Ericka

You know that Le Geeze passed away,
But his spirit is here now to stay.
Girls, you must know
That there'll be a show
At Jean-Claude's on Saturday.

32391 HOOKERS - HOUSES - JEANCLAUDE Kitten

I've saved something special, remember?
A taxidermist took care of that member;
He expertly preserved
What is now reserved
For subscribers who sign in September.

32392 HOOKERS - HOUSES - JEANCLAUDE Kitten

It's attached to a rodeo machine;
The best thing that I've ever seen.
Colored buttons lead
To options of speed,
And there is much humping between.

32393 HOOKERS - HOUSES - JEANCLAUDE Kitten

So Saturday, please don't be dumb;
We will eat some steaks and mash gum.
There will be a reward
For the last one to board,
Who is also the last one to come.

32394 HOOKERS - HOUSES - JEANCLAUDE Kitten

Now this is most wonderful news!
It will be quite exciting to use
Le Geeze's lost member,
Erect like tall timber,
Attached to a bucker that moos.

32395 HOOKERS - HOUSES - JEANCLAUDE Jeanie

I'll be there with boots and a hat,
A bolo tie and pair of chaps.
The rest of me bare,
When I perch on that chair
And ride like a wanton hellcat.

32396 HOOKERS - HOUSES - JEANCLAUDE Jeanie

Oh, please, can I make reservations?
Are there guys of different nations?
I'd like a French guy;
(I think you guess why),
I'm looking forward with anticipation.

32397 HOOKERS - HOUSES - JEANCLAUDE

There's no need to reserve for tomorrow;
Just arrive and instructions you'll follow.
There will be fun
For everyone;
We'll have a great time: goodbye sorrow!

32398 HOOKERS - HOUSES - JEANCLAUDE

Jean-Claude's guys are "up" for inspection,
So there's no need for circumspection.
Choose the one for you,
(You can even have two)
A photo album shows each erection.

32399 HOOKERS - HOUSES - JEANCLAUDE

There are males from all over the place
And not one has a horrible face.
There are bodies for all
Some big, some small,
Some run, some walk -- choose your pace.

32400 HOOKERS - HOUSES - JEANCLAUDE

I'm brushing up now on my French,
So I can lure more than one wench,
For a tune-up supreme,
About which they'll dream...
I'll loosen them all with my wrench.

32401 HOOKERS - HOUSES - JEANCLAUDE

It's time to go set the alarm,
I'll soon will be leaving the farm
To go to the city,
For 'hot nitty-gritty':
That's Friday night sex done with charm!

32402 HOOKERS - HOUSES - JEANCLAUDE

Tonight we'll cruise down the old river,
And drink a few brews for my liver;
Then after the cruise
She'll light my long fuse,
Then what an explosion I'll give 'er!

32403 HOOKERS - HOUSES - JEANCLAUDE

There's no-one around now, my dear.
Come on in; shut the door - over here.
You may fondle my thighs,
Make my dongle arise;
You may do what you like with my gear.

32404 HOOKERS - HOUSES - JEANCLAUDE

Jean-Claude's hung a note on the door
"Please enter for pleasures galore
Tonight it is free
There's no entrance fee
Come on in and the wine will pour"

32405 HOOKERS - HOUSES - JEANCLAUDE

Then we'll all choose an envelope;
There'll be no "kick 'n rush" or grope.
When you find your match,
Hold on to your catch;
They're all experts; they're able to cope;

32406 HOOKERS - HOUSES - JEANCLAUDE

Then we'll each be off to a room,
Accompanied by our groom;
The rest you must tell
Here on A J L;
You will not be shy, I assume.

32407 HOOKERS - HOUSES - JEANCLAUDE

It was 10 when I stood at that door,
Wondering what was in store...
Jean-Claude let me in.
(He was dressed in a pin-
Striped beret and a smile, nothing more...)

32408 HOOKERS - HOUSES - JEANCLAUDE

I blushed as he relocked the key
And he said, "Not to worry, cheri.
Tonight's 'invite only'
Especially for lonely
Young wives. Mum's the word, mon ami!"

32409 HOOKERS - HOUSES - JEANCLAUDE

I entered into a large room
Where music played at low volume.
A bowl sitting there,
Full of small little square
Envelopes, beckoned me like perfume...

32410 HOOKERS - HOUSES - JEANCLAUDE

I chose one at random and was all
A-tremble when I read, "You get Paul.
He's in Room Eleven.
You also get Kevin.
A pair guaranteed to enthrall."

32411 HOOKERS - HOUSES - JEANCLAUDE

Paul had a most manly physique,
Like one of those Gods who were Greek...
His cock was erected
And nicely protected,
With a condom bought in a boutique...

32412 HOOKERS - HOUSES - JEANCLAUDE

He said it would glow in the dark
And he plied it with skill (his trademark).
And what staying power!
(We romped for an hour)
And he once made a sound like a bark!

32413 HOOKERS - HOUSES - JEANCLAUDE

But Kevin was better, my dears...
He did things to me not done in years...
I swear that his tongue
Was a half a foot long...
And the dear boy could breathe through his ears!

32414 HOOKERS - HOUSES - JEANCLAUDE

I've been licked, lapped and sucked on in places
I'd forgotten existed! They're aces!
I'll remember their names
And all of their games,
And angelically handsome young faces...

32415 HOOKERS - HOUSES - JEANCLAUDE

My evening in ecstacy went
By much too quick and I am spent!
My knees are like jelly;
My breasts and my belly
Still tingle. They were heaven sent!

32416 HOOKERS - HOUSES - JEANCLAUDE

I'm tired and worn out and glad,
Such a good time I seldom have had!
Although only one guy
For me - I thought - My!
But till then I did not know 'my' Tad...

32417 HOOKERS - HOUSES - JEANCLAUDE

I'd say, best I liked room number 4;
(The one with the sun on the door).
A whirlpool was sprinkling
Lights like stars twinkling,
And white sand was covering the floor.

32418 HOOKERS - HOUSES - JEANCLAUDE

When we entered I said "Beg your pardon...
This looks like a Japanese garden
In a warm full moon night!"
Wow -- it felt right --
Already my nipples did harden!

32419 HOOKERS - HOUSES - JEANCLAUDE

Lovely Ted whispered words in my ear
And helped me to undress - oh dear!
I went out of my mind
When his ..HMMMM.. I did find.
I was far too greedy, I fear.

32420 HOOKERS - HOUSES - JEANCLAUDE

After we had let off the first 'steam'
And my face started to gladly beam,
We jumped into the pool
Where we'd laugh and we'd fool
Around - yes we made a great team!

32421 HOOKERS - HOUSES - JEANCLAUDE

From the distance I heard music play;
No longer in water we'd stay.
I stretched out on a bed
And then sweet lovely Ted,
Softly touched me and I heard him say:

32422 HOOKERS - HOUSES - JEANCLAUDE

"A masssge I vill give you, sveet'eart,
Just tell me, dear, vhere shall I start?
At your feet or your face
Or your 'ot 'ungry place?
My 'ands surely vill vork vith art!"

32423 HOOKERS - HOUSES - JEANCLAUDE

His hands were so gentle and tender;
How could I do else than surrender?
He had me all moaning,
All sighing and groaning,
And this time I was not a pretender.

32424 HOOKERS - HOUSES - JEANCLAUDE

Then he stroked me with leaves of bamboo,
Kissed my lips and my neck, shoulders too.
And his sensible mouth
Worked its lovely way south,
So again I exploded...ooh - OOOOH!

32425 HOOKERS - HOUSES - JEANCLAUDE

For an hour or so we just lay
While hands and tongues still up to play.
Well, then I took the rein
And - you guessed it! - again
We were heavenwards-bound, so-to-say.

32426 HOOKERS - HOUSES - JEANCLAUDE

The night was still young; there was more
Ted did to me there on the floor.
But my eyes... they are closing,
I nearly am dozing,
I sure need a rest now, before...

32427 HOOKERS - HOUSES - JEANCLAUDE

Oh Girls you must go to Room "T";
It's brimming full with mystery.
Just take my word,
You'll come out blurred;
I'll relate what happened to me.

32428 HOOKERS - HOUSES - JEANCLAUDE

Handcuffs, blindfolds and a feather;
Chains and small nix made of leather;
The thought of his fingers
On my memory lingers;
Seem to recall there was some heather.

32429 HOOKERS - HOUSES - JEANCLAUDE

He said "You've got nothing to do;
I'm going to take care of you."
As he took of my clothes,
My temperature rose;
He just smiled with his eyes so blue.

32430 HOOKERS - HOUSES - JEANCLAUDE

He then carried me to the bed;
I can't tell you what was in my head.
He had such charm;
I tried to stay calm,
But found myself trembling instead.

32431 HOOKERS - HOUSES - JEANCLAUDE

He told me my body was "yummy",
As he laid me down on my tummy.
I said to my chum
"Please use a condom
I don't want to become a mummy."

32432 HOOKERS - HOUSES - JEANCLAUDE

He said "Don't worry I'll take care
My job is to carry you there.
You've nothing to fear,
Just relax my dear."
It was more than I could bear.

32433 HOOKERS - HOUSES - JEANCLAUDE

I was bound by my hands and my feet,
When I sniffed an essence so sweet.
Hot droplets fell;
My heart did swell;
I couldn't wait for the moment we'd "meet!"

32434 HOOKERS - HOUSES - JEANCLAUDE

I was massaged from neck to toes,
And not only my temperature rose.
He was such an expert
And he made it hurt;
He sure knew how desire grows.

32435 HOOKERS - HOUSES - JEANCLAUDE

Now I don't want to spoil the show,
But girls to Room "T" you must go.
At the end of the game,
I said "What's your name?"
And he said "Just ask for Pedro."

32436 HOOKERS - HOUSES - JEANCLAUDE

I've sampled Jean Claude's killer brew,
That tasty and warm frothy spew,
As he tongued with pleasure
My soft fragrant treasure,
And slid in his fingers - one, two.

32437 HOOKERS - HOUSES - JEANCLAUDE

Before getting into my pants
And claiming he wanted romance,
He tickled my nips
With wet luscious lips,
And slowly we began to dance.

32438 HOOKERS - HOUSES - JEANCLAUDE

He said, "Dear, I hope you don't mind,
Your cunt I'll be wanting to grind
Up against the wall
With both of my balls
And pole, which I'm sure you will find...

32439 HOOKERS - HOUSES - JEANCLAUDE

...Is hard as a rock, growing bigger;
Feel 'round, discover the trigger."
Out like a shot,
Coming quite hot,
He smiled and said, "I got to frig her!"

32440 HOOKERS - HOUSES - JEANCLAUDE

That squealing is not my complaint!
I find making love sounds, quite quaint.
It's tattling later
Of which I'm a hater.
I need a man skilled in restraint.

32441 HOOKERS - HOUSES - JEANCLAUDE

I am a most dutiful wife,
But I lead a most wearisome life.
While my husband's away,
If I choose to play,
I don't want to deal with the strife!

32442 HOOKERS - HOUSES - JEANCLAUDE

I'm sure that the men are discrete,
'Bout married gals taking their meat.
A pile of our dollars
Can quiet their hollers,
So we all can enjoy a sweet treat.

32443 HOOKERS - HOUSES - JEANCLAUDE

Flabbergasted, I am at this lewd
And licentious behavior so crude,
From ladies once chaste,
Who have now been disgraced,
By these prurient acts they've pursued.

32444 HOOKERS - HOUSES - JEANCLAUDE

I'll not speak for the others, just me;
I've often been "chaste" Hugh, you see.
But there is no glory,
If the love story
Doesn't have a good end, you'll agree.

32445 HOOKERS - HOUSES - JEANCLAUDE

At JC's they know what we need,
And have what it takes to feed
Our heart's desire
With burning fire.
So I will go back, yes indeed.

32446 HOOKERS - HOUSES - JEANCLAUDE

Of house work and chores I grow weary,
I'm in the mood for some fun now, my dearie.
That trip to Jean-Claude
Has awakened this broad
to delights of the flesh. Here's my theory:

32447 HOOKERS - HOUSES - JEANCLAUDE

To be lonesome's a worrisome thing,
And I crave what a fellow might bring.
Since I'm rather hot,
Let me see what you've got
To distract me and make my bell ring...

32448 HOOKERS - HOUSES - JEANCLAUDE

Your dick is continually hard?
I wonder then, is it quite scarred?
Seems it would get caught
In doors and what-not.
It would be a true shame if it's marred.

32449 HOOKERS - HOUSES - JEANCLAUDE

Your suspicions of me are correct:
I'm a true fan of "tongue dialect."
So you'd lick my nodal
And maybe you'd yodel
Down the canyon to win my respect?

32450 HOOKERS - HOUSES - JEANCLAUDE

Ladies look just outside your front door,
You will find a red rose; perhaps more
Like a soft tickling feather,
Maybe something of leather;
Think of me, I have wonders galore.

32451 HOOKERS - HOUSES - JEANCLAUDE

Very soon the weekend will be here
And then I'll be calling you near,
To taste sweet, languid passion
Which is never in fashion
With young studs, who think just of their spear.

32452 HOOKERS - HOUSES - JEANCLAUDE

With Big Mama we drove to his door,
But Monsieur le Geeze was no more
A huge, smelly fart
Had stopped his heart;
We found him laid out on the floor

32453 HOOKERS - HOUSES - JEANCLAUDE

Janice had long disappeared;
Big Mama fainted as I'd feared.
Le Geeze was cold,
But I felt bold,
So I kissed his whiskers and beard.

32454 HOOKERS - HOUSES - JEANCLAUDE

At Jean-Claude's, Le Geeze was fine;
All the girls would queue up in line.
How lucky I'd brought
My scissors I thought.
I'd got an idea for his shrine.

32455 HOOKERS - HOUSES - JEANCLAUDE

I unbuttoned his fly in a sec,
And I quickly cut off his peck.
That piece of wood
Felt so good;
I used it a while, what the heck!

32456 HOOKERS - HOUSES - JEANCLAUDE

Big Mama awoke from her sleep
And immediately started to weep.
I showed her the prize
And to my surprise,
She went into a trance real deep.

32457 HOOKERS - HOUSES - JEANCLAUDE

We went home, each on our own;
In a hanky I'd wrapped the bone.
Then off I rode
To see Jean-Claude;
At the bad news he let out a groan.

32458 HOOKERS - HOUSES - JEANCLAUDE

His love-house stays open today,
(Le Geeze would have liked it this way).
But please wear black;
Don't be taken aback,
At the sight of his meat in the tray.

32459 HOOKERS - HOUSES - JEANCLAUDE

Jean-Claude will soon dedicate
A room to his newly lost mate.
I'm just hopin'
When it's open,
Le Geeze will still put us in a state.

32460 HOOKERS - HOUSES - JEANCLAUDE

I'm mourning - please hear my lament:
The best of men was heaven sent!
He will never return
AH -- This pain! -- It will burn!
He was such a wonderful gent!

32461 HOOKERS - HOUSES - JEANCLAUDE

I'm speechless, of all joys bereft;
I'm sad because nothing is left
Than to whisper "Adieu,
Our lovely Monsieur!"
Death claimed him - Oh what a bad theft!

32462 HOOKERS - HOUSES - JEANCLAUDE

This day I will mark down as black;
To Jean-Claude's I will not go back.
All my things I will pack
And dress in a sack;
I'll care for no man - what the heck!

32463 HOOKERS - HOUSES - JEANCLAUDE

Well, last weekend was near a full moon;
All the girls came to hear Jean's boys croon;
Now, no one's employed,
Who can fill up their void,
With a long and most agile harpoon!

32464 HOOKERS - HOUSES - JEANCLAUDE

Moon is waning; Le Geeze has just died;
But we still hear those crickets outside;
All the AJL men
Will be "courting" again,
When the girls all come back lusty-eyed!

32465 HOOKERS - HOUSES - JEANCLAUDE

The Pied Piper relived in Le Geeze;
Now you're back; we'll turn off our TV's;
With priorities firm,
We can eagerly squirm;
Get in front, now, and down on your knees!

32466 HOOKERS - HOUSES - JEANCLAUDE

Girls, this morning I did a test run
And though I must admit it was fun,
What weakened my knees
Just wasn't Le Geeze,
Who's the Best when all's said and done.

32467 HOOKERS - HOUSES - JEANCLAUDE

I mounted the stiff one so silent
And off for a long ride I went,
But detected a moan
And a wriggle and groan,
Then realised it was a live gent.

32468 HOOKERS - HOUSES - JEANCLAUDE

Though the pecker procured some emotion
(I'd have liked a rePete in slow motion)
I knew that the tickle
Came from a pickle,
That lacked Geeze's peppered potion.

32469 HOOKERS - HOUSES - JEANCLAUDE

So down from the saddle I got
And though I was feeling quite hot,
I sniffed his feet
And recognised Pete,
(But he was not breathing a lot).

32470 HOOKERS - HOUSES - JEANCLAUDE

Jean-Claude helped me drag him away;
Now in a dark room he does lay.
Don't stare if you visit,
Don't ask "just what is it?"
Just smile and wish him Good Day.

32471 HOOKERS - HOUSES - JEANCLAUDE

Oh bugger! Discovered I be.
I knew this would happen to me.
At least I had fun
With the kittenish one,
And a moment (or twenty) of glee.

32472 HOOKERS - HOUSES - JEANCLAUDE

But now I've been dragged to this room
And left (Kitten thinks) to my doom.
I'll dream of young Jeanie
And play with my weenie,
To keep me amused in the gloom.

32473 HOOKERS - HOUSES - JEANCLAUDE

For sure I'll continue to plot;
Jean-Claude I could maybe garotte.
But no - when it's dark,
I'll creep out and I'll park
Myself under a hot little twat...

32474 HOOKERS - HOUSES - JEANCLAUDE

...Pretending to be a machine
That fucks in a manner obscene.
I'm sure, come the night,
If I switch off the light,
All the girls will be eager and keen.

32475 HOOKERS - HOUSES - JEANCLAUDE

The back room of Maude's is the place
Where the girls love to sit on your face.
You don't have to be young
If you've got a long tongue,
And you buy them cold beer by the case.

32476 HOOKERS - HOUSES - MAUDES   Travis Brasel

The back room's where boys turn into men,
When they give a few bucks just for ten
Minutes of blowjobs,
By some sweaty slobs,
Who for skinny young guys have a yen.

32477 HOOKERS - HOUSES - MAUDES   Travis Brasel

So if you are feeling the gloom,
And you want a dick hard as a broom
Handle, take my advice:
Don't stop to think twice;
Get your ass down to Maude's back room!

32478 HOOKERS - HOUSES - MAUDES   Travis Brasel

The cop went to Maude's to evict her.
"Sanitation", he said, "must be stricter."
When he saw her triangle,
His cock rose at an angle.
To Hell with the law -- he just dicked her.

32479 HOOKERS - HOUSES - MAUDES   Travis Brasel

Curvilinear trapezoid box,
Not a triangle's on that old fox;
If that cop has a round
On her trickling mound,
He will find that he's gotten the pox.

32480 HOOKERS - HOUSES - MAUDES Allen Wolverton

When he bangs his head on the bed-board,
His hair will stick there, 'pon my word!
When the cop can't get loose,
Maude's big dog named Bruce,
Will hump him. He'll die by the sword.

32481 HOOKERS - HOUSES - MAUDES Allen Wolverton

At Maude's Back Room we won't refuse
A geezer who pays his full dues
To pay for his member...
(Oh, now I remember --
So far in arrears is ol' Hugh's!)

32482 HOOKERS - HOUSES - MAUDES

That the gals down at Maudes are the dregs,
I discovered while standing on kegs
At a window, whose pane saw
One using a chainsaw,
For the purpose of shaving her legs!

32483 HOOKERS - HOUSES - MAUDES Hugh Clary

At Maude's Back Room, we've got a sale
On items marked down 'cause they're stale;
So make an appearence
At "Maude's Summer Clearance"
And take home a used piece of tail.

32484 HOOKERS - HOUSES - MAUDES Rue Schlock

There's Edna, the whore with the mange,
And Flottsy, whose sucking is strange;
So empty your kitty,
Or you will see Tiddy
Own both girls for scant pocket change.

32485 HOOKERS - HOUSES - MAUDES   Rue Schlock

If you want an amputee tart,
There is Red, who won John Miller's heart;
For only a dime,
She'll give you a great time,
Since she has no legs for to part.

32486 HOOKERS - HOUSES - MAUDES   Rue Schlock

And portly Pam pumped hard by Scott
Will go for whatever you've got;
But pity the man
Who thinks his dick can
Touch one single spot in her twat!

32487 HOOKERS - HOUSES - MAUDES   Rue Schlock

Of course, there's this thin German frau
Who's never been cheaper than now;
When you see her grin,
And come on her chin,
And price tag, you'll have to say "Wow!"

32488 HOOKERS - HOUSES - MAUDES   Rue Schlock

There's Darla, now who could resist her,
Since so many lovers have fist her?
She screams like a rabbit
And still wears the habit;
A gift from a tryst by some "Sister."

32489 HOOKERS - HOUSES - MAUDES   Rue Schlock

For pennies, a great buy is Grace,
Who wears nipple pasties of lace;
This bottle-blonde creature
Was once a great teacher;
Taught Carol to sit on John's face.

32490 HOOKERS - HOUSES - MAUDES   Rue Schlock

A buck will buy Fay who's been bitten
By lesbianism -- no shittin'!
It happened one night
While on a French flight,
Where she nudged the breasts of one "Kitten."

32491 HOOKERS - HOUSES - MAUDES   Rue Schlock

For only the price of a liter
Of Ripple is Mae, our young "greeter,"
Who stands in the weather
In garters and leather,
And picks off the crabs left by Peter.

32492 HOOKERS - HOUSES - MAUDES   Rue Schlock

I know that this preview's been brief,
But whether you're beggar or thief,
Please come take a sample;
Our "Clearance" is ample,
With sexual scraps for relief!

32493 HOOKERS - HOUSES - MAUDES   Rue Schlock

"Ms. Gertrude A. Pippin, age 80,
Is turning to dust in a shady
Old Dixieland graveyard;
She was a kind, brave bard
Who died while at Maude's, like a lady."

32494 HOOKERS - HOUSES - MAUDES

So Gertie's old body will molder,
She leaves thus her sister to shoulder
The load of the choads,
In Maude's whore's abode,
And make geriaphiliacs smolder.

32495 HOOKERS - HOUSES - MAUDES

Good ol' Maude's has a "working" girls' loo;
Not too dainty, bacterial zoo;
The flies all die young
On the seat! What's that strung?
Oh, it's cheeses, from Petrie Dish Sue!

32496 HOOKERS - HOUSES - MAUDES

"The bathroom's been long occupied;
An odor emits from inside.
Please someone...I'm wishin'
You'd call a mortician,
I fear that poor Heather has died!"

32497 HOOKERS - HOUSES - MAUDES

My bathroom is spotlessly clean,
The surfaces really pristine,
For freedom from germs
You need when your worm's
A-probing the parts of Christine.

32498 HOOKERS - HOUSES - MAUDES

The damn walls here have ears - that's the shits!
But I'd rather see acres of tits;
Now, at Maude's place down South,
You can open your mouth!
Nuzzling nips! That's as sweet as it gets!

32499 HOOKERS - HOUSES - MAUDES

Maude's girls have been treating me shabbily,
Incrustations infecting me scabbily.
Irritations and itching!
I'm frenziedly twitching!
Developing graybeard so crabbily.

32500 HOOKERS - HOUSES - MAUDES Hugh Clary

Maudes Back Room is having 'March Madness,'
An annual frolic of gladness;
Frau Eva of Germany
Without being sermony,
Will demonstrate all of her badness...

32501 HOOKERS - HOUSES - MAUDES Rue Schlock

With men and machines, and of course
The 'Lesbian Labia Force,'
And last, but not least,
A long-phallused beast
That's thrice damned near caused her divorce.

32502 HOOKERS - HOUSES - MAUDES Rue Schlock

Please don't miss our March Madness, please;
It's free to all lovers of sleaze!
So make the excursion,
Enjoy the perversion
That brings Eva down to her knees!

32503 HOOKERS - HOUSES - MAUDES Rue Schlock

I've complained of those dykes till I'm sick,
But management's dim-witted and thick.
Though most of the straights
Are very nice dates,
The lesbians aren't doing dick!

32504 HOOKERS - HOUSES - MAUDES Hugh Clary

While the guys are all in MBR,
I'll be in the front, tending bar,
Without any shoes,
Serving up the booze,
And strumming my Spanish guitar.

32505 HOOKERS - HOUSES - MAUDES Carol

Sanitation here ain't very swell;
Folks have named this joint Maude's Roach Motel;
Guys pile in for to groove,
But get stuck; they can't move,
Off the floor of this brothel from Hell!

32506 HOOKERS - HOUSES - MAUDES

Can you see now that Maude's a disgrace?
As we see by her pimply face.
In the butt she was corn-holed
By a lez with a dildo,
Whilst being thrown out of her place!

32507 HOOKERS - HOUSES - MAUDES

That big ass now alone walks the street,
With bruises and nasty black feet.
To the cop she did give,
A bad case of the HIV,
And he shot her on a lonely back-street.

32508 HOOKERS - HOUSES - MAUDES

Good ol' Maude was a queen of the ma'rms;
Now an 'aldehyde jug saves her charms;
On display 'bove the bar,
Though it seems quite bizarre;
We will toast 'em with raised scrofulous arms!

32509 HOOKERS - HOUSES - MAUDES

This bar's moonshine's called Popskull Supreme;
It burns innards to make a man scream;
We sure hope that Miz Rue,
Gets improved Mountain Dew;
Or at least stuff that won't poach our cream!

32510 HOOKERS - HOUSES - MAUDES

Some changes I'll make to the place;
Though Maude's mem'ry I will not disgrace.
The girls will be sleazy;
Their cunts will be greasy;
But they all will still sit on your face!

32511 HOOKERS - HOUSES - MAUDES

I want the back room to be right,
With cold beer and pussy so tight.
For it to be the best,
Please post your request;
The back room needs perverted insight!

32512 HOOKERS - HOUSES - MAUDES

Oh, Miz Rue, those boff stalls! Love of Mike!
Each new housekeeper looks; takes a hike!
Love, these floors ain't been mopped,
And those sheets ain't been swapped,
Since way back when us folks all liked Ike!

32513 HOOKERS - HOUSES - MAUDES

One working gal haunts my nightmares;
Cadaverous! Young dudes she scares;
Been a mover and groover,
Since the days of Herb Hoover;
There's silverfish in her short hairs!

32514 HOOKERS - HOUSES - MAUDES

Maude's Popskull sure made her look great;
But, next morn, can't recall what you ate;
But your teeth will fall out,
And the dentist, no doubt,
Will install a brand-new upper plate!

32515 HOOKERS - HOUSES - MAUDES

Miz Rue's staff can please any lad;
There's four-legged mates to be had;
For friends from New Zealand;
She's dates who will squeal and
Will moisten their wool really ba-a-a-d!

32516 HOOKERS - HOUSES - MAUDES

"The back room of Maude's needs a wizard
Who has a quick tongue like a lizard,
It must be quite long
And needs to be strong,
To keep my ass warm in a blizzard."

32517 HOOKERS - HOUSES - MAUDES

But she never did miss a lick,
As she pulled and she tugged on my dick.
It was hard for her snatch,
A mad cat couldn't scratch,
Now was time for me to lick her clit!

32518 HOOKERS - HOUSES - MAUDES

She screamed and dug into my back,
As my length penetrated her crack.
She just could not fit
The sheer size of it,
For the last inch she had not the knack!!

32519 HOOKERS - HOUSES - MAUDES

But she took most of it at her leisure,
'Cause she knew I would be one to please her,
And with no regret,
Our lips and balls met,
And she jerked not unlike a seizure.

32520 HOOKERS - HOUSES - MAUDES

That night was just such the craze,
Miss Schlock is now quite the knave,
Only with me,
Does she want to be,
She has become my best sex slave.

32521 HOOKERS - HOUSES - MAUDES

"The profits at Maude's are fantastic.
Our need for more whores is quite drastic;
Send wrinkled ones quickly,
And old ones real sickly:
Their cunts stretch just like hot elastic!"

32522 HOOKERS - HOUSES - MAUDES

I hear that old Maude is expanding,
With rooms at the second-floor landing;
At the top, every varlet
Is tripped by a harlot,
'Cause she hates to keep gentlemen standing.

32523 HOOKERS - HOUSES - MAUDES

Foxy Petrie Dish Sue's from Moline,
Where everything grows nice and green;
But this year, she came South;
Down to Maude's! Shut my mouth!
Now my dentures will never get clean!

32524 HOOKERS - HOUSES - MAUDES Allen Wolverton

I heard she arrived from Helsinki,
Wearing dresses exceedingly slinky;
By paying Maude's price,
She will treat you quite nice,
And show you a stunt that is kinky.

32525 HOOKERS - HOUSES - MAUDES   Allen Wolverton

When she straddles your face, you will grin,
And you'll see lots of hair, not much skin;
Though you know you'll get chancres,
Unknown to young wankers,
It's great when she greases your chin.

32526 HOOKERS - HOUSES - MAUDES   Allen Wolverton

Maude's gals have a club with cohesion,
That was formed by a pretty Parisian,
And named for the patches
One gets from their snatches;
That's right! The American Lesion!

32527 HOOKERS - HOUSES - MAUDES   Hugh Clary

I'm sending advance invitation
Announcing "Maudes Spring Celebration"
The first week in May
So you can prepay
For tickets and make preparation.

32528 HOOKERS - HOUSES - MAUDES   Travis Brasell

Exciting events are on tap:
All whores (who are free from the clap),
Will deep-lick their cunts
While doing their stunts,
For gratis on every guy's lap.

32529 HOOKERS - HOUSES - MAUDES   Travis Brasell

And surely you won't want to miss
The special we call "Sunday Bliss";
All men will be treated
With lewd acts repeated,
By who than "nun" other -- Sis Chris!

32530 HOOKERS - HOUSES - MAUDES   Travis Brasell

So guys, grease your poles and get ready;
The action will be hot and steady.
Throughout night and day,
The first week in May,
Our "Maude's Back Room" whores will pump steady.

32531 HOOKERS - HOUSES - MAUDES   Travis Brasell

Maude's new star is Petrie Dish Sue,
And her vessel is quite a rich brew.
You pour on the coal;
Guess for whom the belle tolls,
When her clapper is clanging for you.

32532 HOOKERS - HOUSES - MAUDES   Travis Brasell

Petrie Dish Sue is so willing
To ring your small chimes when you're filling
Her bells open space,
With your entire face;
Her clapper will give you a killing.

32533 HOOKERS - HOUSES - MAUDES   Travis Brasell

If love has been passing you by,
It's time to give Maude's whores a try;
You'll get satisfaction
And scream "This is action!
The best sluts that money can buy!"

32534 HOOKERS - HOUSES - MAUDES   Travis Brasell

Get ready for love all through June;
Our whores will make you shoot and swoon,
When you feel how loose
Their quims are from use,
And you lick the tang from their poon.

32535 HOOKERS - HOUSES - MAUDES Travis Brasell

So come on guys, June will be jumpin',
The whole month's intended for humpin'.
You're sure to find love
When you give a shove
Inside that whore's tunnel you're rumpin'!

32536 HOOKERS - HOUSES - MAUDES Travis Brasell

I guess we'll be lacking the men,
That month while they play in that den,
With Maude and her whores.
Hope that their pus-filled sores
Don't ooze and infect them again.

32537 HOOKERS - HOUSES - MAUDES Carol

They're no housekeepers, Missy Maude's whores;
Leave your shoes on when entering their doors;
Your footing gets sticky,
All crunchy and icky,
'Cause roaches are stuck on the floors.

32538 HOOKERS - HOUSES - MAUDES Allen Wolverton

The roaches, on floors, will be staying.
But not on our whores when you're playing.
Our whores, quite determined,
De-bugged and de-vermined
Themselves with that Raid, they've been spraying.

32539 HOOKERS - HOUSES - MAUDES Travis Brasell

Big old Mabel's delightful to hustle;
A surprise now's where once was a bustle!
When she grips your fat todger,
It's hard to dislodge her
Big tough pubococcygeus muscle!

32540 HOOKERS - HOUSES - MAUDES   Allen Wolverton

A sign in a whorehouse entreated:
"Pay twice if your act is repeated.
We are no fools,
So stick to the rules,
Making sure that all leaps are completed."

32541 HOOKERS - HOUSES - MONEY   Jane D. Hughes   P9205

Since there's been a her and a him,
From Saigon's piasters of Diem,
To shekels of gold
In Sodom of old,
There's always been commerce in quim.

32542 HOOKERS - HOUSES - MONEY   Larry J. Davis   P9205

Said clever West German Karl Munch,
"Don't think that I'm way out to lunch.
As a horny young fellow,
I'll just buy a bordello;
Like grapes, whores are cheaper per bunch."

32543 HOOKERS - HOUSES - MONEY   Armand E Singer   136

There was a young lady named Clive;
The house than she kept was a dive.
Though her business did grow,
She had prices so low,
She could even give change for a five.

32544 HOOKERS - HOUSES - MONEY   Albin Chaplin

"All gentlemen please get in line,
The whores here at Maude's are real fine;
We're having a sale
On selected tail:
Most whores will be $3.99!"

32545 HOOKERS - HOUSES - MONEY   Travis Brasell

"We have easy financing, too,
If cash flow's a problem for you.
We'll mortgage your house
And won't tell your spouse!
So come on and try something new.

32546 HOOKERS - HOUSES - MONEY   Travis Brasell

When Maude's here, guys should not chew;
And her snatch ain't exactly fondue;
For the old hermit, Dave,
Threw her out of his cave;
As he screamed "She is one rotten screw!"

32547 HOOKERS - HOUSES - MONEY   Travis Brasell

This Maude, dear sir, is just fickle.
She's cheap and will tickle your pickle;
While she may be rotten,
Have your, sir, forgotten
That last time you paid just a nickel.

32548 HOOKERS - HOUSES - MONEY   Travis Brasell

In my youth, five cents went a long way;
But old Maude said, "Dear boy, that's OK;
Just don't blow bubble gum
Lest it stick to my bum;
Spit it out 'fore you eat my souffle!"

32549 HOOKERS - HOUSES - MONEY   Allen Wolverton

A young Limey soldier named Fells,
When he took three-day-passes to Wells,
Put up at bordellos,
For as he told the fellows,

33143 INCEST - NIECES L0996

With Christmas Feast over, I stole
Away, as my custom, to stroll
And burn up a calorie
Or two with niece Valery,
Whose buttocks resembles a knoll.

33144 INCEST - NIECES Travis Brasell

We strolled past the mill where my grits
Are ground from white corn, and past pits
Where rattlesnakes coiled,
Until my blood boiled
With lust for young Valorie's tits.

33145 INCEST - NIECES Travis Brasell

When Valorie walks, her tits bounce
In quick metronomical counts
Of two beats per measure;
A rhythmical treasure
On which I am tempted to pounce.

33146 INCEST - NIECES Travis Brasell

But though the temptation is great,
I bridle my lust and just wait
Until we both top
The mountain and stop
To rest at the upper north gate.

33147 INCEST - NIECES Travis Brasell

We reached the north gate where we rested
A moment before I molested
My niece on this annual
Occasion with manual
Jug jerks (which she's never protested!).

33148 INCEST - NIECES Travis Brasell

I pulled, squeezed, grabbed, pummeled and mashed
Her tits with my hands while she thrashed
And begged my indulgence
To do to my bulgence
The same, which she did unabashed.

We strolled a bit further till lust
Again got the better
Of me, and the sweater
Off Valorie's bountiful bust.

And muddy (It used to be gravelled),
Where [ouch!] some sharp stickers
Snagged Valorie's knickers
And managed to get 'em unravelled.

33152 INCEST - NIECES Travis Brasell

Cried Valorie, "Damn, oh, what luck!
I'm standing here nude in the muck!
Since I've got no sweater
Or breeches, I'd better,
Dear Uncle, lie down for a fuck!"

33153 INCEST - NIECES Travis Brasell

Said I, "No, I'd never disgrace
You; screwing would be out of place
For me with my kin."
She quipped, with a grin,
"At least put your cock in my face!"

33154 INCEST - NIECES Travis Brasell

"Oh, hon, that's the least I could do!"
Said I, "And I'll shoot quarts of goo
All over your tongue,
And, since you're still young,
All over your chin and hair, too!"

33155 INCEST - NIECES Travis Brasell

Well, after a fine bout of oral
Sex, Valorie asked for a floral
Arrangement and candy,
And I thought, "Just dandy!
My niece will soon charge -- like a whore'll!"

33156 INCEST - NIECES Travis Brasell

Each year our stroll ends to our sorrow,
And Valorie always must borrow
My hanky to wipe
Her tears; then she'll pipe,
"I wish Christmas Day was tomorrow!"

Clear up his own sister,
To help flush out viable sperm.

33293 INCEST - SIBLINGS Armand E Singer 866

A nasty physician named Lister
Decided to hump his own sister;
He smiled, "The poor dear,
I'll invade from her rear --
She'll think it is merely a clyster." (enema)

33294 INCEST - SIBLINGS Armand E Singer 542

A boy on his sister did spy,
With a lustful gleam in his eye.
She glanced in the mirror
Said, "Why not come nearer,
Don't just spy, why not give it a try?"

33295 INCEST - SIBLINGS STRAYDOG

Though excited, her brother protested,
"If we're caught, we can both be arrested!"
But she yanked down his shorts,
Say judicial reports,
And exclaimed, "I insist!" and incested.

33296 INCEST - SIBLINGS

A young lad with passions quite gingery,
Tore a hole in his sister's best lingerie.
He pinched her behind,
And made up his mind,
To add incest to insult and injury.

33297 INCEST - SIBLINGS L0300

Said Jill to her brother young Jack,
"Just this morning I saw you lie back
On my bed with your hand
Round your stiffening gland;
Telling mom, 'less you fill up my crack."

33298 INCEST - SIBLINGS

Jack ran for his spackle and paint
(A giant-sized brain the guy ain't)
Looked for the chipped walls
In bedrooms and halls,
That he could fill up and repaint.

33299 INCEST - SIBLINGS

Jill waited for him like the saints.
Held her temper without complaints.
Grabs him by the balls
And then Jack she hauls
To bed and puts him in restraints.

33300 INCEST - SIBLINGS

Poor Jack, what did he do but faint.
Jill her hands and eyes then acquaint
With Jack's quite odd smalls
Made to fit three balls;
She fingers 'em and says "How quaint!"

33301 INCEST - SIBLINGS

In her neat little "chocolate box" cottage,
Old Daisy lived, round as a sausage.
But her whole life went wrong,
When two kids came along,
Who looked as if they'd been to college.

33302 INCEST - SIBLINGS

Through the window she saw their Land Rover,
"We've come all the way up from Dover.
I'm Hansel, she's Gretel,
Go put on the kettle,
We're witnesses of Great Jehovah."

33303 INCEST - SIBLINGS

"If you're wondering about our strange names,
It's not that our dad was insane,
But the dyslexic vicar
Got a twist in his knicker
And he couldn't spell Harry or Jane."

33304 INCEST - SIBLINGS

So now as the story proceeds,
I can change appellations if needs.
As through this I lurch,
And frantically search,
For rhymes for their dastardly deed.

33305 INCEST - SIBLINGS

It seems that I'm wandering off topic.
I'm sorry I'll... Ermintrude, stop it!
I can't do it again,
For five minutes or ten,
So get your hand out of my pocket.

33306 INCEST - SIBLINGS

She's been watching the bull with the cows,
And as usual she gets so aroused,
Then she comes in to me,
(this is time number three,)
A-tearing off knickers and blouse.

33307 INCEST - SIBLINGS

This thing's getting now so disjointed;
It's time that my lips were anointed,
With that magic juice
That apples produce
When fermented. [get back to the point - ed.]

33308 INCEST - SIBLINGS

You may think that all of this ramble,
Should come as a sort of preamble.
But cutting and pasting
Are very time wasting;
You'll have to put up with this shambles.

33309 INCEST - SIBLINGS

So, back to the plot...
They preached of hell-fire and damnation,
Of the menace of money's accretion,
That the meek shall inherit,
That wealth had no merit,
And demanded her bank information.

33310 INCEST - SIBLINGS

But they said "You can still lift this curse.
Give us all of the cash in your purse."
She said "I agree,
But drink up your tea,
I'm sure you have time for that first."

33311 INCEST - SIBLINGS

She added "Now drink up my dears,
A cup of hot tea always cheers.
And while you two sup,
I'll quickly round up
All the diamonds I got from deBeers."

33312 INCEST - SIBLINGS

Now, this being for A.J.L., (alt.jokes.limericks)
I can hear you all starting to yell:
"Hey Ogg, what you doin',
Where the hell is the screwin'?"
My children, just wait, time will tell.

33313 INCEST - SIBLINGS

Old Daisy had powers thaumaturgical,
Far exceeding those fraudsters' liturgical.
And the herbs in the tea
As you shortly will see,
Awakened in them a strange urgical.

33314 INCEST - SIBLINGS

For that brew had a herb aphrodisiac,
So Hans threw his sister down on her back,
And pulled out his dong,
(Like this story, too long,)
And proved that of jism, he'd no lack.

33315 INCEST - SIBLINGS

When they climaxed their cries shook the rafters;
They collapsed there amid joyous laughter.
And it sure seems to me,
That we're going to see,
The conventional "Happy Ever After."

33316 INCEST - SIBLINGS

For proof go to South Carolina,
Daisy's theatre's near great Malo's diner.
And nightly, with flair,
That incestuous pair
Give a show, and you'll never see finer.

Erm's come back again from the cattle.

"Our mom does it better,"
"Exactly what paw claims," she said.

The man was accused of a crime;
A big one, no nickel and dime.
As the trial began,
The judge said to the man,

34195 JUSTICE - JUDGES Kirk Miller

The judge was very deep;
My lawyer was a creep.
No one was scoring
And it was so boring,
That the jury just fell asleep.

34196 JUSTICE - JUDGES Jim Weaver Collection

A puzzled old judge in Swift Current
Couldn't figure a proper deterrent;

And roosters that crow with reliance?
Both are noisy, both loud,
Both strut, both are proud,

There once was a case set for trial.
Again and again for awhile.
Though ready to go,
The system was slow.
Five delays from the court it compiled.

34279 JUSTICE - LAWYERS Anon

The first time the case was not reached,
I stood up and I made a speech
Said it only was June,
And still far too soon,
To give up and go to the beach.

34280 JUSTICE - LAWYERS Anon

We hoped to be tried in July,
Which did not seem pie in the sky.
But the case had no sex,
Nor is it complex,
So the judge just kept passing it by.

34281 JUSTICE - LAWYERS Anon

Came October and then came November.
Once time we came close,

So I've written to you on my own.
I'm pleading in verse
Since I can do no worse

34285 JUSTICE - LAWYERS Anon

Thank you for scheduling the trial,
Which had sat and languished awhile.
With the trial date in ink,
The other side blinked,
And moved their offer a mile.

34286 JUSTICE - LAWYERS Anon

On the back burners, the case it did sit;
The parties would not move a bit.
Till their feet touched the kettle,

My client is now all aglow;
In the future he'll have far more dough.
I'm always amazed

An offer which once was so low.

There once was a sweet girl named Suzie,
That damn Charlie claimed was a floozy.
When she turned him down,
He spread it aroun';
The lawsuit she filed was a doozy!

34311 JUSTICE - LAWYERS

When defending high-stakes litigation,
You're facing a juicy temptation
To turn all the papers
To ashes and vapors;
To lawyers, it's call spoliation.

34312 JUSTICE - LAWYERS Dr Limerick 12-07-01

Don't do it! The court will assume
You're claiming that you can't exhume
The papers requested,
Because you have guessed that
Their content your case could entomb.

34313 JUSTICE - LAWYERS Dr Limerick 12-07-01

The trial continues as if
The papers support the plaintiff;
Your chances just fell
To a snowball in hell --
It's much wiser, it out to stiff.

Obfuscation is what they pursue
With sesquipedalian
Balderdash daily in
Big words where a little would do.

Texas lawyer gets urgent phone:
Emergency out-of-state roam;
He has not time to pack,
But he'll be right back,
So to tell his wife, he calls home.

34321 JUSTICE - LAWYERS Daniel Ford

The maid answers, but hesitates;
Lawyer strongly interrogates;
Seems wife is upstairs
With mailman's affairs,
Which barrister infuriates.

34322 JUSTICE - LAWYERS Daniel Ford

Lawyer would rush home right away,
But emergency makes him stay;
Tell maid to get gun;
Kill both in bed fun;
But the maid protests -- I should say!

34323 JUSTICE - LAWYERS Daniel Ford

The silver-tongued lawyer explains,
Under Texas law it remains
Quite legal to kill
Adulterers still,
So should wife and lover have pains.

34324 JUSTICE - LAWYERS Daniel Ford

The maid, finally convinced to do it,
Puts down the phone, though she rue it;
Two shots, screams and splashes
Sound through the phone flashes,
So listener he truly knew it.

34325 JUSTICE - LAWYERS Daniel Ford

"Did you kill them?" quite hushed said he.
"Yes, I did," in reply said she.
"Were bodies disposed?"
"Yes in pool now reposed;
Those splashes you heard already."

34326 JUSTICE - LAWYERS Daniel Ford

The lawyer then paused palpably,
And asked her somewhat sheepishly,
"Did you say 'the pool'?"
"Yes, threw in the pool!"
"Is this 555-8443?!"

34327 JUSTICE - LAWYERS Daniel Ford

Which his love undeniably has,
You'd imagine that even

Would not start his love-song: Whereas...."

34328 JUSTICE - LAWYERS Mad Zeno

There's been a few lawyers I've known;
Their antics have caused me to moan.
I now make the motion:
Put them all in the ocean;
See if sharks will eat one of their own.

34331 JUSTICE - LAWYERS - CELEBS

How sad; Mr Clinton disbarred;
I'm sure now his life must be hard.
Must he go back to Hope
And peddling dope,
And living un-Cuban cigarred?

34332 JUSTICE - LAWYERS - CELEBS Dr Limerick

That Bill was disbarred was routine,
His fate was shared by seventeen.
Once disbarred at home,
Your fate is up sewn;
You can't be a lawyer supreme.

34333 JUSTICE - LAWYERS - CELEBS Dr Limerick

But you have to congratulate Rehnquist
For his deftness in doing the knife twist.
It should have been simple
And cause not a ripple,
But he made sure that everyone witnessed.

34334 JUSTICE - LAWYERS - CELEBS Dr Limerick

Besides, who would hire Bill Clinton,
With the lineup that's currently sittin'?
He's guaranteed five
Who would surely contrive
A "Nay", legalistically written.

What's a poor HAWKSHAW to do,
When he's up the creek, without clue?
Why, seek DNA,

Exuding compassion.
"If de plunger fit, you CAN'T acquit!"

So you'll recognize Box 69.

34426 LETTERS

Said the Postmaster General, "I'm tickled
That the mail has slowed down to a trickle.
If junk mail, I dare say,
Had to pay it's own way,
This letter would cost just a nickel.

34427 LETTERS Arthur Deex P9103

I have written one previous letter;
I should have written it better.
For it seems you ignored it;
Perchance you abhorred it,
Or it's possible you didn't get her.

34428 LETTERS Jim Weaver Collection

At GREETING CARDS, I searched a bit,
A constipated friend to twit.
And when I cried, "Absurd!
There are no rhymes for TURD,"
A clerk tole me to "Sh-sh" it.

34429 LETTERS Irving Superior P8612

There was a young person online,
Who said, "Posting letters is fine.
But it's quicker to load 'em
Right into a modem,
And so I just e-mail mine."

34430 LETTERS Richard Long

A package arrived in brown wrapper
Disguised as a letter -- quite dapper!
But though it was plain
Wrapped inside was a pain-
ful array of off-color thigh slappers!

34431 LETTERS Wally Sampson P8704

To you, my sister and brother;
Although we do not know each other,
We are all Pentatetters,
So send cards and letters
Sometime in May to Art, our mother.

34432 LETTERS Irving Superior P9103

Dear Doctor, Please look at young Millie.
I hope she's not done nothing silly.
She's been staying out late,
And she's putting on weight.
Your faithfully, Mrs. O'Killey.

34433 LETTERS Harold C Bibby

I proposed to my love in a letter,
A method which clearly upset her.
She declared that a male
Who resorted to mail
Would not be her childrens' begetter.
(I think return postage upset her.)
34434 LETTERS Laurence Perrine P8405

The e-mails I sent, I suppose,
Are perfectly well-polished prose.
My spell-checker writes
My flees and my mights
And blesses my butts and my those.

34435 LETTERS Nick

"Dear Mom, I just love my new classes
In 'Sex Education for Lasses;'
Professor Horatio
Has taught me fellatio
And how to wipe spunk from my glasses.

34436 LETTERS

Dear Pater, (and Mater, and Kid).
Please could you send me ten quid?
My tuckshop account
Requires that amount
To clear it. Yours hopefully, Sid.

34437 LETTERS Harold C Bibby

A certain young lady named Breaulieu
Sent a letter to Anthony Newly.
'Twas a very short note,
For all that she wrote
Was, "Dear Sir, I remain yours, most truly."

34438 LETTERS Gerald Bosacker (?)

Dear Vicar, So glad you can speak
('Young Wives' on next Saturday week).
Our film show tomorrow
Is 'Games in Gomorrah'.
Good wishes from Marian Meek.

34439 LETTERS Harold C Bibby

Greetings also to those who wear bras,
Whom we'll gladly convert to Mamas.
Well, you know how we feel
And we love how you squeal.
You ask why? Well, because...Just because!

34440 LETTERS Neal Wilgus P8612

If you love her then send her a letter;
There's nothing a woman likes better.
For romance, though a quill pen
Is surely no ill pen,
You may like a word processor better.

34441 LETTERS Laurence Perrine P8405

Please give me your help, Dear Abby,
My wife had a child by a cabbie;
I think I've been had,
'Cause he calls me "Dad",
"Help me, Help me". Signed Gabby.

34442 LETTERS - DEAR ABBY Ed Wolfert P8403

Dear Gabby, go after that cabbie;
Don't worry about making him crabby.
He'll have to come through
With free rides for you.
Lots of luck to you. Signed Abby.

34443 LETTERS - DEAR ABBY Ed Wolfert P8403

"Dear Abby, just what should I do?
My Edith tells me that we're through.
Last night on the make,
I stopped to eat cake...
How can I have cake, Edith too?"

34444 LETTERS - DEAR ABBY John Miller 0151

"Dear reader, whatever you do,
Forego cake while attempting to screw.
And let me repeat
That if you must eat,
Let your eating give pleasure to two!"

34445 LETTERS - DEAR ABBY John Miller 0151a

An old lighthouse keeper called Gabby,
Used to write lots of mail to Dear Abbey.
He moaned and lamented;
If not true, he invented.
He was old, he was short, he was flabby.

34446 LETTERS - DEAR ABBY Arthur Pattaffy

Keeping all the replies he received,
He said that they must be believed.
During long lonely nights,
During faults with the lights,
He saw right where Dear Abbey conceived!

34447 LETTERS - DEAR ABBY Arthur Pattaffy

Dear Abby, my problem is I
Have a boyfriend -- a wonderful guy.
What gift should I seek
For his birthday next week?"
"Never mind what he'd like...Give a tie!"

34448 LETTERS - DEAR ABBY Arthur Deex P8402

If I kiss with my lips wide apart
When dating my teen-age sweetheart,
Will I get a baby?"
Dear Abby said, "Maybe,
But at least you'll have made a good start."

34449 LETTERS - DEAR ABBY Limericks HistoricalP8401

Dear Abby, Am I normal? Dear Jack
I don't know if you are, for alack,
The rest of your words
Are covered in curds.
I suspect you are having a whack.

34450 LETTERS - DEAR ABBY Peter Wilkins

Dr. Lora said, "Slutty, coarse tramp!
You spineless and cheap little vamp!
You screw him for free?
No marriage, no fee?
Get a ring! Or they'll always decamp!"

34451 LETTERS - DEAR ABBY

Dear Abby, wrote Scarlett O'Hara,
My husband is not Yogi Berra,
But I've had seven kids,
And I'm on the skids
'Cause he won't take his Depo-Provera.

34452 LETTERS - DEAR ABBY Ed Wolfert P8403

"I hope you advise me, Dear Abby,
My boyfriend is saying I'm flabby."
So Abby replied
That growing too wide
Was better than bitchy or crabby.

34453 LETTERS - DEAR ABBY Philo Logue P8403

"Dear Abby, from 'Bombed in Toledo',
Regarding hubby's swollen libido:
I took your advice --
Packed his pecker in ice --
But it still didn't dam the torpedo."

34454 LETTERS - DEAR ABBY Kathleen A. Martin P8403

"Dear Abby, my husband philanders.
He's pursuing Your sister and squanders
His wealth on her, too.
Say, what should I do?"
"Divorce the yahoo [signed] Ann Landers."

34455 LETTERS - DEAR ABBY Laurence Perrine P8403

"Dear Abby," a lover once wrote,
"My sweatheart is getting remote,
So what should I do?"
Dear Abby said, "______"
(A blank that I'd rather not quote.)

34456 LETTERS - DEAR ABBY Philo Logue P8403

Dear Abby, I give my girl oodles
Of sex but she still prefers poodles.
Dear Jimmy, don't fret.
(That's so funny I've wet.)
Why don't you chop off their noodles?

34457 LETTERS - DEAR ABBY Peter Wilkins

Dear Abby advised every Miss
On the blessings of virginal bliss --
Do not fondle man's meat,
Keep his hands off your teat,
Cross your legs when he gives you a kiss.

34458 LETTERS - DEAR ABBY Albin Chaplin 3024-2996

Dear Abby, I'm fat and bereft.
I'm so fat that my husband has left.
Dear Kate, he has grounds;
You weight 650 pounds?
Perhaps he got lost up your cleft?

34459 LETTERS - DEAR ABBY Peter Wilkins

Advice to Bombeck and Van Buren:
Dear Erma, Dear Abby,
You're getting too flabby!
Oh Abby, Oh Erma,
Use girdles, stay firma!

34460 LETTERS - DEAR ABBY   Armand E Singer   231A

DEAR ABBY: My lovelife's a joke.
I'm addicted to speed, dust, and coke..."
But our Abby's turned callous
To addictions ('cept phallus).
"So what? My vibrator's broke!"

34461 LETTERS - DEAR ABBY   Kim Goldsworthy   P8403

Dear Abby, I want babies with Chuck.
We've tried 25 years with no luck.
Dear Melissa, I'm guessin'
You both need a lesson;
Which orifice, dear, does he fuck?

34462 LETTERS - DEAR ABBY   Peter Wilkins

"Our problem is mutual orgasm --
I come before he has his spasm.
What shall I do?"
Dear Abby said, "You
Ought to take a large tuck in your chasm."

34463 LETTERS - DEAR ABBY   Lims Hist and Hyst P9901

"Our problem is mutual orgasm --
I come before she has her spasm.
What do you recommend?"
Said Ann Landers, "My friend,
You should play with her tits, if she has 'em."

34464 LETTERS - DEAR ABBY   Lims Hist and Hyst P9901

I need your assistance, Dear Abby.
My wife eloped with a Swabbie.
They took off for Reno.
Playing Beano and Keno,
What's cooking here? Quein Sabe?

34465 LETTERS - DEAR ABBY Ed Wolfert P8403

At limericks he has Mensa backing
But at sex a gal found Jim quite lacking.
When she said, "No more bed,"
It messed up his head
And he gave her a sound verbal smacking.

34466 LETTERS - DEAR JOHN Jim's Ex Girlfriend P8210

It's important for Jim to save face,
So he's used words and lines really base.
Just attack his old penis,
He'll become one of the meanest
S.O.B.'s in the whole human race.

34467 LETTERS - DEAR JOHN Jim's Ex Girlfriend P8210

Jim's intellect is a rare treat;
His thoughts oft times can't be beat,
But when she needs a good fuck,
A girl's shit-out-of-luck
And it's best that she stay on her feet.

34468 LETTERS - DEAR JOHN Jim's Ex Girlfriend P8210

Your sad limericks are just dirty pool.
Really, Jim, you're not even cool;
You've displayed lousy verse
And you're insulting - that's worse.
So cancel our friendship, you fool!

34469 LETTERS - DEAR JOHN Jim's Ex Girlfriend P8210

What happens just after 'Dear John'?
Dear John then becomes a mere john.
If whores he can't stand,
He'll then use his hand,
In either the bedroom or john.

34470 LETTERS - DEAR JOHN Irving Superior P9505

"Dear Tom and dear Dick and dear Harry,"
Wrote Virgin Val, "You I won't marry.
Nor will I with John
Wear bridal chiffon;
I'm blowing Big Millionaire Barry!"

34471 LETTERS - DEAR JOHN Mark Levy P9505

Dear Sweetie, I want you to know,
I loved you like mad weeks ago.
I've met girls with new boobs,
Who've tied up their tubes.
So long, CON AMORE, from Joe.

34472 LETTERS - DEAR JOHN Elois

A girl who pursued men with verve
At the thought of "I do" lost her nerve.
So to tell them "We're through."

Dear: John, Bob, Al, Joe, Bill, and Irv.

34473 LETTERS - DEAR JOHN Evelyn Bogen P9505

Sweet Sue penned a short 'Dear John'
To her soldier at war long gone.
Said for old times sake,
With John's dear friend Jake,
She was going to carry on.

34474 LETTERS - DEAR JOHN Dorman John Grace P9505

"I'm sorry but..." blah blah "...the end"
"I hope..." blah blah blah "... comprehend."
Blah blah blah "...too far"
Blah blah blah blah blah
"Remember, I'll still be your friend."

34475 LETTERS - DEAR JOHN Irving Superior P9505

A French maid, who was quite put upon
By her beau, a Frog name of Jean,
Of a mind quite dismissive,
She did sent him a missive,
Belles lettres, a Dear John of Dijon.

34476 LETTERS - DEAR JOHN Thomas G. Keller P9505

A firebug by the name of Larsen
Was convicted of female arson.
He dropped a match
In his fiancee's snatch;
She sent him a Dear Johnny Carson

34477 LETTERS - DEAR JOHN Tom Patton P9505

If the letters "Dear John" should occur,
Do not think too harshly of her.
Although love is gone,
Instead of "Dear John"
The bitch could have written, "Dear Sir:"

34478 LETTERS - DEAR JOHN Irving Superior P9505

A buck with two does and a fawn,
Relieved themselves on the back lawn.
Which can give one a pause,
For reflection, because,
They're making the yard a 'deer john'.

34479 LETTERS - DEAR JOHN Bob Giandomenico P9505

A john costs a lot nowadays;
The style or the comfort conveys
That you give a shit
And freely admit
That a dear john's deserving of praise.

34480 LETTERS - DEAR JOHN Al Willis P9505

The mail brought another Dear John;
I think is was sent by Yvonne.
Or maybe dear Fay
Was the sender today--
No wonder they call me Don Juan.

34481 LETTERS - DEAR JOHN Norm Storer P9507

"Dear John," her sad letter began,
"Please understand this if you can.
My new boyfriend, Rex,
Gives emoticon sex;
So do Steve, Alexander, and Dan."

34482 LETTERS - DEAR JOHN Jim Weaver Collection

Dear John, eight years together," wrote Vi,
"Were lovely. But last night in a bar I
Met a fellow named Cliff
Whose cock's almost a fifth
Of an inch longer that yours is. Goodbye."

34483 LETTERS - DEAR JOHN Michael Weinstein P9505

Brad's hardware is simply revolting;
The screws he delivers are jolting.
He's nuts! He's obsessed!
So a card, I've addressed,
To nail him by writing, "I'm bolting!"

34484 LETTERS - DEAR JOHN Mark Levy P9505

A dealer in tractors named Fetter,
Was spurned by his wife for one better.
The insensitive slut,
To pour salt in this cut,
Then wrote him a curt "John Deere" letter.

34485 LETTERS - DEAR JOHN Bob Giandomenico

Since Slow John was a little naive,
His poor mother, though knowing he'd grieve,
Said, "I'll not sugar-coat
This missive Jane wrote;
As for you, dear John, just let her leave."

34486 LETTERS - DEAR JOHN Mark Levy P9505

"Dear John" was the letter I got,
And my reputation is shot.
She measured my dong,
And she sang me this song:
"Little Things Still Mean A Lot."

34487 LETTERS - DEAR JOHN Al Willis P9506

'Dear John' means of love you're bereft;
For somebody else she has left.
Since life now will suck,
You "fuck fuck fuck fuck",
One each for that lousy 4F.

34488 LETTERS - DEAR JOHN Irving Superior P9505

Of Alden was Standish too fond.
Their friendship went (you know) beyond.
And then came Priscilla,
An Alden pants filla,
So nobly, Miles Standish, "Dear John-ed."

34489 LETTERS - DEAR JOHN Irving Superior P9505

Dear John means that she has good-byed.
If doubtful, more proofs are supplied.
No "...love you" refrains;
No "...miss you" tear stains;
No condom coupons are inside.

34490 LETTERS - DEAR JOHN Irving Superior P9505

The romance they once shared was gone,
So she wrote him a letter: "Dear John,
Enclosed is your key.
Please return to me
My pillow, with tear-stains upon!"

34491 LETTERS - DEAR JOHN Observer

"That pillow ain't yours," he replied.
"Those stains ain't from tears that you cried.
I'll swear to Judge Judy,
'Twas all about booty.
And furthermore, my name is Clyde!"

34492 LETTERS - DEAR JOHN Observer

"Bathroom fixtures are costly", said Ron,
"And my budget is now nearly gone."
So he sat down and wrote,
Sears and Roebuck a note,
Complaining about his dear john.

34493 LETTERS - DEAR JOHN Bob Giandomenico P9505

Suzanne, in pursuit of a mate,
Was never at loss for a date;
But, approaching the altar,
She always did falter,
And she sent Dear John Letters bulk rate.

34494 LETTERS - DEAR JOHN Evelyn Bogen P9504

John Alden, pro Standish, raved on,
"He's handsome, successful, well-born.
The truth was divulged
When Alden's pants bulged,
So "Speak for yourself," she "Dear John-ed."

34495 LETTERS - DEAR JOHN Irving Superior P9505

Donald Trump with Ivana now gone,
Has Marla to help carry on,
But Ivana won't quit,
Writing notes in a snit;
Their purpose, of course, to jeer Don.

34496 LETTERS - DEAR JOHN Bob Giandomenico P9505

Town Clerk to F. & G.P.: [?]
Since spending has been far too free,
It's clear that we're fated
To be higher rated,
So save on all servants but me.

34497 LETTERS - MEMOS Harold C Bibby

Sir - How strange that so many head teachers
Make statements whose dominant features
Imply that they must
Have the deepest mistrust
Of all but head-teacherly features.
(The Teacher, 27 June 1969 three verses snuck in)
34498 LETTERS - MEMOS Harold C Bibby

Engaged as I am in a college
Of education, I don't claim the knowledge
To tell every head
How to make his own bed
And this I most fully acknowledge.

34499 LETTERS - MEMOS Harold C Bibby

But how should I welcome some sign
That those who so strongly opine
On a job they've not tried
Could so modestly hide
Their omniscience quasi-divine.

34500 LETTERS - MEMOS Harold C Bibby

Dear Prof., In reply to your note,
We find you are far too remote.
To cut out conjecture,
We're cutting your lectures.
The Class (by unanimous vote).

34501 LETTERS - MEMOS Harold C Bibby

All flights that are leaving today
May well be hi-jacked on the way --
But don't lose your nerve,
For we shall still serve
A pleasant cold meal on a tray.

34502 LETTERS - MEMOS Harold C Bibby

From the Clerk of the Joint River Board.
Employees should note that the Lord
Of the Manor of Mews
Has not paid his dues.
His flooding should thus be ignored.

34503 LETTERS - MEMOS Harold C Bibby

That this House asks for a freeze
On prices and wages and fees,
And points out the need
For an action with speed,
To double the pay of M.P.'s.

34504 LETTERS - MEMOS Harold C Bibby

Dear Commodore, Will you say when
I may take firmer steps with the men?
The whole lower deck
Looks like an old wreck.
I. Whippem, Lieutenant, R.N.

34505 LETTERS - MEMOS Harold C Bibby

Dear Officers, be resolute;
Act not as the brute nor galoot.
In the face of true beauty
Remember this duty --
Your privates must rise and salute.

34506 LETTERS - MEMOS Brian Belge

In the shed at the end of the mews,
There's a bucket of old bolts and screws,
And right at the back
You will see a large stack
Of old junk that perhaps you can use.

34507 LETTERS - MEMOS Harold C Bibby

By bare and disputed majority
We must now give united priority
To support of each faction
That takes direct action
Against all established authority.

34508 LETTERS - MEMOS Harold C Bibby

The train that was due to depart
At 8:10 is not likely to start.
We're working to rule:
You'd best get a mule
Or a bike or a horse and a cart.

34509 LETTERS - MEMOS Harold C Bibby

If, when you have travelled by jet
And been by our courier met,
The sands are black silt,
The hotel's not yet built;
We trust you will not be upset.

34510 LETTERS - MEMOS Harold C Bibby

Admin. Memorandum to Staff.
I regret an unfortunate gaffe
By which every tutor
Received from computer
An incomprehensible graph.

34511 LETTERS - MEMOS Harold C Bibby

Please note the new list of prices.
All sandwiches, rolls and cream slices
Are up 10%,
And we cannot prevent
An increase in prices of ices.

34512 LETTERS - MEMOS Harold C Bibby

In future, by Senate decree,
I shall greet Student Reps. on one knee.
This is not lack of guts
(Which the Senate rebuts)
But a sign of our wish to agree.

34513 LETTERS - MEMOS Harold C Bibby

When cars are left here for repair,
Our charges are modest and fair.
And owners may rest
Quite content that we test
All work that is done with great care.

34514 LETTERS - MEMOS Harold C Bibby

Miss Manners has made this deduction
And offers it for girls' instruction:
All women well-bred
Will give men great head,
If every blowjob includes suction.

34515 LETTERS - MISS MANNERS Travis Brasell

I am not Miss Manners, I'm meaner!
She is not like me, she is keener.
If men want some suck,
They're quite out of luck.
I pass them the vacuum cleaner!

34516 LETTERS - MISS MANNERS Michelle

Miss Manners says ladies should hum,
While sucking to make their man come.
She says that the reason
Is that it's so pleasin',
Unless, of course, the gentleman's numb.

34517 LETTERS - MISS MANNERS Jeanie

Miss Manners says teach by example,
So because you are so ample,
I will volunteer
For your hum, my dear;
Get started and give me a sample.

34518 LETTERS - MISS MANNERS Travis

As you suck my dick's massive crown,
I hope with my load you won't drown.
This one you can follow
As my semen you swallow,
Hum "Yo Ho! Just blow the man down."

34519 LETTERS - MISS MANNERS Travis Brasell

Miss Manners says men would be lacking
Politeness, if when they are snacking
On women's bare tits
And hair-covered clits,
To slobber and make sounds of smacking.

34520 LETTERS - MISS MANNERS Travis Brasell

Well, Miss Manners is just for the birds!
I like hearing flattering words
And smacking's just fine
If on me you dine.
I'd offer you seconds...or thirds!

34521 LETTERS - MISS MANNERS

Miss Manners, I'd say, is a twit;
'Cause we're Speaking In Tongues, just a bit;
Good gals like that a lot;
Need to know that they've got
Such heavenly boobs, buns and clit!

34522 LETTERS - MISS MANNERS Allen Wolverton

Miss Manners I think that you're wrong,
To complain about slathering, strong.
Now the root of your fears,
Is it's simply been years,
Since you've had in your mouth, someone's dong.

34523 LETTERS - MISS MANNERS Chimera

Miss Manners says, those in glass houses,
When the ire of the neighbors it rouses,
For the sake of propriety,
To avoid notoriety,
Should be careful when changing their trouses.

34524 LETTERS - MISS MANNERS Hugh Clary

Speaking as one who disrobes
By the window for fun (no bathrobes),
I find it a gas
To wiggle my ass,
As the neighbors admire my fine globes.

34525 LETTERS - MISS MANNERS Jeanie

Miss Manners says gents should refrain
From leaving their ladies in rain;
If ladies get wet,
On this you can bet,
Their pussies will rust and cause pain.

34526 LETTERS - MISS MANNERS Travis Brasell

Miss Manners once said in this place,
"A gal who wears panties with lace
Wants all guys to treat her
With boffing, then eat her,
Plus squirt some love juice on her face.

34527 LETTERS - MISS MANNERS Travis Brasell

First, open a sliding glass door,
When running away from a whore,
Or else you will sever
Your dick, then whenever
You piss, it won't aim like before.

34528 LETTERS - MISS MANNERS Travis Brasell

Miss Manners says ladies should brace
And gobble the goo with some grace;
If you swallow the slurry,
You won't have to worry
About getting a hit on your face.

34529 LETTERS - MISS MANNERS Hugh Clary

Women should have more finesse
When swallowing -- 'twould be less mess.
As Monica knows,
The evidence shows
That hastily gobbling stains dress.

34530 LETTERS - MISS MANNERS Travis Brasell

To the limerick I give this toast:
May you always find victoms to roast,
May your scansion be true,
And your topics be blue,
And your audience always en-grossed.

34531 LIMS - FACTORS Norm Storer

There once was a man named Bruce,
And I'd like to hear his excuse,
For his horrible crimes
Of both lacking in rhymes,
And of limerick meter abuse.

34532 LIMS - FACTORS Par Svensson

Those refusing a limerick to scrawl,
Certainly sit behind the eight ball;
A site suspicious
And not propitious
For the future of language, at all.

34533 LIMS - FACTORS Daniel Ford

With adjusting my organ support,
I divined how to make limericks short.
My solution so solemn,
Is to write in one column.
Tell me what do you think of it, sport?
(submitted in five vertical lines)
34534 LIMS - FACTORS Albin Chaplin P9104

"'Tis a contest," Sir Arthur decreed...
A challenge I readily heed.
But Lord cut me some slack,
If in humor these lack,
Or if metre or rhyming they need.

34535 LIMS - FACTORS Bob Birch P0900

A difficult form we admit
And written with dactyls with wit.
To find a key word
That's not too absurd,
On a line, itself sounding legit.

34536 LIMS - FACTORS

A good limerick's got to rhyme,
Be off-color without too much slime,
The rhythm should breeze
Right along through the sleaze
And should get to the punch-line in time.

34537 LIMS - FACTORS Robin K. Willoughby P8505

Practice is always telling;
It can keep your limericks from smelling.
So now that you've learned
How a limerick is turned,
Perhaps you could practice your spelling.

34538 LIMS - FACTORS MrMalo

Most non-limerick stuff I view bleakly;
Most newbies write limericks quite meekly.
'Twixt sex and bad rhymes
(Both together, sometimes)
At least we do try it: Tri-weekly!
(old joke tri-weekly,try-weekly,try-weakly)
34539 LIMS - FACTORS

When a five-liner happily hums
With those neat triple-time ta-da-dums,
(Though it's anyone's guess
Why two lines have one less),
It appeals to us limericking bums.

34540 LIMS - FACTORS Mary Sullivan

The time spent with limericks is fun
In the land where word magic is spun.
Read 'em or write 'em,
Critique 'em or cite 'em.
What we do's always wittily done.

34541 LIMS - FACTORS Esther Koch

Your rhymes fail to glitter with glamour;
Their beat makes me stutter and stammer.
You never endeavor
To be funny or clever,
And you really should work on your grammar.

34542 LIMS - FACTORS Jerry Nordal

The limerick's never averse
To expressing itself in a terse
Economical style,
And yet, all the while,
The limerick's always a verse.

34543 LIMS - FACTORS - DEFINED Laurence Perrine P8505

Your iambs and dactyls expressed
The genius of Keats and the rest.
But for quivering quims,
And lascivious whims,
The anapest's clearly the best.

34544 LIMS - FACTORS - DEFINED TuttaGioia

The limerick, now cybernetic,
Has come to be peripatetic,
In hex or in plain...
(Error message again!
This renders me quite apoplectic!)

34545 LIMS - FACTORS - DEFINED Wilbur Skeels P9804

In the North and the South and the West,
And the East, if you look for a jest
In a poem that is slick,
I say the limerick,
Is the poetic form that serves best.

34546 LIMS - FACTORS - DEFINED Tom Matkin

The limerick should always be terse,
It hasn't the time to coerce,
But then the last line
Should reveal your design
To make the best use of one verse.

34547 LIMS - FACTORS - DEFINED Ron Price

A limerick may play the part
Of a matron, stiff, proper, and smart;
But, if you would please her,
Just tickle and tease her;
At heart he's a bit of a tart.

The LIMERICK's been long on the scene,
We find it a verse fore serene.
Both smart and concise,
Exceedingly nice,
And once in a while may be "clean."

From tension and into release
Is the way that a limerick can please.
It's usually quite whimsical
And often quite quimsical,
But why dot all I's and cross T's.

A limerick, just to be sure,
Should have five line and no more.
But if you are slick,
You can do it with six,
While others require only four.

We thought that the limerick was dead.
"We're rid of the thing," critics said.
But of course they were wrong
For the limerick's a song
That comes from the glands, not the head.

A limerick's a poetic antic

In a limerick, lines one and two rhyme;
If they both have nine beats, it's in time.
Three and four lines have six,
And they match; they don't mix.

Of all the games under the sun,
Writing limericks must be the most fun.
To really get whythm,
You need just one rhythm:
A one-two-three, one-two-three, ONE.

34602 LIMS - FACTORS - METER Norm Storer

To scan is to keep to the meter

34612 LIMS - FACTORS - METER Nevile Genie

Your over-syllabic excess

At risk of an outlook punctilious,
Or being a tad supercilious,
I gotta point out,
Without any doubt
This scansion, quite frankly, is bilious.

34614 LIMS - FACTORS - METER

Absurdly, as day turns to night
Or night turns to day, who is right?
As long as the meter

Bad sense must give way to good shite!

The rhythm is needed
So when it's repeated,

If a man writes a limerick that's "dirty,"

A limerick's a damn fine excuse
For lingering over the juice.
But the trouble with that
Is that after you've sat,
The limerick don't wanna let loose.

Are the best, if you please;
For good lims these things are the crux!

An ardent proponent of minimalism
Thought all other music was criminalism;
And what's even worse
He believed rhyming verse
Was verging on bourgeois subliminalism.

For the limerick, the feminist crew
Have only contempt. In their view
It is substitute sex
For those physical wrecks:
The farts who are too old to screw.

35025 LIMS - PEOPLE - CRITICS A N Wilkins P9106

Polish Limericks? Hooray and whoopee!
Like Chinese of the Ming Dynasty,
Though poignant and clever,
Despite my endeavor
To translate, they're all Greek to me.

35026 LIMS - PEOPLE - CRITICS Loren Fitzhugh P0105

Those sensitive souls who must scowl
At males who write limericks foul,
Might well lose the blues
If they would just use
An APERIENT just 'fore they howl.

35027 LIMS - PEOPLE - CRITICS Observer

Your quote brings a smile and a dimple,
'Cause we all know the limerick is simple.
In this group I have found
That great minds abound,
And others, I guess, merely wimple.

35028 LIMS - PEOPLE - CRITICS

Don't you hate these last minute corrections,
That result from a writer's reflections;
When there's words to be changed,
Or some lines rearranged,
Or the limerick alters directions.

35029 LIMS - PEOPLE - CRITICS Bob Birch P0800

I'm so glad that you are enthused,
But you are most sadly confused.
Tainted by corruption,
Our steady eruption
Of rot is what keeps us amused.

35030 LIMS - PEOPLE - CRITICS   Carol

Your nice words will not be forgotten;
This group is devoid of the rotten.
I'm still learning this art
And you're doing your part.
I thank you from the heart of my bottom.

In limericks we charge to the VAWARD
Though many will say we are wayward
To find humor in sin
Using words not found in
Proper discourse by the fey horde.

My acquaintances thinks that I'm strange,
That my mind is completely deranged,
For writing such verse
That's so grim and perverse,
But I know I'm not likely to change.

It really does take a stout-hearted
And bona fide fool to get started
In limerick doodles,
But I've found that oodles
Of folks who have tried have just farted.

35034 LIMS - PEOPLE - CRITICS   Travis Brasell

Your rhyming is never too bad;
If only your meter, too, had
Some semblance of form,
That stayed near the norm,

Since puns are the low form of wit --
Atrocious, the lowest of it --
I'll not stoop that low;
I'll dignity show;
So that no one on my verse will spit.
(So no one will call me a shit.)

35040 LIMS - PEOPLE - CRITICS Irving Superior P9206

Your limericks I thought were quite fine;
The best I have heard in some time.
But if I tried to do it,
I surely would screw it,
'Cause I think my long suite's not in rhyme.

35041 LIMS - PEOPLE - CRITICS Bob McCarthy

The limericist must be astute --
His ear for the rhyme most acute.
But though it's fine art,
He knows in his heart,
That nobody quite gives a hoot.

It's Narni of the Never-Never,
Just dropping a line,

By that, I don't mean that you lack;
Reversely, you're on the "write" track.
It's just that some others

35046 LIMS - PEOPLE - CRITICS   Narni

Because I don't post much don't mean
That that which is posted ain't seen

Bollocks, I hear you all shout;
You cunt, you shit, you lout!
Go back to your sewer,
With your wife the old hooer;
Come back when you have a foul mouth.

35093 LIMS - PEOPLE - INEPT Mul

It's easy to have a foul mouth,
If you let all your musings go south.
Then listen again

Were this rhythm more etched in my brain,
You would not be obliged to complain,
But I must post this query,
In prose, oh so dreary;
My efforts at limericks were vain.

35095 LIMS - PEOPLE - INEPT Sandy

Yes, I quiver, I shiver in fear
Of the erudite maven who're here.
Will you bloody my nose
If I post here in prose?
If you're nice, I will call you 'My dear."

35096 LIMS - PEOPLE - INEPT Sandy

There is an old limerick from Prague
About an overly amorous frog.
I've forgotten the rest;
My memory's not best
After drinking a gallon of grog.

35097 LIMS - PEOPLE - INEPT Lynn Mostafa

I blame all this tripe on my work,
For it's really beginning to irk.
I must take a break
For my sanity's sake...
Oh too late; I'm already berserk.

35098 LIMS - PEOPLE - INEPT

This limerick is awful, I know;
I dashed it off just for the show,
In less than a minute,
With little thought in it,
And now I'm afraid, I must go.

35099 LIMS - PEOPLE - INEPT Jim Weaver Collection

Every time I endeavor

35105 LIMS - PEOPLE - INEPT   Gerry Busch

I hope you're not all in suspense,
Awaiting a punch line, no sense
Will be found in this drivel,
But try to be civil,
And try not to take much offence.

35106 LIMS - PEOPLE - INEPT

That was extremely redic

These few lines (just a token)
And my small brain is smokin';
All this thinkin' might just make me sick!

35107 LIMS - PEOPLE - INEPT

I thought I'd give this a shot,
To give it all that I've got,
But my limerick sucks.
It ain't worth two bucks.
Might as well go and smoke up some pot.

35108 LIMS - PEOPLE - INEPT   Shockpoet

35127 LIMS - PEOPLE - PENTA/DEEX   Cap'n Bean   P0112

There's a limerick seeker named Deex,
And the stuff that he seeks often reeks;
For morality's lax
In a verse re the cracks
Of some quiff-baring Classical Greeks.

35128 LIMS - PEOPLE - PENTA/DEEX   Jim O'Conner   P8312

There's nobody sharper than Deex
When it comes to poetic antiques;
He's been into this fad
Since Lear was a lad --
And he knows all the special techniques.

35129 LIMS - PEOPLE - PENTA/DEEX   Norm Storer

A limerick writer named Deex
Worked on one for over nine weeks.
The ultimate rhyme

Which is what this Deex always seeks.

35130 LIMS - PEOPLE - PENTA/DEEX   Harry Rubin   P9108

35131 LIMS - PEOPLE - PENTA/DEEX   Don Boen   P8111

His rhymes may be truly
Completely unruly,

Twenty years to words of tongue and pen.
He's dealt with scan and rhyme;
He's served his entire time.
Had he killed he'd have done a mere ten.

35133 LIMS - PEOPLE - PENTA/DEEX   Loren Fitzhugh   P0201

Don't worry and please do not fret,
When you read in this month's Pentatette
That Deex did inhale,
As he opened the mail.

35134 LIMS - PEOPLE - PENTA/DEEX   Al Willis

Through the years, as my rhyme skills I'd hone,

35135 LIMS - PEOPLE - PENTA/DEEX   Loren Fitzhugh   P0001

Yet WE expect HIS to be pure.

35137 LIMS - PEOPLE - PENTA/DEEX   Cap'n Bean   P0112

I submit he is no martinet,
He, who edits our The Pentatette.
I imagine Doc's said

"Just how awkward can some of these get?"

35138 LIMS - PEOPLE - PENTA/DEEX   Loren C. Fitzhugh   P9201

35139 LIMS - PEOPLE - PENTA/DEEX   Irving Superior

What made you, my good Dr. Deex,
Choose a subject of which no-one speaks?
I think it's SO funny

If you wrote of his shovel and bucket.
Though your limerick might rhyme,
Art would read it one time,
Then like mine, he'd take yours and he'd chuck it.

Without sounding shitty,
Or using some stock word like "quim."

Arnie writes poems by the tens,
But soon he'll be making amends,
For committing the crime
Of trailing his rhymes,
With a pen name he stole from two pens.

A limerick's easy to write,
And provides a brief respite,
From sonnets and plays
On cold winter days,
And also on hot summer nights.

Since New Years, the sparse elocution
Of feminine lim contribution
Has now got me pondering,
If ladies are wandering
Around in 'per verse' resolution.

There was an old man from Peru,
Whose limericks all looked like haiku.
He said with a laugh
"I cut them in half,
The pay is much better for two."

What's happened to all of my boys?
The ones with those wicked hard toys?
Who every night
Could rhyme at the sight
Of pussies and titties -- such joy!

35263 LIMS - TYPE - BAWDY

The role of a lim is to shock,
Though gentleness I will not knock.
As tragedy bores
In G & S scores,
So lims should allude to some cock!

35264 LIMS - TYPE - BAWDY

The Limerick is bastard or bitch;
Most times it is hard to tell which.
The fault is paternal
Or could be maternal:
Depends on which one has the itch!

35265 LIMS - TYPE - BAWDY

This lewd group is my secret passion;
I haunt it to get my week's ration
Of lims, raunch and bawdy;
Then hide it, by gawdy,
To be ribald is just not in fashion!

35266 LIMS - TYPE - BAWDY

Some limericks you need to read thrice,
And others you wouldn't read twice.
They just might be naughty
Or possibly bawdy --
But much that is naughty is nice.

35267 LIMS - TYPE - BAWDY James Montgomery

In limericks, it's not thought perverse
High muckety-mucks to ASPERSE.
Though they think we oughter,
Use just holy water,
We'd rather use rude bawdy verse.

35268 LIMS - TYPE - BAWDY J'Carlin

When 'bawdy' is all one can write,
And thinks that such stuff is all right,
And all one can do
Is appealing as poo;
It's certain one can't be too bright.

35269 LIMS - TYPE - BAWDY Bill Taylor P9912

I just want to go write something rude,
Something dirty, incredibly lewd;
Like an underaged louse
Getting screwed by a mouse,
Or the queen-mum is bathing all nude!'

35270 LIMS - TYPE - BAWDY

The rhymes here are often salacious,
About poking and things quite fellatious;
To all of you wizards,
I say: "Leaping Lizards!
"Good Heavens!" and "My goodness gracious!"

That most of us come from the gutter;
Our verses are rude
And are frequently crude;
They would likely cause Grandma to splutter.

The limerick itself can be crude,
For those who're a bit of a prude.
Naughty thoughts quite free,
Written with pure glee;
I've even read some that are rude!

With a dog or a cat,
That few of the rest of us can.

Though a good one can also be clean.

We can't use green meat
Nor of hermits we speak,
So give them more slime at the cores.

Pen a limerick metaphoric!
With Dantesque depth -- allegoric;
In lieu of the drivel
Which makes our brains shrivel,
I crave some phantasmagoric.

35305 LIMS - TYPE - CLEANED Anon

Though limerick lines may be lewd,
I prefer that humor be shrewed
Or rather subtle,
So in rebuttal,
Rarely do I need to be crude.

There seem to be hundreds of verses.
(I haven't yet read them all; curses.)
Of those I have read,
There's no mention of head,
Nor of doggy-positions with nurses.

A limerick should pack a surprise
So devised as to give you a rise...
While a few want 'em clean,
Even quite epicene, (lacking characters of either sex)
This book ain't for those silly guys.

35308 LIMS - TYPE - CLEANED Grand Prix Lim 7

The limericks here are quite rude;
Some verge on being most crude;
If you write limericks,
Must it be about dicks?
Or could we have some that aren't lewd?

35309 LIMS - TYPE - CLEANED

There once was a man from Racine...
No, this isn't the limerick you've seen,
This one's undergone cleaning

Not much left of what might have been.

This writing must really be easy,
Especially when it can be sleazy.
But let's not go too far,

I think that I once might have seen

'Twas flirty, and perty,
But not at all dirty.

Are any of these limericks clean?
Or am I just being too mean?
Could I write on the Universe?
Or similar in verse?
Or would you find this most obscene?

Not a thing about sex,
But instead I would flex
Intellectual muscles today.

When it has a venomous sting,
The Limerick's a mightly good thing.

Though my limericks are sadly de-lewded.

35318 LIMS - TYPE - CLEANED Norm Storer P9506

The limerick's an art form complex,

The limerick's callous and crude;

It's not worth reading
By persons of breeding.
It's designed for us vulgar and rude.

35325 LIMS - TYPE - DIRTIED   Armand E Singer   1

The limerick is certainly based
On a rhythm that's beautifully paced.
But it's penchant for punning
And linguistic cunning
Is considered (by some) in bad taste.

35326 LIMS - TYPE - DIRTIED

Sure, I took a hiatus from rhyme,
But I can't say I had a nice time;
See, the air was too fresh,

It is here I belong, with the slime.

35327 LIMS - TYPE - DIRTIED   Mark Levy   P9610

There's a whole 'nother world you've not seen.

They're some of the best I've ob scene!

35329 LIMS - TYPE - DIRTIED   Writerman

Let's see you write a funny love story,
Bust a gut not to make it too whorey...
Forty sounds, even less,
Rhyming five-line finesse,
With the last line a hot blaze of Glory!

35330 LIMS - TYPE - DIRTIED John T. Coultard 8 P8504

The soul of the limerick is this:
A good one's a hot sloppy kiss.
But for the most part
They burp and they fart,
And the worst ones are brim full of piss.

35331 LIMS - TYPE - DIRTIED Neal Wilgus P8505

Some verses here are atrocious;
To call them limericks at all is precocious.
Replacing good wit

Would make Mother Theresa ferocious!

35332 LIMS - TYPE - DIRTIED Jim Weaver Collection

Verse of Limerick is rather strange,
And sometimes it is out of range.
But in case it is out,
I am sure, no doubt,
The unsuitable range must be changed.

The limerick's admitted, a verse form:
A terse form: a curse form: a hearse form.
It may not be lyric
And at best its Satyric,
And a whale of a tale in perverse form.

There is here an arrangement

Either factual, supposed, or invented.

35339 LIMS - TYPE - DIRTIED Albin Chaplin 3024-0012

The limerick's a queer aberration;
It's a form of sexual sublimation.
Words sent to the mind,
Like a "a rosy behind,"
End in doggerel, not copulation.

Clever limericks grow fewer and fewer.

35359 LIMS - TYPE - DIRTIED

When reading these limericks, you'll see,
I've written with great liberty.
They're all about sex
In a literal context,
And not good for mixed company.

35360 LIMS - TYPE - DIRTIED

Though limericks will suit either gender,
Yet some are devised with such splendor
That they're far too stentorian
For young ladies Victorian,
Since they're not meant for ears that are tender.

They don't have to be:
Their depravity's not unconditional.

At one time a limerick was pure,
Quite innocent...harmless...demure.
It was playful and light,
But it dropped out of sight,

35366 LIMS - TYPE - DIRTIED   Bob Birch

A limerick need not be pure;
It may stink like a load of manure.
Nor need it be bawdy,
Off-color, or gaudy,
Though that does help, to be sure.

35367 LIMS - TYPE - DIRTIED   Laurence Perrine   P9411

When I hear an answering machine
I get dirty and mean.
I must indict
Indite and recite
Limericks totally obscene.

35376 LIMS - TYPE - DIRTIED Jim Jambor P9105

Limerick writing's a very crude art.
You're allowed to say teat, bum, and fart.
And if really silly,
Can even say willy;
Rhyme and scan's the cumpulsory part.

35377 LIMS - TYPE - DIRTIED R. Frederick

Many verses offensively rude,
Lascivious, ribald and lewd,
Are found in this book.
But please, have a look;
They're OK if you're in the right mood.

35378 LIMS - TYPE - DIRTIED Dag Schjelderup P9103

My limericks it seems are inferior;
Some think they come from my posterior.
I don't mind the abuse;
It's not an excuse,
But I must have a rotten interior.

35379 LIMS - TYPE - DIRTIED Tony Burrell

Sphincter a-twitch with delight,
Tool-drooling at verse with some bite,
I shot-wadded a pair.
'Twas that breath of foul air
From your fecally lim, set me right!

35380 LIMS - TYPE - DIRTIED

A limerick of classic proportion
Should have meter and rhyme and a portion
Of humor quite lewd,
And a frightfully crude
Impossible sexual contortion.

If you can't guess the name of the game,
Entendres Galore is its name.

What we do with our minds,
Would put Jocelyn Elders to shame.

There once was a poet named Rick,
Whose limericks were nowhere near slick.
His lacking in meter
Was matched by his peter,
And as funny as shitting a brick.

35383 LIMS - TYPE - DIRTIED

Some people think they're quite witty,
Making up a humorous ditty.
But what some people write
Should not show in daylight,
As they sound really quite shitty.

35384 LIMS - TYPE - DIRTIED

These poems have come out of my forehead.
The subjects are all fairly torrid --
Except for a few
That will make you say, "Pugh!"
And those are the ones that are horrid.

You guys with the poems of dead whores
We can still use the festering sores.
We may not use green meat,
Nor of Dave may we speak,
So give them disgust to their cores.

There once was a poet one day,
Who on limericks was oft known to say,
"Unless they are blue,
They cannot be true."
To which other poets say "Nay!"

35387 LIMS - TYPE - DIRTIED Joe Long

A poet "naughty" is down on its luck;
All its poets have chosen to duck.
So I'll write, out of pity,
This sweet little ditty.
Which is too clean to be here! Oh, fuck.

35388 LIMS - TYPE - DIRTIED Jim Weaver Collection

I'm always intrigued by the wit
Displayed in the lims that are writ;
Take Jane, for example:
She loves when we sample
The taste of her tits and her slit.

35389 LIMS - TYPE - DIRTIED

For your limericks you never will score --
They are rotten right down to the core.
They're abusive and crude,
Offensive and rude --
I love them, keep telling me more.

The limericks we all love today,
Evolved a circuitous way,
From pure and quite clean
To gross and obscene,
And that's how it seems they will stay.

35392 LIMS - TYPE - DIRTIED Bob Birch

The limerick's form is demanding;
To write one that's really outstanding,
You must stick to the beat,
Be sure rhymes don't repeat--
And use four-letter words in the anding.

35393 LIMS - TYPE - DIRTIED Norm Storer P9505

The limerick is easy to chart,
It's more of a craft than an art.
The trick's to be cautious
And not use those nauseous
Words: shit, cock, piss, fuck and fart.

35394 LIMS - TYPE - DIRTIED G2247

If things could return once again
To how they were way back when,
I could write a nice poem
About hearth and home,
Before limerickosis sets in.

35395 LIMS - TYPE - DIRTIED Terry Braaten

A limerick can sing with its words;
Sweet song that can rival the birds.
But subjects profound
Very seldom are found.
A more usual topic is turds.

I'll make this real simple and plain.
From your advice, I shall abstain.
Words like fuck, suck and licks,
Guys with huge throbbing pricks,

Are filthy as well as quite bold.

Where lime-rick was write:
Two varying sounds but not very.

35495 LIMS - USED R. J. Winkler P8505

The limerick is sometimes a puzzle,
A verse form that some folks would muzzle.
But, son of a gun,
I just can't write one.
Why sometimes I do a whole duzzle.

35496 LIMS - USED - DESCRIBED Neal Wilgus P8505

Limerick quality varies a lot;
Some are clever, and others are not.
Some are hits, others miss.
Some are boring, like this,
But they all end up here, on this spot.
(referring to Toast Point web page)
35497 LIMS - USED - DESCRIBED Prof M-G TP9802

One look at a line anapestic,
You know it won't be antiseptic.
So prudes go elsewhere,
Far from lim's lair,
It's silly to get apoplectic.

35498 LIMS - USED - DESCRIBED TuttaGioia

Some limericks are merely inane,
Others are quite delightful, urbane.
Some folks have a leaning
Toward those having meaning,
Never mind that the meaning's arcane.

35499 LIMS - USED - DESCRIBED Loren Fitzhugh P0212

The limerick, outlandish and garish,
May come from the whorehouse or parish,
And renown can ensure
By avoiding what's pure,
And attacking the symbols folks cherish.

35500 LIMS - USED - DESCRIBED   Albin Chaplin   3024-0008

The limericks by some are quite clean
And others are clearly obscene.
There's those who write solely
On topics most holy,
But mine fall betwixt and between.

35501 LIMS - USED - DESCRIBED

Beware the limerick bore;
From a seemingly infinite store
He trots out more verse,
Where the scansion gets worse,
But the subject's the same as before.

35502 LIMS - USED - DESCRIBED   Paul Jennings

If you'd write in this 'genre' of verse,
You must fix on a topic that's terse,
And come straight to the point;
If the thing's out of joint,
Why, than nothing at all, it is worse.

35503 LIMS - USED - DESCRIBED   Norm Storer

A limerick chronicler's slant
Was that only two kinds are extant:
"There are those," he'd surmise,
"You can categorize,
And then there are those that you can't."

35504 LIMS - USED - DESCRIBED   Jerry Nordhal   P0111

On topics of girlfriend or wife,
You'll find innuendo is rife.
When limerickers meet,
These rhymes they excrete,
Thus swelling the cesspool of life.

35505 LIMS - USED - DESCRIBED Cubby

The limerick: a mixture of folly
And sentiments planned to be jolly,
Designed to give pleasure
In metrical measure
When brought to a clever finale.

35506 LIMS - USED - DESCRIBED R. J. Winkler P8505

The monarch of bawdy expression,
The limerick thrives on compression.
It packs it all in,
Sin upon sin,
In erotic and lively sucession.

35507 LIMS - USED - DESCRIBED TuttaGioia

The limerick is seldom quite clean --
It is often completely obscene.
But don't worry, old cock,
I'm not a shock-jock.
My words are all fit to be seen.

35508 LIMS - USED - DESCRIBED Anthony Matheson

My wife she's always true blue;
A birthday for her is soon due.

Throughout the whole world, experts say
That it's Geography Rules! O.K.?
But it's not the location
But the mere appelation,
That's important down Limerick way.

35510 LIMS - USED - DESCRIBED E O Parrot

The limerick's a minor addiction;
A curious kind of affliction.
Though it is often uncouth
It holds kernels of truth
Which make it read stranger than fiction.

35511 LIMS - USED - DESCRIBED Russ Roth P8811

Need some quality content in a hurry?
Struggling authors, now don't you worry.
Limericks are fun
And easily done,
And legal, except in Missouri.

35512 LIMS - USED - DESCRIBED Lynn Mostafa

The limerick and couplet have merged
And out of this union emerged
The limerick, surprised,
To four lines down-sized;
The couplet unhappily purged.

While some men have gone making babies
And women forestall them with maybes,
Our horny Randog
Has kept us agog,
With wads of his limerick rabies.

35514 LIMS - USED - DESCRIBED SFA

Quite rabid with limericks I am.
They're almost as good as a clam
That's bearded and fragrant
In which I can flagrant-
Ly thrust my well-hung bettering ram.

35515 LIMS - USED - DESCRIBED Randog

What a limerick is in a crunch,
Is a bit like a lady's light lunch.
Though it briefly delights,
It's just four nutty bites,
Washed down with a ludicrous punch.

35516 LIMS - USED - DESCRIBED Graham Lester

I looked through my files and gave pause,
There's verse about vicars and whores,
Of sheep, cows and nurses,
And mad nuns; the curse is
To choose one is quite a lost cause.

35517 LIMS - USED - DESCRIBED

To make up new words may be comical,
And sometimes it's so economical,
That sometimes we play
With things that we say,
And get laughter that's just astronomical!

35518 LIMS - USED - DESCRIBED

If you say to a literate guy,
"Limericks!," Comes a gleam to his eye,
And he quotes one or two;
If he can't tell a few,
Then, beware, he's an enemy spy.

35519 LIMS - USED - DESCRIBED

Limericks, it is clear to see
Have sexual tendencies.
Can it be done
Just for some fun,
Without being stripped or teased?

35520 LIMS - USED - DESCRIBED   Anon

There are girls from equator to pole
Who claim no one's been into their hole.
You can cover the girth
Of the whole fucking Earth.
To come up with these limericks droll.

35521 LIMS - USED - DESCRIBED   John Miller 0326

It has been said that a limerick
Is an Irish poetical gimmerick,
Written by and for men
And the feminine pen
Is really not up to the trick.

35522 LIMS - USED - DESCRIBED   Lucy K Milburn   P9803

Limericks, as I've said here before,
Are quite like a favorite whore;
Provide lots of fun
For everyone,
But do not come in the front door.

35523 LIMS - USED - DESCRIBED   Tony Burrell

The limerick is a big waste
Of time and it leaves a bad taste
In my mouth, like bad beer.
I rinse out the whole schmeer
With lots of real minty toothpaste.

35524 LIMS - USED - DESCRIBED   Lee Tracy

This is not my most favorite lim.
All these words appear very dim.
In fact, they're not there.
Indeed, they're nowhere.
Did you drop this here on a whim?

35525 LIMS - USED - DESCRIBED

The problem I think you will find
Is the limerick form is designed
For amusement. Our stuff
Is not serious enough,
For the topics you may have in mind.

35526 LIMS - USED - DESCRIBED   Peter Wilkins

Some lives are so odd, you agree?
Well worthy of biography.
The limerick traces
Their trials and disgraces
So different from you and from me.

35527 LIMS - USED - DESCRIBED   E O Parrot

Now aren't you just thoroughly glad
That I did not post stuff this bad?
You might have made fun
Of all but this one,
And that would have made me real sad.

35528 LIMS - USED - DESCRIBED

Does a limerick have to be crude
Or simply insightful yet rude.
I prefer politics
Over rhymes about dicks,
But perhaps I'm a bit of a prude.

35529 LIMS - USED - DESCRIBED   kj

The limerick bridges the gap
Between what's in the head and the lap.
That which makes my life good,
(Like my pecker of wood)
Seems somehow profound in this rap.

35530 LIMS - USED - DESCRIBED

The limerick's a verse form fantastic
And the things it can do are quite drastic.
It can stretch on a rack
But it always snaps back,
For it's made of recycled elastic.

35531 LIMS - USED - DESCRIBED Neal Wilgus P8505

With insatiable drive to expound
Vain feelings constrained, seeming bound;
What he couldn't in mime,
He accomplished in rhyme,
Till relief with a Limerick was found.

35532 LIMS - USED - DESCRIBED Don Ping

There was a young girl from Bangkok,
Who wrote limericks rude that could shock.
The limericks were topical
And quite biological,
And all had vaginas and cocks.

35533 LIMS - USED - DESCRIBED Robert Elliot

Because I do not have a life,
And my day's full of struggle and strife,
It's really quite easy
To write something sleazy,
'Stead of listening to my nagging wife!

35534 LIMS - USED - DESCRIBED

We don't really talk about lims;
We'd rather discuss moistening quims.
Or Father O'Toole
With boys in his school
Or writings by both of the Grimms.

35535 LIMS - USED - DESCRIBED Archie

Then some of our tales of the farm
And Bessie with all of her charm
Still leave room for ewes
Of various hues.
The black sheep will come to no harm.

35536 LIMS - USED - DESCRIBED Archie

Unlike all the poof and the queers,
Who walk around looking at rears,
Appearing in tales
And causing great gales
Of laughter, when they reach our ears.

35537 LIMS - USED - DESCRIBED Archie

My favorite limerick bits
Are when we're discussing big tits.
For forty four D's
And thirty eight C's
Attract both my lips and my mitts.

35538 LIMS - USED - DESCRIBED Archie

I'm sorry for the prose I have wrote;
I feel like a clumsy old scrote.
I know you write poems
For great leaned tomes
But my talent's less than a mote.

35539 LIMS - USED - DESCRIBED Archie

For me, it's the play of the words
That separates whey from the curds,
Though I seldom would quarrel
With topics amoral,
Such as incest, or buggering herds.

35540 LIMS - USED - DESCRIBED

Our poetry's simply sublime
And inspiring in meter and rhyme;
It expresses but nought
Of intelligent thought,
But uses up acres of time.

35541 LIMS - USED - DESCRIBED Peter Wilkins

The limerick life is impure
And has never been subject to cure.
Its topics are wild,
Anatomically styled --
A versified form of manure.

35542 LIMS - USED - DESCRIBED Archie

The moral of the story is this:
The tales of a mister or miss,
When lascivious or crude,
Are nothing but rude;
But witty is never remiss!

35543 LIMS - USED - DESCRIBED Jim Weaver Collection

There was a young lady of Where?
Whose limerick likings most share;
Old faithfuls like these
That are certain to please,
For they always seem to have been there.

35544 LIMS - USED - JUDGED E O Parrot

A good limerick reminds me of you,
My Darling: small waist beneath two
Starting points to begin a yen
For a trip through rhymes feminine
To find at the bottom a screw.

35545 LIMS - USED - JUDGED Don Moore P9106

I laugh and I laugh till I cry,
Gasping for breath ere I die.
It's always the naughty,
Outageously bawdy
Limerick that does it for I.

35546 LIMS - USED - JUDGED Mike Perry

The next time you find yourself start
To put down this venerable art,
Instead set your mind
To creating a rhyme
About a bishop who's eating a tart!

35547 LIMS - USED - JUDGED Tim

You may think my limerick unsightly;
Maybe you think it quite rightly.
Though I sweated and fretted,
I never regretted.
If you don't like my limerick, then BITE ME!"

35548 LIMS - USED - JUDGED Jim Weaver Collection

Rowdy Jack's new obsessions sure are (fish)
Rather strange, maybe even bizarre (fish)
But a limerick so good,
Don't you think that it should,
Net that maritime minstrel a star (fish)?
(Comment to Toast Point Sage on a previous rhyme)
35549 LIMS - USED - JUDGED Stargazer

A poem of five lines and a rhyme
Scheme AABBA and a climb
Down to depths of depravity
In each body cavity,
Is my favorite, limerick sublime.

35550 LIMS - USED - JUDGED Fred Cohen P8505

The cloth of the limerick's coat
Is cut from the groin of a goat.
So throttle your noses,
And don't expect roses,
You won't hear a word you can quote.

35551 LIMS - USED - JUDGED Joseph Kesselring P8312

Limerick writing's no cinch.
Sometimes one gets in a pinch.
It's rather a strain
To wrack one's own brain
In order the fifth line to clinch.

35552 LIMS - USED - JUDGED Macsam

Said the thoughtful old Dean, looking haughty:
"The real funny things are all naughty.
Clean humor is boring --
No sex and no whoring --
Folks only laugh when it's bawdy.

35553 LIMS - USED - JUDGED G2310a

The limerick's a lot like a shoe --
It follows whatever I do.
Quite often I put
In my mouth my left foot.
My limericks come out that way too.

35554 LIMS - USED - JUDGED Neal Wilgus P8505

Your limericks now are sent in;
Today we'll find out who's to win.
The best ones we'll share
With you, live on air;
And the rest go straight in the bin.

The limerick that has the appeal
Is penned by the quill that's facile
In the sordid, grotesque,
And in bawdy burlesque,
And in contorted reports imbecile.

35558 LIMS - USED - JUDGED Regina Cuta

Look guy, just wipe off that grin;
My patience with this has worn thin.
Of all limericks writ,
Seems just two make a hit,
In minds that have gone a bit dim.

35559 LIMS - USED - JUDGED Annie Jay

Though some limericks today are risque
And are viewed by a few with dismay,
It's as sure as you're born
That this stuff seen as "porn"
Is undoubtedly destined to stay.

35560 LIMS - USED - JUDGED R. J. Winkler P8505

Cept for the solace of limericks.
A fact that's unknown
To two groups alone:
The drearier dons and the dimmer hicks.

35561 LIMS - USED - JUDGED Robert Conquest

35563 LIMS - USED - JUDGED Grand Prix Lim 500 G2310

You may well curse it and moan,
But it has long been well known.
With its meter and rhyme
And subject sublime,

Though as Tennyson said, who know why the
Fuck such a rhyme
Makes the Grim Reaper, Time,

35567 LIMS - USED - JUDGED

Limericks are not intellectual;
For the most part they're quite ineffectual.
But with a flick of the nib,
And a wit, oh so glib,
They'll imply something fightfully sexual!

35568 LIMS - USED - JUDGED Emmanuel Lamprecht

Composing a limerick line
Gives pleasure that few can define.
And verses that rate
As "good!" or as "great!"
Are treasures -- I wish they were mine.

35569 LIMS - USED - JUDGED R. J. Winkler P8505

I have written some limericks quite fateful,
Malicious and vicious and hateful;
But I've torn up the jokes
That would sicken most folks,

35570 LIMS - USED - JUDGED VOL 7

It may speak of fucking and shit,
Of asshole, of cunt, cock, or tit.

A good limerick has to have wit.

35571 LIMS - USED - JUDGED A. N. Wilkins P9106

Yes, crude is the limericks's intent,
And lewd at its best we consent.
But us ladies of breeding,
When doing the reading,
Heard most of them in the convent.

35572 LIMS - USED - JUDGED Donna B

A limerick's for breaking the rules,
For showing up churls, prigs, and fools;
'Tis for flashing one's voc-

35573 LIMS - USED - JUDGED Robin K. Willoughby P8505

Of all the limericks ever writ,
The bawdy ones -- half raw, half wit --
Are worst when read aloud.
So poets, if you're proud,
On hearing one, you should 'shhh' it.

35574 LIMS - USED - JUDGED Irving Superior P8505

The limerick's a verse form spectacular,

And make vicious pokes --
Though some of them suck just like Drackular.

35575 LIMS - USED - JUDGED Neal Wilgus P8505

35581 LIMS - USED - JUDGED Bill Ron

There are limericks wholesome and glad;
There are limericks bawdy and bad:

Who thought writing limericks was fun.
They wrote half the night
And then died at the sight
Of the terrible things they had done.

35613 LIMS - USED - JUDGED Douglas Airmet

The limerick contest was fun,
But after it's all said and done,
I am forced to admit,
The source of the wit
Is usually found in a pun!

There are times, I admit, I have seen
A limerick lily-white clean;
But to trigger a roar

They are best when a wee bit obscene!

Most limericks are so damn forgettable
That it seems quite a shame and regrettable
To waste so much time
On mere meter and rhyme
That won't fuck and don't pay and ain't edible.

On limericks, the sexual part is the heart,
For without it (or mention of farts),
It's a nursery poem

For a priest to compose?" "Not a bit!"
He'd reply to his foes,
"What makes you suppose
That the Lord is deficient in wit?"

35731 LIMS - ZSERIES A. N. Wilkins P8505

Just as H. Langford Reed was all hot
To publish new limericks, the lot
All spotlessly clean,
Norman Douglas was keen
To spring others which clearly were not.

35732 LIMS - ZSERIES A. N. Wilkins P8505

Norman Douglas, they said, was a vandal,
That his limericks were too gross to handle.
Mussolini wept bitterly
That he'd print them in Italy
And defile that pure land with the scandal.

35733 LIMS - ZSERIES A. N. Wilkins P8505

As poetry, they may be crass.
They may lack some breeding or class.
But how they endure!
And you can be sure,
They'll tell of a lad with a lass.

35734 LIMS - ZSERIES Larry Davis P8505

The good ones take effort and time.
Just wit keeps them out of the slime.
But most of the fun,
Is how well you've done,
Avoiding the obvious rhyme.

35735 LIMS - ZSERIES Larry Davis P8505

Alt.jokes.limericks! I'm no longer alone:
Here's a humor that matches my own!
It's perverse and twisted
With deft rhymes and hamfisted --
"The humor that dares not be known."

35736 LIMS - ZSERIES Stephen Ross

You've heard it proclaimed that the pun
Is the "lowest of low" -- barring none;
Not True! It's the verse
Both witty and terse,
Called limerick, that is the one.

35737 LIMS - ZSERIES Stephen Ross

The hostess considered it crass
When I lauded in rhyme her fine ass.
(But here are you folks
With your own bawdy jokes,
And you converse in verse en masse!)

35738 LIMS - ZSERIES Stephen Ross

The priest wouldn't hear my confession
When I limericked through my sin session.
(But A.J.L. will forgive
My poor meter and give
Me absolution for my obsession.)

35739 LIMS - ZSERIES Stephen Ross

So I slunk away deep in shame
And ne'er spoke aloud limerick's name.
But rhymes still I scribbled
On the wall while I dribbled
In private, unknown, without fame.

35740 LIMS - ZSERIES Stephen Ross

Mea Culpa: I agree it's not art,
What I scrawl on the wall while I fart,
But it should not be a crime
To be witty in rhyme
And describe an old lech or young tart.

35741 LIMS - ZSERIES Stephen Ross

It would be nice to no longer scrawl
Merely on walls of the stall.
But post here the news
(If you do not refuse),
Wicked rhymes for reading by all.

35742 LIMS - ZSERIES Stephen Ross

Can I join this illustrious crowd?
Be at last where limericking's allowed?
I'll be very rude,
Naughty and crude,
And survive Spammers and critiques uncowed.

35743 LIMS - ZSERIES Stephen Ross

Enough of this x-rated stuff,
This talk of the pole and the muff.
I'm keeping it clean,
Attempting to wean
Myself off, and this ain't no bluff.

35744 LIMS - ZSERIES

I bet you won't last one whole day,
Before x-rated stuff you will say.
It just ain't in the cards
For us poets and bards,
To not write about romps in the hay.

35745 LIMS - ZSERIES

Good Sir, I look to the sky,
To the Light and the Truth upon high.
My spirit needs more;
To it sex is a bore;
The pathway to Heaven is nigh.

35746 LIMS - ZSERIES

Now before you begin this damnation,
Let me offer this small consolation,
You really shouldn't mind,
For where else could you find,
Such a fine and free sex education.

35747 LIMS - ZSERIES

True, what is learned is without illustrations,
And somee are sure wild fabrications,
But when studies are done,
At Alt. Jokes Lims. 101,
You'll be thankful for past participation.

35748 LIMS - ZSERIES

A beggar who asked for some change
Was holding a bottle so strange ...
That I offered to trade
A quarter quite frayed
Before he could get out of range.

35749 LIMS - ZSERIES

I had noticed a paper inside,
And after I secretly pried
It out of its cache,
I knew in a flash
With others I'd have to confide.)

35750 LIMS - ZSERIES

"I am posting this plea from the future
In the hopes you'll be able to suture
The lesion in time
That stopped all the rhyme ... ",
Read the note I obtained from the moocher.

35751 LIMS - ZSERIES

"This year is two thousand and ten
And it's now been a decade since when
The last lim'rick was written;
It seems they were smitten
By lack of a suitable yen..."

35752 LIMS - ZSERIES

I was thunderstruck, reading the verses:
There were none getting pussy in hearses?
No bucolic philanderers?
No perverts or panderers?
No double-entendre reverses?

35753 LIMS - ZSERIES

The rest of the text was obliterated,
But I stayed for a while and deliberated
On the fate of the lim:
Its future seems dim,
Unless it is somehow invigorated!

35754 LIMS - ZSERIES

"A limerick ain't just about rhyme!"
We've heard this now thyme after thyme:
It's five lines well planned,
So meter, when scanned,
Avoids the appearance of chryme.

35755 LIMS - ZSERIES

The RHYthm must BE anaPEST,
With ACcented SYLlables STRESSED;
When THIS is not DONE
No HEARTS will be WON,
And WE will leave REALly dePRESSED.

35756 LIMS - ZSERIES

Lines ONE, two and FIVE have three FEET,
No MORE or no LESS makes them SWEET;
Lines THREE and four DO
Have FEET of just TWO
Which TAP out the TIME of the BEAT.

35757 LIMS - ZSERIES

When RHYming with FEMinine ENDing,
The STRONG stress must LEAD the atTENDing
Last SYLlable SOUND
Or IT will be FOUND
To GRATE on the EARS -- quite ofFENDing!

35758 LIMS - ZSERIES

A STRONG stress must NOT be emPLOYED
To START off a LINE when it's TOYED;
One WEAK stress will DO,
Or you MAY start with TWO:
Any MORE and the SCANsion's deSTROYED.

35759 LIMS - ZSERIES

ReMEMber to HEAR with your EAR!
Let ACcents in SYLlables SEAR
Your BRAIN with their STRESS
And SOUND to imPRESS...
Then LIMericks RIGHT will apPEAR!

35760 LIMS - ZSERIES

BeFORE we all TAKE a long LUNCH,
There's ONly one THING left to CRUNCH:
When WRITing line FIVE,
For LAND'S sakes aLIVE,
Please END with a KNEE-slappin' PUNCH!

35761 LIMS - ZSERIES

A limerick group is more fun
When gals and guys post at least one
New verse night and day
To beef up the play
'Twixt muses who think on the run.

35762 LIMS - ZSERIES Travis Brasell

My muse only thinks on the squat;
And often he runs cold and hot.
He's a typical male --
He tries not to fail,
But sometimes he can't hit the spot.

35763 LIMS - ZSERIES Ericka

We males, I'm quite sure, all agree
You've got a 'hot spot,' namely 'G,'
That quivers with wit,
Whenever it's hit
And counters with great repartee.

35764 LIMS - ZSERIES Travis Brasell

How kind of you, sir, to advance
Compliments to me, if by chance.
Are you using your tongue
And those words, so well hung,
To try to get into my pants.

35765 LIMS - ZSERIES Ericka

I will with verbosity chit
And chat with you hoping that it
Will give me the chance
To get in your pants --
But hon, I don't think they will fit!

35766 LIMS - ZSERIES Travis Brasell

And my muse is female, I know
'Cause often she just doesn't show.
She's done it again;
I started and then --
Before I can come, she will go.

35767 LIMS - ZSERIES Archie

This matter complex may perplex,
As confused as an Oedipus rex;
What you think is obscene,
I choose not to demean,
Though my sex is another man's vex.

35768 LIMS - ZSERIES Joel D Ash

Books and movies the uptight may scorn;
That will damage a mind these folks warn.
For a normal adult,
This view is an insult,
Because porn should not leave you forlorn.

35769 LIMS - ZSERIES Joel D Ash

I ignore all the puritan scolders,
With enjoyment of thigh, breast, and shoulders;
Why should I exclude
The sight of a nude;
Art depends on the eye of beholders.

35770 LIMS - ZSERIES Joel D Ash

The perusal of scenes photographic,
So intense that they are pyrographic;
Smut or fine art?
It depends on your heart.
Some great artists were thought pornographic.

35771 LIMS - ZSERIES Joel D Ash

Magazines with erotic in print,
With a clarity more that mere hint;
The Penthouse too hot?
Broad-minded or not,
The frontiers pushed by Larry Flint.

35772 LIMS - ZSERIES Joel D Ash

Good clean fun or a sick bailiwick?
"There once was a man" type limerick;
Clever rhymes bringing joy,
A few gross ones -- oh boy!
But you should have the freedom to pick.

35773 LIMS - ZSERIES Joel D Ash

May I have your kind attention;
It seems that I may cause some tension;
Please don't take offense
(Or expect recompense!)
From my posts, the main source of dissension.

35774 LIMS - ZSERIES MrMalo

Over the years I've scored hundreds of kills;
Jacks mostly but also some Jills.
If your post is lame,
Rest assured a flame
From Malo will improve your skills.

35775 LIMS - ZSERIES MrMalo

And please don't take my flames personal;
I'm merely just being conversonal,
And if you attack
By flaming me back,
Well Jesus, you don't have to curse and all!

35776 LIMS - ZSERIES MrMalo

I've been here for years you know;
I've seen limerickers come and go.
I too've come and gone
And I find upon
My return a sex chat room show.

35777 LIMS - ZSERIES MrMalo

"Oh Sweetpee! My juices are flowing!"
"Oh lovebird! My pecker is growing!"
Well, Christ on a stick!
You're making me sick!
Try undernet's alt.40+ crowing.

35778 LIMS - ZSERIES MrMalo

And poetry classes, Good God!
I'm reading these, starting to nod!
You can take that pap
To alt dot crap!
Limericks? Not one in the wad.

35779 LIMS - ZSERIES MrMalo

Now if I went to alt.poetry,
And posted a limerick or three,
Those tight-assed snobs
Would shit brass knobs
To throw at an asshole like me.

35780 LIMS - ZSERIES MrMalo

And the spammers are ever-present;
For them I'm the most unpleasant.
I'll chew'em and spit'em
Or eat'em and shit'em
While stuffing their mom like a pheasant.

35781 LIMS - ZSERIES MrMalo

Now one may post as one pleases,
But some things just give me the wheezes.
You've a brain microscopic
If you think you're on topic,
With poems on the birth of sweet Jesus.

35782 LIMS - ZSERIES MrMalo

Post limericks about big splotches
Of jism on young girls crotches.
Or two goats and a nun
Having bestial fun,
While Clinton (with halo) just watches.

35783 LIMS - ZSERIES MrMalo

So now my position's defended
And the whole fucking place is upended,
But before I go,
I would just like to know,
Is there anyone I haven't offended?

35784 LIMS - ZSERIES MrMalo

There once was a development called Limerick,
Where homes, when for sale, sold very quick.
With its manicured grass,
Subtle touches of class,
If you passed on buying one, you must feel sick!

35785 LIMS - ZSERIES Jim Weaver Collection

They were built by a developer called Lidddicoat,
Who, from Pierre du Pont Hayward got a note,
To develop the land,
That once belonged to his clan,
But to keep the appearance looking oh-so-remote.

35786 LIMS - ZSERIES Jim Weaver Collection

Liddycoat built not one, but forty.
With identical trim, they looked sporty!
Keeping the look all the same,
The new neighborhood found fame,
Among the Morans, the Bakers and Dohertys.

35787 LIMS - ZSERIES Jim Weaver Collection

The Levitts' neighbors - the Burnses next door -
Knew house-hunting could be a chore.
She liked the home from first bound,
He soon too came around,
Dropping hopes for a house at the shore.

35788 LIMS - ZSERIES Jim Weaver Collection

Limerick homes are all custom inside.
Spacious hallways are airy and wide.
Master bedrooms? There are two.
Fireplaces with flues.
Are the bedrooms in front? You decide.

35789 LIMS - ZSERIES Jim Weaver Collection

Prices of Limerick town houses are steep.
To live here isn't real cheap.
Acreage is oh-point-one-seven,
For a small slice of heaven.
If you can live here, you're on top of the heap.

35790 LIMS - ZSERIES   Jim Weaver Collection

A civic association? Not around.
Still good will and friendship abound.
With Christmas parties each year,
And a fall fest, it's clear
That complaints are a seldom heard sound.

35791 LIMS - ZSERIES   Jim Weaver Collection

They say more construction is slated,
But the plans are slightly belated.
Neighbors all seem to agree
It will be a neat sight to see,
The entire development sated.

35792 LIMS - ZSERIES   Jim Weaver Collection

You've been a great audience! Wow!
Though lately I guess I'll allow
I've left somme of you sore
For I've tried hard to gore
Almost everyone's own sacred cow.

35793 LIMS - ZSERIES   John Miller 0365

And I guess in a way I've been mean,
In this place where we love the obscene.
I have for a while
Used a cynical style
And kkekkpt all my shit squeaky clean.

35794 LIMS - ZSERIES   John Miller 0365

A lack of good verse I bemoan
And my first visits here made me groan.
But I learned in software,
Don't tear out your hair
When yo can't get good stuff, write your own.

35795 LIMS - ZSERIES John Miller 0365

This newsgroup once seem in a jamb;
Few newbies showed up worth a damn.
And postings were sparse
So I got off my arse
To try to help drown out the spam.

35796 LIMS - ZSERIES John Miller 0365

Now there's plenty of people in here
Spreading limericks and filth and good cheer.
(Although lately it's chat
That's most where it's at)
Aand all spammers have left out of fear.

35797 LIMS - ZSERIES John Miller 0365

For a year now I've posted these verses;
I've been praised and received a few curses.
And managed to hack it
Despite the straight jacket
And attendants and doctors and nurses.

35798 LIMS - ZSERIES John Miller 0365

Some lims have no consequence here,
While I wait for the weather to clear.
Inspiration I'll find
If I empty my mind;
That's the theory to which I adhere.

35799 LIMS - ZSERIES

OK; as a theory it stinks,
For my mind is like that of a sphinx;
It's inscrutably void.
I'm not best overjoyed;
I should concentrate harder, methinks.

35800 LIMS - ZSERIES

Much better than that, I can do,
So a coffee or tea I shall brew.
(Shuffles off to the kitchen
And presses the switch on
The kettle then pops to the loo.)

35801 LIMS - ZSERIES

That's better; an hour on the can!
(The result of my breakfast of bran.)
Now I'm sure I shall find
With that weight off my mind,
That my lims go according to plan.

35802 LIMS - ZSERIES

There was a young lady of France
Who would thwart all attempts at romance.
(For a reason I now
Can't remember somehow
For my mind has returned to its trance.)

35803 LIMS - ZSERIES

OK now; I'm shutting my eyes.
(Sheesh it's dark - but it's worth a few tries.
I see ripples of light.
No; they're nipples all right
And Waahey!! I see bumcracks and thighs.)

35804 LIMS - ZSERIES

(I see girls; I see cows; I see sheep;
I see visions of Little Bo Peep;
I see Little Miss Muffet;
She's frigging her tuffet;
Her fingers are digging in deep.)

35805 LIMS - ZSERIES

Oh dammit! I've just spilled my tea.
I've gone knocked it all over my knee
And my testicles too!
(Races back to the loo;
Checks them out for a moment or three.)

35806 LIMS - ZSERIES

Guess who I just met in the loo?
'Twas my neighbour next door name of Sue.
I was clutching my balls
And with pain climbing walls,
When she calmly said, "How do you do?"

35807 LIMS - ZSERIES

"I don't!" I said, wincing in pain.
"I shall never have nookie again."
"Don't be silly", said Sue,
"In a moment or two
All your bits will be righter than rain."

35808 LIMS - ZSERIES

"Well thanks. But I'm puzzled, dear Sue,
As to why you are here in my loo."
"Well I needed a wee
Little piddle", said she,
"For it helps with my limericks too."

35809 LIMS - ZSERIES

"You too? At the end of your tether?"
Said I. "Now I'm wondering whether
You'd join me, dear Sue
(In or out of the loo)
Writing limerick verses together."

35810 LIMS - ZSERIES

I think I should finish right here,
For my brain is now knackered, I fear.
Lovely Sue's gone away
For the rest of the day;
You may sigh with relief now or jeer.

35811 LIMS - ZSERIES

My Muse has gone AWOL I fear;
I'm bereft of a single idea
For a limerick verse.
Can it get any worse?
It just did. I just ran out of beer.

35812 LIMS - ZSERIES

Take yesterday, Tuesday. I spent
Half the day (well, the evening, I meant)
Writing garbage; but then
At a quarter past ten
I wrote "Was a young man from Tashkent".

35813 LIMS - ZSERIES

Inspired now, I wrote the next line
In excitement; a line just divine;
'Twas "Who's dick was so long
That it bent". I was wrong;
After all I was rhyming just fine.

35814 LIMS - ZSERIES

I stared at those words for a while
With a smug and self-satisfied smile;
Then I scribbled down "bucket"
"Nantucket" and "fuck it"
And other things equally vile.

35815 LIMS - ZSERIES

Then horror of horrors! A thought
Struck my mind and it brought me up short.
"Oh my god; these are old
And they're covered in mold",
I exclaimed feeling tired and distraught.

35816 LIMS - ZSERIES

So now I just sit here and stare
At my screen. I'm in utter despair
For my mind is a blank
And however I crank
It I fear there's no limerick there.

35817 LIMS - ZSERIES

Sweet ladies, I hold you all dear,
And your goodness and honor revere.
If some limericks you read
May offend, let me plead,
I'm not as they make me appear.

35818 LIMS - ZSERIES - 2 Warrick Elrod

But to warn you, just let me say
Many limericks are often risque.
If they are not to your taste
You need no more time waste,
Grant me pardon, and be on your way.

35819 LIMS - ZSERIES - 2 Warrick Elrod

The limerick form is a cow
For struggling poets (and how!)
Finding rhymes is a curse;
The metre is worse;
Anapestic feets don't fail me now!

35820 LIMS - ZSERIES - 2

Since confession is good for the sole,
And I'd rather my clodhops stay whole.
I'll admit that I don't,
Not to say that I won't,
Salute if it's run up the pole.

35821 LIMS - ZSERIES - 2

These verses, one can but surmise,
Were not meant for clerical eyes.
Should the Bishop and Dean
Find out what they mean,
They ought to turn pink with surprise.

35822 LIMS - ZSERIES - 2 C Inge

And if, among Romish admirers,
They stimulate naughty desires,
Confess them, at least,
To your neighbourhood priest,
For the price of ten Ave Marias.

35823 LIMS - ZSERIES - 2

When things are slow here at work,
I take a moment to give up my lurk-
in'. But by the time
I think of a rhyme,
My coworkers have made me beserk.

35824 LIMS - ZSERIES - 2

They interupt my noontime repast
and loads of dumb questions they ask
I hope one of these days
The lottery pays
And I can say, "Kiss my ass!"

35825 LIMS - ZSERIES - 2

Should you question my authenticity,
I shall wither away in pudicity;
No intent of duplicity --
I plead "infelicity" --
I'm a victim of Jung's synchronicity!

35826 LIMS - ZSERIES - 2 Kathleen A. Martin P8312

It seems part of a "greater design"
That both Bennett and I should incline
To the same turn of phrase
In identical ways;
And to wit, if Cerf's first, what's my line?
(What's My Line - popular TV show with Bennett Cerf, 1950's)
35827 LIMS - ZSERIES - 2 Kathleen A. Martin P8312

Dr. Singer, that writer of humor,
Has called me a sly nom-de-plum-er;
But to think, or to claim,
Bean is not my true name,
Is the thought of a simple assumer.

35828 LIMS - ZSERIES - 2 Cap'n Bean

So I'll leave it to you to discover,
As around solid truth I will hover;
But my name wasn't missed -
It was on Arthur's list;
With some research, the facts you'll uncover.

35829 LIMS - ZSERIES - 2 Cap'n Bean

Tomorrow in Carnegie Hall
I'll have me one helluva ball,
Reciting on stage,
Yes, page after page,
My limericks I've done for y'all!

35830 LIMS - ZSERIES - 2

Next week I will sit in the breeze,
Enjoying the shade of my trees,
And all of the cash
I made from that bash,
And what you've paid for my CDs.

35831 LIMS - ZSERIES - 2

Some limericks you get are inept
And many's the time I have wept,
When time after time,
The rhyme doesn't rhyme,
And the simplest of rules are unkept.

35832 LIMS - ZSERIES - 2 Peter Read P9803

The problem with some is the feet,
And often the muddle's complete.
Folks don't seem to know
That a limerick must flow.
So I hope I have done that. Yours, Pete.

35833 LIMS - ZSERIES - 2 Peter Read P9803

Now I know that this limerick's awful,
Offensive, and even unlawful;
But if some of you hicks
Would just write limericks,
'Stead of bitching, I'd soon get my craw full.

35834 LIMS - ZSERIES - 2 Jim Weaver Collection

As it is there is seldom a post,
To this newsgroup with even a ghost
Of a chance of assuaging
My yearning and craving
For the verse-form that I love the most.

35835 LIMS - ZSERIES - 2 Jim Weaver Collection

Have you all gone demented or what?
A limerick simply is not
Authentic unless
Every line, every stress,
Every word's in its predestined spot.
(And make sure the rhyme scheme's red hot!)
35836 LIMS - ZSERIES - 2 Travis Brasell

Dementia is not so mysterious;
It's found in folks when too serious.
A limerick joke
Makes old fogies choke,
And sometimes will drive them delerious.

35837 LIMS - ZSERIES - 2 Travis Brasell

To stand out, a limerick needs clarity,
And maybe some sleaze and vulgarity.
Five liner acclaim
For dude rhymer or dame,
Can be won by adding hilarity.

35838 LIMS - ZSERIES - 2 Esther Koch P0201

It engenders annoyance collective
And translates it into an invective
To which one may give vent
Since we tend to resent
Dealing with hearing which is selective.

35839 LIMS - ZSERIES - 2 Loren Fitzhugh P0201

As you surf through the Internet scene
And find many poems obscene,
The best limericks are naughty,
So don't be too haughty.
'Tis not a great limerick when clean!

35840 LIMS - ZSERIES - 2 The Webster

If you think that this makes me quite crass,
Then most of these lines do bypass.
But for the rest of the lot,
The perverse is what's sought.
So I welcome you, laddie or lass!

35841 LIMS - ZSERIES - 2 The Webster

As I lay in my bed on the flat o' me,
I was shocked at the sight of the fat o' me,
So to keep my nerves steady
I concocted and edi-
ted this luminous, limerick anatomy.

35842 LIMS - ZSERIES - 2 Anthony Euwer

A limericker, Anthony Euwer,
Displeases the present reviewer.
No doubt there are worse
Examples of verse,
But I wish he had written far fewer.

35843 LIMS - ZSERIES - 2 Harold C Bibby

In the seventeen hundreds in Banff
You wrote s with a f; so the manfe
Waf a houfe, where to piff
Waf regarded amiff,
But leff fo than wetting your pantf.

35844 LIMS - ZSERIES - 2 John Reeves, Toronto 93b

An impatient young fellow of Banffg
Would appear to have anff in hif panff --
But 'twaf really a purge
Of a fexual urge
Through a kind of Ft Vituff Danff.

35845 LIMS - ZSERIES - 2 Keith MacMillan 94a

Whilst vying to out-smut each other,
You've gone and disturbed our dear mother.
She came for a read,
And left at full speed.
Could you include "hard-core" on the cover?

35846 LIMS - ZSERIES - 2 Kim&Sam

Do you think that mama doesn't know
What's what? Well, it's only for show.
Mama thinks that you two
Are both too young to
Know that she knows what you know!

35847 LIMS - ZSERIES - 2 Marlene Lewis

I'm new to this neato NG;
One thing remains unclear to me.
How long does it take
For all you to make
A limerick for the whole world to see?
(NG - news group on internet)
35848 LIMS - ZSERIES - 2 Silver

The answer to your question depends
On the effort one's willing to spend.
Sometimes I start
And then lay a fart,
And that is when my effort ends.

35849 LIMS - ZSERIES - 2 Puff Aadder

And what do you all use as fuel?
Will it help me ferment some mind-stool?
Is there a rule book
At which I could look,
To help me to pass a real jewel...

35850 LIMS - ZSERIES - 2

...To light up the heavens above,
Fitting tight as a fist in a glove.
Squeezing right to the tip
To expel that last drip,
From my root of life, laughter and love.

35851 LIMS - ZSERIES - 2

Can you do me a lim not sexual?
One that is more intellectual.
Just straight rhyme and meter;
Once again, I repeat 'er.
Your brain muscles all you should flexual.

35852 LIMS - ZSERIES - 2 Arden

There once was a girl named Ramone,
Who bathed with a granite soapstone.
Not too good with dirt,
But it sure didn't hurt,
When she washed where the sun never shone.

35853 LIMS - ZSERIES - 2 MrMalo

Sex can be like a limerick;
It's best when it's tight and it's slick.
When the end arises,
It's often surprises;
That makes the climax come quick.

35854 LIMS - ZSERIES - 2

But the meter's a bugger to master
Especially when nature says "faster".
In OUT in out IN
Ain't the rhythm of sin,
But a recipe made for disaster.

35855 LIMS - ZSERIES - 2

Composing this verse reprehensible
And probably incomprehensible,
Caused anxious distress
With my girl, I confess,
For it used all the lead in my pencible.

35856 LIMS - ZSERIES - 2

Now maybe your pencil is stressed.
Or maybe you're big in the breast.
Whatever the reason,
Regardless of season,
You must take a wonderous lead test.

35857 LIMS - ZSERIES - 2

A poet sending poems to you
Should give credit where credit is due.
It's my sincere belief
That the poets a thief
For pretending his classics are new!

35858 LIMS - ZSERIES - 2 Jim Weaver Collection

He should try to create his own thought,
And not steal sosmeone else's plot.
He's surely no poet,
But he doesn't know it.
He pretends to be something he's not.

35859 LIMS - ZSERIES - 2 Jim Weaver Collection

When infected with limerick virus,
(A malady hardly desirous),
You will find there's no cure,
And you'll have to endure
Its symptoms till void of papyrus.

35860 LIMS - ZSERIES - 2 Travis Brasell

This virus may have no quick cure,
But it does have some uses, I'm sure.
By sheer accident,
I let one ferment,
And it made a great soil manure.

35861 LIMS - ZSERIES - 2 Travis Brasell

Despite what's been said about clean
Limericks, I just prefer the obscene;
For I can't get enough
Of the loving and stuff
And everything else in between.

35862 LIMS - ZSERIES - 2 Peter Wilkins

Clean lims are boring, no fun!
They look like the work of a nun.
Even if they have meter,
Believe me friend Peter,
Nothing beats a good dirty pun.

35863 LIMS - ZSERIES - 2 Nikita

When I grow up I want to be
A man with an earned PhD.
And then I could write
A limerick right,
And sign it "Dr C-U-N-T."

35864 LIMS - ZSERIES - 2 Travis Brassell

Or maybe I would be an owner
Of some office store and sell toner;
I'd hire me a clerk
Then put her to work
And pay her to tone up my boner.

35865 LIMS - ZSERIES - 2 Travis Brassell

To prove I'm not always obscene,
Here's a verse which is squeaky and clean.
It's as boring as shit,
But it won't mention tit,
For I think you can guess what I mean.

35866 LIMS - ZSERIES - 2 Peter Wilkins

You've noticed I've taken the cure
From Doc Petal, who's sweet and demure.
(But I'll just probe her tight
Little cunny tonight,
After that, I'll be constantly pure.)

35867 LIMS - ZSERIES - 2 Peter Wilkins

A limerick that isn't obscene
Has a right to be written and seen.
The fauna and flora
Are no match for Gomorrah,
But for once, here's a poem that is clean.

35868 LIMS - ZSERIES - 2 Laurence Perrine

I read the last lim that you wrote,
And noticed it's Gomorrah you quote.
In our world which is modern
Many men prefer Sodom;
For ladies, it quite gets their goat.

35869 LIMS - ZSERIES - 2 Bob Mornington

The limerick's a short form of verse
Whose addiction some folks think is a curse.
Somewhere it is written
That when you are smitten,
There's nothing on earth can be worse.

35870 LIMS - ZSERIES - 2 Don Tidwell

They run through your head night and day,
Dictating at will what you say.
You write them all down,
And then say with a frown,
Why the hell am I acting this way.

35871 LIMS - ZSERIES - 2 Don tidwell

'Bout time I wrote novels, I think,
'Stead of lims from the gutter and sink;
So I'll start with this line ...
"'Twas a quarter past nine
When the ..." (Dammit, I've run out of

35872 LIMS - ZSERIES - 2

Oh my, he has run out of drink!
I'll bring him back something that's pink,
Containing a cherry
And sure to be very
Refreshing when slurped at the sink.

35873 LIMS - ZSERIES - 2

Two women who live in the West
Found nary a verse that expressed
The West as they knew it --
With grit to get through it --
And decided to rise to the test.

35874 LIMS - ZSERIES - 2 Cow Sheep Petersen Rhodes

Now limericks must stick to the rules
And not merely wander like mules,
So here Jeane and Gwen
Both wielded a pen,
And lassoed these wild Western jewels.

35875 LIMS - ZSERIES - 2 Cow Sheep Petersen Rhodes

That work is the curse of a lim
Writer's normal obsession with quim,
I can vouch for. Now what
Is the purpose of twat?
I forget for my memory's dim.

35876 LIMS - ZSERIES - 2

"The purpose of twat?" .. umm? .. that's strange,
Is to take all my greenbacks and change;
And to keep lawyers hustling
In their damn schemes of rustling
Every thing I own -- house, stock and range!

35877 LIMS - ZSERIES - 2

Through the process of elimination,
I found cause for Big E's consternation.
The cause is, to wit,
And to quote her, "I sit..."
That brought me a realization.

35878 LIMS - ZSERIES - 2

Takes thought to make a lim pleasin'
And springtime just ain't thinking season.
Just sitting won't work.
Give your mind a good jerk,
'Cause it only stands to reason.

35879 LIMS - ZSERIES - 2

I sit in continuous thought,
Combining the lines that are wrought,
From hours of thinking,
(And copious drinking),
So I don't do the work that I ought!

35880 LIMS - ZSERIES - 2

My lines are all simply mine,
I figure one theme at a time.
But sometimes a theme
Pops out with a scream,
And I have to just write that new rhyme

35881 LIMS - ZSERIES - 2

A doctor I really must seek,
For I find everytime that I speak,
I'm talking in rhyme
Nearly all of the time.
My friends think that I am a freak!

35882 LIMS - ZSERIES - 2 Robert Hunt

Don't worry about what your friends think.
They might think that you need a shrink.
Just hang out with us,
No one makes a fuss,
'Less your rhythm is way out of sync!

35883 LIMS - ZSERIES - 2 Marlene

The technical books I have here
Are related to work and career;
But it's taking me ages
To read all these pages,
And learn this new garbage I fear.

35884 LIMS - ZSERIES - 2

It leaves me with so little time
To compose and post limerick rhyme.
Now my brain is stuffed full
Of work nonsense and bull-
Shit. It sure is a terrible crime.

35885 LIMS - ZSERIES - 2

A salute to the ladies who post
To the news group that I love the most.
They bring a fresh slant
That us gentlemen can't;
To these ladies the following toast:

35886 LIMS - ZSERIES - 2 John Miller 0146

To the girls who post her, three loud cheers!
They are better by far than their peers.
And to those who would snicker
"But can they hold their liquor?"
I answer, "You bet--by the EARS!"

35887 LIMS - ZSERIES - 2 John Miller 0146a

What you sent for this month was quite clean
And I longed for some verses obscene;
Something filthy and crude,
At best smutty, not rude,
With subjects more sexy than mean.

35888 LIMS - ZSERIES - 2 Bob Birch P0800

Dear Bob, I know just what you mean.
But my writers are callow and green.
They haven't the wit
To get past bum and tit,
Robbing Peta to pay off Pauline.

35889 LIMS - ZSERIES - 2 Arthur Deex P0800

I prefer all my limericks clean,
But must I define what I mean?
Risque is all right
If they're funny and bright,
But I know when I see what's obscene.

35890 LIMS - ZSERIES - 2 Connie Jessen P9102

I don't mind a double entendre,
But let me not dawdle or maunder.
I can't join your SIG
Because it's too big
On verses that I want to launder.

35891 LIMS - ZSERIES - 2 Connie Jessen P9102

Some limericks were once here begotten
By gals but it seems they've forgotten
Their rhymes and their wit,
'Cause nothings been writ
In ages, by them about twatten.

35892 LIMS - ZSERIES - 2 Travis Brasell

But don't be discouraged! The day
Will come when you'll once again play;
However, sweet lass,
Since you've amassed gas,
I want to be quite far away.

35893 LIMS - ZSERIES - 2 Travis Brasell

I cannot write one fucking rhyme,
In a decent limerick time.
What am I to do?;
My brain's turned to goo.
Just pass me a Corona with lime.

35894 LIMS - ZSERIES - 2 Irish

If it comes down to which one to lose,
Limerickin' or drinkin'? No news.
I prayed to the muse,
"Which one should I choose?"
She answered, "Don't give up the booze."

35895 LIMS - ZSERIES - 2   Irish

We prove that we can, given time,
Write prose thoughts in rhythm and rhyme.
But a limerick needs more
If it really will score,
Humor or beauty sublime.

35896 LIMS - ZSERIES - 3   Fred Cohen   P8505

Now this treatise has neither you see;
It's bland as a poem can be.
But it does have five lines
And the requisite rhymes,
So it serves as example from me.

35897 LIMS - ZSERIES - 3   Fred Cohen   P8505

But I do so enjoy when you write
Outrageous puns quite "out of sight".
So now, let's not shirk
Turn out some fine work,
And keep people happy and bright.

35898 LIMS - ZSERIES - 3   Fred Cohen   P8505

The limerick's a passion of mine;
One that is less than divine.
The swing and the lilt
With which they are built,
All point to the ultimate line.

35899 LIMS - ZSERIES - 3   Larry Davis   P8505

Five lines with a bite at the end;
For vocal transmission, my friend.
A pun or a jest,
Obscene ones are best,
With rhymes that you need not defend.

35900 LIMS - ZSERIES - 3 Larry Davis P8505

The meter and scansion must flow.
It's nice if they're words that you know.
But it doesn't hurt
To use gyve and yurt,
If it's not just done for the show.

35901 LIMS - ZSERIES - 3 Larry Davis P8505

Yes, Father, I know of the dangers
Of limericking whilst amongst strangers.
But just for this once,
Let me be the dunce;
Of newsgroup posts be the arrangers.

35902 LIMS - ZSERIES - 3

I know that that one makes no sense,
Forgive me for being so dense,
But limericks do
Need a trickie or two;
I hope that I give no offense.

35903 LIMS - ZSERIES - 3

There's something I wanted to say,
But I have been drinking all day.
Though limericks abound
I know it must sound
Like I should just plain go away!

35904 LIMS - ZSERIES - 3

I've become a bit disappointed
With limericks somewhat double-jointed.
'Cause try as I might,
The scanning's not right;
But fingers, from here, won't be pointed.

35905 LIMS - ZSERIES - 3 Frank Fazed

Some poets have master the style;
Producing sharp rhymes for a while.
But then extra words
Just pile up like turds,
Creating a big smelly pile.

35906 LIMS - ZSERIES - 3 Frank Fazed

I'm looking, unable to see
A touch of word economy.
I beg, I implore...
Less really is more.
I'll ask, once again, is it me?

35907 LIMS - ZSERIES - 3 Frank Fazed

This morning I have in my yard stood
And pondered: "I'll write as a bard should
Throughout the whole weekend,
And hope I've not weakened
My hands from the tug of my hardwood.

35908 LIMS - ZSERIES - 3

Besides, all those Washington flames
Have hobbled my log hauling aims;
The Northwest is burning
And I am here yearning
To frolick in limerick games.

35909 LIMS - ZSERIES - 3

So, here I am, long 'fore December
(I'd "see you then," if you remember)
To joust and harangue
With all of this gang
About what I do with my timber.

35910 LIMS - ZSERIES - 3

To this limerick rhyme I am addicted.
Like a crack-smoking whore I'm afflicted.
But if I don't relent,
I won't make my rent.
At the end of the month I'm evicted.

35911 LIMS - ZSERIES - 3

So where will I turn to then?
What happens when I'm starving and thin?
I'll just find a way,
For my addiction to pay.
Thus, continuing to rhyme with the pen.

35912 LIMS - ZSERIES - 3

It won't be so bad on the street.
So what, I'll have nothing to eat.
But I still can talk dirty,
I'll be happy as a birdy;
Writing limericks and beating my meat...

35913 LIMS - ZSERIES - 3

Maybe a verse here and there
Will occur to me out of thin air,
So I'll scribble it down
While commuting to town,
Though at work, I have no time to spare.

35914 LIMS - ZSERIES - 3 Peter Wilkins

I earn a living in London's old city;
I don't take the car, it's too shitty;
I travel by train.
It seems less of a strain,
But it's dirty and grimy and gritty.

35915 LIMS - ZSERIES - 3 Peter Wilkins

I'm sorry to have such a moan,
But I've sat here this week on my own,
Without dreaming up verses;
I'm tired and the curse is
I can't even get me a bone!

35916 LIMS - ZSERIES - 3 Peter Wilkins

If you wonder why I don't indent,
Just consider the effort I've spent,
Since I did take the time,
Finding words that would rhyme,
That explains where my energies went.

35917 LIMS - ZSERIES - 3 Bob Birch P9808

So who was the guy to invent
The rule saying I must indent.
And it does seem fair
To be docked for an error
On limericks I've already sent.

35918 LIMS - ZSERIES - 3 Bob Birch P9808

And who likes the capital letter,
I guess he must think they look better?
It would save me a stroke,
Were it not for that bloke,
And I'd just use those caps for the header.

35919 LIMS - ZSERIES - 3 Bob Birch P9808

This verse, for example, has naught
That you couldn't show your grandma; in short
It's as dull as can be
In this limerick sea,
And expresses no serious thought.

35920 LIMS - ZSERIES - 3 Jim Weaver Collection

I guess I could comment on wars,
Or the carpets which lie on my floors,
Or the rain on the plain
Which falls mainly in Spain,
Or the interesting subject of doors.

35921 LIMS - ZSERIES - 3 Jim Weaver Collection

Or trigometrical functions
And planetary/solar conjunctions;
Or what about coffee
Molasses and toffee,
Or perfume and similar unctions?

35922 LIMS - ZSERIES - 3 Jim Weaver Collection

The question is moot, I suppose,
If the rhythm and meter still flows;
Why the name of the poop
That's spread in this group
Is "limerick", nobody knows.

35923 LIMS - ZSERIES - 3 John Miller

A limerick is written more tightly
That those I've been reading, so lightly
Constructed and formless,
By prats who are gormless!
Admonished John Miller, contritely.

35924 LIMS - ZSERIES - 3 Hugh Clary

A limerick, when it's done airily,
Produces light humor, summarily,
Resulting in cluckles
And knee-slapping chuckles!
Retorted John Miller, Hugh Clarily.

35925 LIMS - ZSERIES - 3 Travis Brasell

So this is the end of Part One.
My friends, I have only begun
To speak of light verse,
That will only get worse
With each part. You'll be glad when I'm done.

35926 LIMS - ZSERIES - 3 VOL 11

Thus endeth my limericks, Part Two.
What next, you may ask, will I do?
Perhaps something bawdy,
Obscene or just naughty.
Who knows. If I don't, how can you?

35927 LIMS - ZSERIES - 3 VOL 11

Part Three bring the most popular
Of limericks in print form so far.
I know that it's mean
That they are not clean,
But then, we're not coarse for the par.

35928 LIMS - ZSERIES - 3 VOL 11

The boys and girls of AJL
Know what to do, and we're swell;
Expert and all
With cock and balls,
Titties and quims on the shell.

35929 LIMS - ZSERIES - 3

Here we have been known to peep
At bovines and even some sheep,
And "Lord luv a duck",
With a little luck
We'll cut off your cock when you sleep...

35930 LIMS - ZSERIES - 3

And shove it in far up your ass;
For good measure, pack it with glass.
Then plug your bung-hole
With a big pole;
So sorry, am I being crass?

35931 LIMS - ZSERIES - 3

If you've a penchant for rhyme,
But half the words are out of time,
da Dah da da Dah
Should be your man-tra --
The time of your slime soon will chime.

35932 LIMS - ZSERIES - 3 H WHELCHEL

If you're a lamer or cheater,
I beg you please, correct your meter.
Squish up the words --
Smear them like turds --
As long as the beater is neater.

35933 LIMS - ZSERIES - 3 H WHELCHEL

Your time still is lame? -- Eat some bran;
Go sit for a day on the can.
And shit like you wrote --
A few lines will float --
Maybe that rare loaf will scan!

35934 LIMS - ZSERIES - 3 H WHELCHEL

I'll not mention tits; I'll just suck 'em.
The other rude bits, I'll just fuck 'em.
You needn't be rude
Writing limericks crude.
Throw them at me, I'll just duck 'em.

35935 LIMS - ZSERIES - 3 Archie

I'll let you suck, I don't mind,
As long as you're gentle and kind.
But as for my muff,
It likes it quite rough,
Expecially when done from behind.

35936 LIMS - ZSERIES - 3 JAYNE

But sweet Jayne, you can't be too crude,
Especially while you're being screwed!
Will you bark like a dog
If I rut like a hog?
(I insist we do it while nude.)

35937 LIMS - ZSERIES - 3 Archie

Use three anapest feet, then align
Them in triplicate, ending at nine;
To the trimeters (rhymed)
Add two dimeters (rhymed);
Then combine, intertwine and refine.

35938 LIMS - ZSERIES - 4 R. J. Winkler P8505

Iambics beginning a line,
If anapests follow, are fine;
Embellish the text
With dimiters next --
Each trimeter, part of a trine.

35939 LIMS - ZSERIES - 4 R. J. Winkler P8505

Two trimeters, rhyming, begin
The anecdotes limericks spin;
The dimeters (2)
A trimeter too,
Complete the narration therein.

35940 LIMS - ZSERIES - 4 R. J. Winkler P8505

Hexamter here are askew,
Pentameters likewise taboo;
Iambics in place
With trimeters grace,
A mixture of anapests, too.

There once was a man who did xxxxx,
To a xxx who was naught but a xxxxx.
Three times in a xxx,
The xxx tried to xxx,
Till the xxx was still xxx in the xxxxx.

Now this may sure take some lickin',
But a fowl fucking fellow named Fricken
Poked hen on the table,
While young sister Mabel
Was pickin' that chicken with dick in.

35943 LIMS - ZSERIES - 4 Travis Brasell

But not as disgusting a sight
As Father O'Reilly's delight
At licking the drips
Of old cheese from the lips
Of his grandmother's pussy last night.

35944 LIMS - ZSERIES - 4 Tiddy Ogg

But nothing's so nasty on Earth
As the mother with twins and some girth,
Who was double of joint
And showed off this fine point
By licking her kids, after birth.

35945 LIMS - ZSERIES - 4 Brian Belge

My limericks are only suggestive.
I find the porn ones indigestive. (I know, I know)
In verse about farts
Or one's private parts,
There's not much to think of as festive.

35946 LIMS - ZSERIES - 4 Bill Taylor P9911

When "bawdy" is all one can write
And thinks that such stuff is all right,
And all of his words
Are appealing as turds,
It's certain he can't be too bright.

35947 LIMS - ZSERIES - 4 Bill Taylor P9911

Why must limericks be so disgusting?
I'll campaign for porn limerick "busting".
Let's clean up the verse
Before it gets worse,
And gets so hot it starts combusting.

35948 LIMS - ZSERIES - 4 Bill Taylor P9911

I hate limericks that are dirty.
I want all of them to be purty. (I know, I know)
Four letter word writing
Just ain't exciting
To us way, way, way over thirty.

Still speaking of the Aussie named Jed,
You know how he liked to be fed?
He'd slip down all the way
On whatever he'd lay
When hungry, to put out some head.

He'd slurp and he'd lick and he'd suck
On a cow or a sheep or a duck!
He went for a Snapper one night;
Too bad he'd turned out the light
And then he was shit out of luck!

Beware of the greeting

Then we jump from a leaky boat.
Now I'm on this camel;

With this guy who smells like a goat.

37064 LOCATION - TRAVEL - SERIES

This vacation so far's not drab,
And I don't mean to sound like a crab,
But kidnapped am I,
By this smelly guy,
Who thinks he's Ahab the Arab!

37065 LOCATION - TRAVEL - SERIES

As they came a-brandishin' swords,
And screaming out harsh sounding words,
I had no choice, dear,
As they filled me with fear,
But to think of a plan afterwards.

37066 LOCATION - TRAVEL - SERIES

It would have been of little use
For me to resist or refuse.
They would have just cut
Up my lilly white butt,
So I put up my hands as a truce.

37067 LOCATION - TRAVEL - SERIES

Now since they did leave me alive,
I still had a chance to derive
A plan from my mind,
To save your behind;
This trip I intend we survive.

37068 LOCATION - TRAVEL - SERIES

As I followed their tracks in the sand,
Across this broad, bare, lifeless land,
Grew afraid what I'd find.
Would they treat you unkind?
This trip ain't worked out like I planned.

37069 LOCATION - TRAVEL - SERIES

I've walked for what seems endless time;
The heat is intense in this clime.
As I top a tall dune,
I see that I'll soon
Arrive to avenge for their crime.

37070 LOCATION - TRAVEL - SERIES

So now I must quick rack my brains.
(A headache results from such strains.)
The camels are tied
To a post just outside
The tent by the ends of their reins.

37071 LOCATION - TRAVEL - SERIES

Untying the camels to loose 'em,
To make them all scatter I goose 'em.
They snort, grunt, and run
Off into the sun;
The noise attracts Ahab's dumb twosome.

37072 LOCATION - TRAVEL - SERIES

To one side of the tent I did hide,
As the two men emerged from inside.
Three camels they chased
As away they now raced,
And inside of the tent I did glide.

37073 LOCATION - TRAVEL - SERIES

Alone in the tent she stood chained;
To ravage her there I abstained.
With seconds to act,
Grabbed the keys and unshack-
led her there and saved her again!

37074 LOCATION - TRAVEL - SERIES

So now we run out through the dunes,
Away from Ahab and his goons.
They've not noticed yet,
That you've escaped pet;
They are just two stupid baboons!

37075 LOCATION - TRAVEL - SERIES

From Sioux City, I'm driving back west,
To the Golden State, land I love best;
My old Chevvy is purring;

There's a knocking like something's not tight;
Then I think: "What the Duece?
Hell, a rod can't be loose;

37077 LOCATION - TRAVEL - SERIES

So, I turn up my radio's knob;
Music drowns out that ominous throb;
Also put on some speed,
Maybe not a smart deed;
Cuz the car's running rough as a cob!

37078 LOCATION - TRAVEL - SERIES

Radio louder! More gas! Got more clatter!
Suvva gun! What the hell is the matter?
Man, I'm getting in dutch;

37079 LOCATION - TRAVEL - SERIES

A new engine block's now in my clunk;
See the wreckage I've saved in the trunk;

Was by far and away
The most hellish since Bate's Motel.

The "chalet" I slept in was old;
Like a monastery cell, awful cold.
It was furnished with junk
And a metal-framed bunk,
But the piece-de-resistance was mould.

The mould grew in patches galore,
On the walls of the bathroom for sure;
But much worse was the fungus
Exceeding humungous
That grew 'neath the bed on the floor.

Which is awesome and truly immense,
And to keep people out

Or extravagancy.
He was not baroque, not at all.

37439 MA GOOSE Jim Weaver Collection

There once was a fly on the wall
That brave Humpty Dumpty saw fall.
Down to save her, he leapt...
But that leap was inept,
Now he won't reassemble at all!

37440 MA GOOSE M Mestert

H. Dumpty, 'tis said, sat a wall,
Then Humpty, it's sad, had a fall.
Reassembly won't work,
So King's horses, men, clerk,
Had fried eggs in the morning for all.

37441 MA GOOSE Liam

An egg (Humpty) straddling a wall,
Deciding the right side to fall.
"It depends how I sit --
Turning round -- opposite --
Is there really a right side at all?"

37442 MA GOOSE Monique de Plume

A body there next to the wall
Lay broken, quite dead from the fall;
Inspector Astute
Cried out for pursuit,
"Each clue should be clear to us all."

37443 MA GOOSE

Humpty Dumpty sat on a wall,
Humpty Dumpty had a great fall.
All the King's horses
And all the King's men,
Used eggyolk for sexlube to bugger their friends.

37444 MA GOOSE

On the ground poor old Humpty is slumped,
By Alice summarily dumped.
Since his fall from the wall,
He's missing one ball
And his woody's been drastically stumped.

37445 MA GOOSE Anon

While king's horsemen, all in a bunch,
Looked on, Humpty fell with a crunch.
On the pavement, he died,
In the sun's heat, he fried
And the troopers had omelette for lunch.

37446 MA GOOSE Tiddy Ogg

There was an Old Man of Blantyre,
Who played all day long on a lyre.
All the dogs and the cats
And the mice and the rats
Sat 'round and sang songs as a choir.

37447 MA GOOSE Harold C Bibby

A savant who lived on Vesuvius,
Said it stood on a plum-pudding pluvious.
when they asked him to prove it,
He said "I can't move it,
And so it is impossiproovious".

37448 MA GOOSE Harold C Bibby

The giant cried, "Fee Fie Foe Fum!"
And Jack replied, "Me not so dumb.
When next he goes, 'Fee Fie!'
Then down the beanstalk go I.
Instead of a Free-Fry, Fro From."

37449 MA GOOSE Irving Superior P8701

Like higglety pigglety then,
She consorted with gentlemen ten.
They all nulled her void
While I only toyed
With jackin' my beanstalk again.

37450 MA GOOSE

I froliced with sweet Jack be Nimble,
Whose cock was the size of a thimble.
But I was sure glad
To find out that he had,
A long tongue to make a girl tremble.

37451 MA GOOSE Jeanie

There once was a man in whose dream,
He gobbled up mountains of cream,
Then dreamt he died fat;
Though his name was Jack Sprat,
And the skinny half of the team.

37452 MA GOOSE Edwin J Weinstein

The wife of Jack Sprat hated lean,
But her spouse was a skinny machine.
So he called Tommy Tucker
To come over and fuck her,
While Jack gave her tonsils a sheen.

37453 MA GOOSE Hugh Clary

The Sprats once again said, "Aw, Shucks!"
When the wife, who was fat, favored fucks,
While Jack, who was thin,
And too short to get in
To her blueberry box, favored sucks.

37454 MA GOOSE Hugh Clary

Mrs. Sprat being fat and downhearted,
She had suddenly up and departed;
For her mate, as a rule,
Took his miniscule tool,
And was finished before she had started.

37455 MA GOOSE Thomas A. Quinine P8303

Old King Cole was a bugger for the hole,
And a bugger for the hole was he.
He called for his wife,
And stuck her with a knife,
And out jumped a K-I-D.

37456 MA GOOSE L0933

It been said that Old King Cole
Was a very merry old soul.
He'd call for his pipe
Each and every night,
Then he'd light up a monster-sized bowl.

37457 MA GOOSE Gearhart

As a king, he is fiendishly droll,
The monarch call Merry Old Cole.
His favorite wish
Is to mate with a fish,
So at dinner we never choose sole.

37458 MA GOOSE OgniGioia

By tradition, when guarding their sheep,
Shepherds sing, play the panpipes, or sleep.
But Little Boy Blue
Preferred a good screw
In the haystack with Little Bo Peep!

37459 MA GOOSE CeeJay

Horatio met Little Boy Blue:
Said, "Little Boy, what do you do?"
"It's best, Little said,
"To show you instead..."
Oooo, Boy...I'm a Hornblower, too!"

37460 MA GOOSE Travis Brasell

There once was a little mermaid
Who wanted legs just to get laid.
But she was quite perplexed
When after they sexed,
`er prince got his coin purse and paid.

37461 MA GOOSE Phil T

Sweet Mary likes to be the boss,
But lambsey did not give a toss.
Soon he'll be in
The nice roasting tin,
Served up in a tray with mint sauce.

37462 MA GOOSE Jayne

When her father arrived from East Surrey,
Mary thought that she'd make a lamb currey;
But her cooking's so bad
That it made dad feel bad,
And he barfed up the lot in a hurry.

37463 MA GOOSE Tiddy

So how does your garden grow, Mary?
It certainly seems you're contrary;
Your pussy-lips sweet
Are now naked and neat,
But by Saturday night they'll be hairy.

37464 MA GOOSE

All else Mistress Mary forsook
To find how her garden did look;
Lovely maidens were there,
Silver bells to compare.
And shells crammed into corner nook.

37465 MA GOOSE Hilde na Beag

Mary, she had a lamb little;
Its bones were quite fragile and brittle.
Except at the rear,
The one she loved dear;
She'd stroke it until it would spittle.

37466 MA GOOSE Rick Limer T9711

We treat Mary (of unknown locality)
And her lamb without proper formality.
Let me ask: Do we view
A young ram or a ewe?
Just pure Love? Or a budding bestiality?

37467 MA GOOSE Isaac Asimov

There is this small man, short and hairy;
We will just call him Larry.
When he sees his maw,
He lets out a BAAAAA;
This is proof that the lamb had Mary.

37468 MA GOOSE Debnric

When poor Mother Hubbard was gone,
She left Father Hubbard alone;
Each night in his car,
He'd drive to a bar
And pick up a dog for his bone.

37469 MA GOOSE Travis Brasell

Mother Hubbard was comely and fair,
But was terribly hairy down there.
To see through the thatch,
Her beau lit a match;
Now, not only her cupboard is bare.

37470 MA GOOSE Arnie Schoenbrun P0208

Once a mouse took a thorn from the paw
Of a lion by psychical law.
Go straight to Manilla
If you have one scintilla
Of doubt that sticks in your craw.

37471 MA GOOSE Paul Niquette

Pete be nimble, Pete be quick,
Then she sucked on Petey's dick.
Did her duty;
Drank his spooty,
Then Pete licked her cooty slick.

37472 MA GOOSE Gearhart

With no help for a rhyme from my Funk 'n,
I must tell this about P P Duncan:
Both P's stand for Peter.
So what could be sweeter,
That having a sweetheart named Punkin.

37473 MA GOOSE Pierce Evans

Peter Piper thought it was just fine
To find peppers pickled in brine.
He said, "It would tickle
Me now if some chick'll
Come pickle my pecker in wine."

37474 MA GOOSE Norm Storer P9605

The magistrate counseled old Peter
(That lowdown debased pumpkin eater),
"It's no sacrifice
Renouncing your vice --
Try eating young pussy, it's sweeter."

37475 MA GOOSE Armand E Singer 990

Peter, Peter, titty grabber,
44's, he had to have her.
Petal's B-cups
Were not enough
44's he'd rather lather.

37476 MA GOOSE Gearhart

Peter, Peter, Petal-eater,
Also likes to suck on teater.
Likes her better
Dressed in leather,
Then with whips and chains he'll beat her.

37477 MA GOOSE Gearhart

"Peter!", cried Mopsy, "You scut!
Fresh soaked with sex from your rut!
It's that long haired Angora,
That doe from Gomorrah!
She stole you, that estrussy slut!"

37478 MA GOOSE Tutta Gioia

Rapunzel let down her long hair,
So the prince could climb up to her lair.
The witch learned the plan
And captured the man,
But they still lived on happily e'er!

37479 MA GOOSE Lois Walker

Said Rapunzel, high up in her castle,
"This is getting to be quite a hassle.
I've given up hope
Of a prince with a rope,
So I'm growing my hair past my astle.

37480 MA GOOSE

"Though the prince," said Rapunzel to friends,
"Is careful about what he spends,
If he'd bought him a good
Sturdy ladder of wood,
I wouldn't have all these split ends."

37481 MA GOOSE A. N. Wilkins P8701

Rumplestiltskin's an odd little man,
Borrows footwear from young Peter Pan.
He found lots of fame
From guessing his name,
But it's painted all over his van!

37482 MA GOOSE Jayne

A fairy tale (less Grimm more grim).
A princess fair both tall and slim
And bosom high
A dwarf doth spy,
Then climbs a stilt to rumple skin.

37483 MA GOOSE Irving Superior P8701

The princess slept for many long years;
A cup of tea brought her to, shedding tears.
As she drank it she stirred;
A slight whisper was heard,
Why use tea? I prefer ales or beers.

37484 MA GOOSE Arthur Pattaffy

When the witch, the fair princess would nick
With a scratch from a thorn off the thick,
The nice witch was deep,
Turning death into sleep,
Which was broke when she felt one more prick.

37485 MA GOOSE   Bill Backe-Hansen   P8701

There once was a farmer named Jives,
Who grew tired of his seven old wives.
He gave each as her pittance
Some cats and some kittens,
And herded them out of St. Ives.

37486 MA GOOSE   John Ciardi

Said the wolf to three pigs, "You are dead.
Of your house, I will leave not a shred."
It was rumored in town
That he blew the house down,
But he blew the three piggies instead.

37487 MA GOOSE   Al Chaplin   P8701

Kids are often exhausting - Oh, brother!
It's always one thing or another.
They'll use any excuse
When they want Mother Goose,
Leaving Dad too worn out to goose Mother.

37488 MA GOOSE   Jerry Nordal   P0208

Said the turtle to his rival, the hare,
"You're faster but why should I care.
I'll be first at the goal
Where I'll pray for your soul."
Hares always get caught in a snare!

37489 MA GOOSE   Dirruk

By the shoreline the hare sat awake
For the race was a grevious mistake.
To the tortoise, the hare
Said he was not aware
That the last mile was crossing the lake.

37490 MA GOOSE Al Chaplin P8701

Said the Hare to the Tortoise, "Dear chap,
I can catch you with ease, so I'll nap."
'Round a bend, Tortoise crept
While the Hare overslept,
And then lost, 'cause he can't read a map!

37491 MA GOOSE Prof M-G

The God of Luck I ought to shoot.
You saw I was in hot pursuit.
And at the finish line
Was just three feet behind;
That tortoise had a rabbits foot!

37492 MA GOOSE Irving Superior P8701

There was an old woman who lived in a shoe
With more children than she could handle.
And when they were grown,
And all left home,
She moved herself into a sandal.

37493 MA GOOSE

An old woman who lives in a slough
Is surrounded by damp and mildew.
She's rolling away
And that's where she'll stay,
Till she runs off as liquidy goo.

37494 MA GOOSE Esther Koch

The old woman who lived in a shoe,
Beat all of her kids black and blue.
If only she had
Seen a birth control ad, (Seen an F.P.A. ad)
She would have known what to do!
(FPA - could be Brits family planning association)

37495 MA GOOSE Joyce Johnson

The old woman who lived in a shoe,
When she had nothing better to do,
Would bed down her dears,
After boxing their ears,
And relax with a cobbler or two.

37496 MA GOOSE John Ciardi

An old woman who lived in a shoe,
Who with children, knew not what to do.
She took to the streets,
Trading blowjobs for treats.
Now she's full and the children are too.

37497 MA GOOSE Richard Long

An old woman who lived in a shoe,
Getting pregnant, knew not what to do.
She had learned almost nil
'Bout the condom and pill,
But Oh!, how that woman could screw!

37498 MA GOOSE Al Capetown

There was a young shepherd of Thrace
Who boasted a steely embrace.
Like Little Bo Peep
He'd grab him a sheep
And fuck it smack dab in the face.

37499 MA GOOSE - BO PEEP Armand E Singer 85

I've a question for Little Bo Peep,
Just how did you lose all those sheep?
The pretty white lambs
With their dams, and their rams? --
"Just counting them put me to sleep."

37500 MA GOOSE - BO PEEP Laurence Perrine P8701

Oh give me that soft woolly sheep,
Which says "Baa-aaa" as I thrust myself deep.
For it never complains
And has double the brains
Of that snivelling, whining Bo-Peep.

37501 MA GOOSE - BO PEEP Jim Weaver Collection

Here's the story of Little Bo Peep,
Whose ineffable actions with sheep
(She fondled and necked 'em
And tickled their rectum)
Causes flesh on most Christians to creep.

37502 MA GOOSE - BO PEEP Armand E Singer 95

Find someone else? Why you creep!
After me dressing up as Bo Peep!!!
How was I to know
Your passion won't grow
Unless I dressed up as a sheep!

37503 MA GOOSE - BO PEEP Karen

Now as for Little Bo-Peep,
At last she has found all her sheep.
From too many to choose,
She kicked out the ewes,
But the rams she decided to keep!

37504 MA GOOSE - BO PEEP Rick Limer T9711

Unmarried, she called herself Ms.
Till somebody gave her the Bs;
Now Mrs. BoPeep
Has three little sheep
And knows where the came from: they're Hs.

37505 MA GOOSE - BO PEEP Armand E Singer 641

They say that the act is felonious,
But let us not be sanctimonious.
When you put it to sheep,
As did Mr. Bo Peep,
They let out a bleat quite ewephonious.

37506 MA GOOSE - BO PEEP OgniGioia

Where is Little Boy Blue this fine morn?
In the haystack as sure as you're born.
But he isn't asleep,
He's with Little Bo Peep.
And just look where he's putting his horn!

37507 MA GOOSE - BO PEEP Isaac Asimov

Sharon, a rebel black sheep,
Escaped from Little Bo Peep.
"I'm not going back,
That flock I can't hack,
And Bo Peep is a nag and a creep."

37508 MA GOOSE - BO PEEP Nancy Henry-Kline P9306

The trouble with Little Bo Peep
Is she's far too expensive to keep.
And she tends to go off
The idea of a boff,
When you've just had your way with her sheep.

37509 MA GOOSE - BO PEEP

Now Cambria's famous for sheep;
A damn shame that they get to keep
The company of you,
Who knows not what to do
With them or with Little Bo Peep.

37510 MA GOOSE - BO PEEP Tiddy Ogg

That Mary had one wooly sheep,
She kept in her bed when she'd sleep.
Found out it's a ram,
Now she has a lamb,
And has changed her name to Bo-Peep!

37511 MA GOOSE - BO PEEP

Boy Blue looked a Little Bo Peep,
With a face like the back of a jeep.
He didn't stay blue,
for the lad always knew
He'd have better success with the sheep.

37512 MA GOOSE - BO PEEP Tiddy Ogg

The brothers of Little Bo Peep
Would run o'er the mountains and leap
On the back of a cow,
For a bovine-type plow.
(The reason? Hill trotters shun sheep.)

37513 MA GOOSE - BO PEEP

I have to agree with you; sheep
Are convenient creatures to keep
And could well bring you luck,
For you might get to fuck
That delectable Little Bo Peep.

37514 MA GOOSE - BO PEEP

A girl known as Little Bo Peep
Has rented a few of her sheep
To some men on the range,
Who like sex to be strange,
And think hookers charge prices too steep.

37515 MA GOOSE - BO PEEP Cap'n Bean

Bo Peep sits alone and forlorn
As her sheep wander off through the corn.
She couldn't get through
To little Boy Blue,
'Cause that kid just blows his own horn!

37516 MA GOOSE - BO PEEP

Bo Beep had fallen asleep
All because she was counting sheep.
She woke up wonderin'
Where they went wanderin'?
Where the hell did those suckers creep?

37517 MA GOOSE - BO PEEP

When asked why the sheep was appealing,
She answered their query by kneeling
Down next to her lamb.
"It's because he's a ram
And well hung!" said Bo Peep with feeling.

37518 MA GOOSE - BO PEEP Tiddy Ogg

Once a girl named Cinderella
Got laid by every other fella.
"Cinderella! Do chores!"
"Cinderella! Drop drawers!"
That's why the Grimm tale's a best sella'!

37519 MA GOOSE - CINDERELLA

Cinderella slipped off to the dance,
Where she dropped off a slipper, by chance.
She was followed and wed,
Then rushed off to bed,
Where Prince Charming got into her pants.

37520 MA GOOSE - CINDERELLA G0051

A young lady called Cinderella,
By her step-kin was not treated wella.
Fairy Godmother's coming,
Set Cindy's life humming,
And she got the prince for her fella!

37521 MA GOOSE - CINDERELLA Lois Walker

When the Prince, who was terribly smit,
Tried the slipper on Cinders and it
Fitted so snugly,
It gave the two ugly
Old sisters the worse kind of fit.

37522 MA GOOSE - CINDERELLA Joyce Johnson

There was Cinderella, that whore,
At the ball, found a prince to adore.
She he showed her the shoe,
She yelled, "Princeman, Fuck you!"
Which he did there and then on the floor!

37523 MA GOOSE - CINDERELLA Jim Weaver Collection

Black ash from the hearth she would pluck,
But Prince with her beauty was struck.
With footware of glass,
The test she would pass,
CINDERELLA, I'd call "Lady Luck!"

37524 MA GOOSE - CINDERELLA Chris Papa

The tale, from an old wisdom, steers,
Contrary to what else one hears.
It seems to insist,
Like an optimist,
"You can make silk purse from sow's ears."

37525 MA GOOSE - CINDERELLA Chris Papa

Fireplace cleaning made CINDERELLA
Filthy like mushroom Portabella;
A smell to the prince
Which caused him to wince;
That prince was not a nice fella.

37526 MA GOOSE - CINDERELLA Daniel Ford

He'd not even wait for her tear
To wash the black soot from skin clear;
He was heard to curse,
"The hell with silk purse;
Just get your black ash out o' here!"

37527 MA GOOSE - CINDERELLA Daniel Ford

Cinderella was Queen of the Ball,
And she started a real royal brawl,
When at midnight's last stroke,
The magic spell broke;
There she stood wearing nothing at all!

37528 MA GOOSE - CINDERELLA John Miller 0113

If this tale that you tell is a lie,
I will throw down my crown and I'll cry.
I'm the Prince (it is true!)
Words I mince (not with you!)
I'm a guy, that's a girl, that's a guy...

37529 MA GOOSE - CINDERELLA

You're looking for Cinderella?
If I see her, I'll probably tell her.
But although it's a blow
To tell you, I know...
That slipper belongs to a fella.

37530 MA GOOSE - CINDERELLA Ticketyboo

Oh dear! Princies secret is out!
Who's spreading those rumors about
His slippers and frocks
And his sparkly socks?
It's that ugly step sister, no doubt!

37531 MA GOOSE - CINDERELLA Spud

Once upon, says the fable, a time...
What a start! Such word-mangling's a crime.
Three billygoats gruff
This prince thought too rough,
And their offer of sex he declined.

37532 MA GOOSE - CINDERELLA Tiddy Ogg

Now wasn't that first verse pure crap?
You surely must think me a sap.
But to get to the point,
Yon prince wants to anoint
His dong in some peasant girl's lap.

37533 MA GOOSE - CINDERELLA Tiddy Ogg

He's sick of those well-to-do bints;
They complain about goo on the chintz.
So with palette and brush,
He goes out in the bush,
As the artist - once known as Prince.

37534 MA GOOSE - CINDERELLA Tiddy Ogg

As he wanders down by the mill stream,
There's a dolly, all peaches and cream,
Whom he quickly approaches,
And the subject he broaches,
Of her modelling nude, on the green.

37535 MA GOOSE - CINDERELLA Tiddy Ogg

But although she would much like to play,
Her father soon calls her away;
Being older and wiser,
And a bit of a miser,
He reckons the painter won't pay...

37536 MA GOOSE - CINDERELLA Tiddy Ogg

...For this beauty, for she is his prize.
He's two others, and often supplies
Them to fellows 'round town,
For five bucks they'll lie down,
And willingly open their thighs.

37537 MA GOOSE - CINDERELLA Tiddy Ogg

But this one, young Cindy's a virgin,
For whom many peckers would burgeon.
So he keeps her price high,
And though many blokes try,
That pimp won't give in to their urgin'.

37538 MA GOOSE - CINDERELLA Tiddy Ogg

(Rhyming virgin with urgin's a bore,
Many people have done it before,
But apart from encouragin'
And sturgeon and purgin'
The choices one has are so poor.)

37539 MA GOOSE - CINDERELLA Tiddy Ogg

Though his true love our Princey has found,
There is plenty more crumpet around.
So he has a fine spree,
In the next day or three,
As he fucks himself into the ground.

37540 MA GOOSE - CINDERELLA   Tiddy Ogg

Now infested with crabs and with lice,
His adventure he rates pretty nice.
By a quack he's inspected,
And soon disinfected...
But of Cindy he still wants a slice.

37541 MA GOOSE - CINDERELLA   Tiddy Ogg

His habits you may think immoral,
He sure doesn't practice withdrawal,
His red headed dwarf is
In many an orifice,
But his main predilection is oral.

37542 MA GOOSE - CINDERELLA   Tiddy Ogg

I'm the pillar of highest society;
I act with the greatest propriety;,
And at church, in the pews,
Where other folk snooze,
I'm alert, yes, a model of piety.

37543 MA GOOSE - CINDERELLA   Tiddy Ogg

Doesn't he talk utter tosh,
He thinks that because he talks posh,
We'll think he's real slick,
But he's just a dumb prick,
All that stuff there a hog wouldn't wash.

37544 MA GOOSE - CINDERELLA   Tiddy Ogg

So his faithful old butler he calls,
And says "Serf, prepare the grand hall.
All the totty invite,
And from them I just might,
A chick fit to hold royal balls."

37545 MA GOOSE - CINDERELLA Tiddy Ogg

At the hop he soon spies Cindy's sisters.
"Christ, they're foul. I'd rather have blisters!"
Then Cindy he spies,
Feels a throb 'twixt his thighs,
And in only five minutes he's kissed 'er.

37546 MA GOOSE - CINDERELLA Tiddy Ogg

All that tripe about rats, mice, and pumpkins,
Put about by your old country bumpkins,
As an early squash ad,
Which failed and so sad-
Ly their produce they all had to dumpkins.

37547 MA GOOSE - CINDERELLA Tiddy Ogg

True, she fled at the end of the dance,
And he hadn't got into her pants,
But there on the floor,
By the still swinging door,
Some dentures the prince found by chance.

37548 MA GOOSE - CINDERELLA Tiddy Ogg

I can hear you say "Ogg's round the twist.
He's obviously quite lost the gist."
But I've done my researches
In castles and churches,
And found what the others all missed.

37549 MA GOOSE - CINDERELLA Tiddy Ogg

So our princey's lost interest in tits,
And the other erogenous bits,
As he hunts north and south,
In a search for the mouth,
That the cheap plastic denture set fits.

37550 MA GOOSE - CINDERELLA Tiddy Ogg

So accompanied by several coppers,
Distributing candy gob-stoppers,
He tramps his domain,
Slowly turning insane,
Examining every tart's choppers.

37551 MA GOOSE - CINDERELLA Tiddy Ogg

I hope that this excess verbosity,
Will serve to increase curiosity,
As to the denouement,
But between you and me-ment,
I really could not give a tossity.

37552 MA GOOSE - CINDERELLA Tiddy Ogg

If you think that I've run to excess,
And remorsefulness I should express,
Well I say this: Hard cheese!
I can't you all please.
But now to the climax I'll press.

37553 MA GOOSE - CINDERELLA Tiddy Ogg

The prince now is getting so randy,
That his legs are going all bandy,
From the weight of his dong,
As he hobbles along,
But at last he does meet fair Miss Candy.

37554 MA GOOSE - CINDERELLA Tiddy Ogg

Of Cindy at first I did write,
But don't you go getting uptight.
You can just blame a typo,
And it's all very hypo-
Thetical which one is right.

37555 MA GOOSE - CINDERELLA Tiddy Ogg

The teeth fit. The prince is quite smitten.
"Take them out again now, my sweet kitten.
We'll go home to bed,
Then when you give me head,
There's no chance of me getting bitten."

37556 MA GOOSE - CINDERELLA Tiddy Ogg

Right, dear, it's not ladies they needs.
A female who'll taunt 'em and tease.
Just simper and coo,
Or maybe just Moo!
They're really quite easy to please!

37557 MA GOOSE - CINDERELLA Tiddy Ogg

Cinderella is feeling quite chipper --
After coming, the Prince likes to flip her
Up onto his chest,
So his lips, tightly pressed,
Can be felchingly slopping her dripper.

37558 MA GOOSE - CINDERELLA Hugh Clary

While reading of Prince Charming's munch,
My knickers got all in a bunch --
Feeling just a bit green
At the thought of that scene,
I came this close to losing my lunch.

37559 MA GOOSE - CINDERELLA Scott C

"Oh Prince, you're so charming and dapper!"
Said slipperless Cindy. "My flapper
Is now all a-quiver
Since you slurped that river
That flowed from my dripper to crapper.

Cinderella (so called 'cause she's sootiful),
To her stepmother always was dutiful.
She goes to the ball,
Let's her glass slipper fall,
Now a sole-kissing prince thinks she's beautiful.

37561 MA GOOSE - CINDERELLA

The foot fetish prince was quite chipper;
He'd found a tart fitting his slipper.
He kissed toes, then knees,
Then northward, yelled "Jeez!
This smells like a three-week-old kipper."

37562 MA GOOSE - CINDERELLA   Tiddy Ogg

Cinderella's protective buffoon
Gave Cindy a magic tampoon.
"But don't party too late
On your romantic date,
For it turns to a pumpkin at noon."

I'm Hickory Dickory Doc;
Well I was, but I'm not under lock
And key, for malpractice,
But why? Well the fact is
I poked all the girls with my cock.

37564 MA GOOSE - HICKORY DICKORY   Cyber Wizard

I'm Hickory Dickory Dyke;
Though female, it's girlies I like.
With them, I'm fulfilled-o,
With help from a dildo,
So fellow, please all take a hike.

37565 MA GOOSE - HICKORY DICKORY   Cyber Wizard

I'm Hickory Dickory Dick;
The gals like the size of my prick.
Until we try screwing,
At which time they're ruing,
They can't get it in; it's too thick.

I'm Hickory Dickory Duck;
And when I am down on my luck,
And can't find a drake,
Well then, I will make
It with roosters who're good for a fuck.

I'm Hickory Dickory Deke;
I stopped in the woods for a leak.
And while thus engaged,
An eagle, enraged,
Swooped and took off my dick with his beak.

I'm Hickory Dickory Duke;
That I have lots of sex is no fluke.
The girls that I ate
Just simply can't wait,
And submit with no sign of rebuke.

I'm Hickory Dickory Doke,
And it's virgins that I like to poke.
But I've stopped in the main,
Because of the pain;
The last time my pecker got broke.

Hey, Hickory Dickory Dude!
You're wonderfully lusty and lewd.
Please do it once more;
Do it more 'til you're sore
From being remarkably crude!

Enough of this Grandfather clockery!
No Hickory-Dickery-Dockery!
You games-playing mice
Had better think twice
Or prepare for some dodging of crockery!

Grandfather, you claim to be sick
Of our clock-running hickory shtick.
It is quite the reverse --
You should order your hearse,
If you do not stop mocking our trick!

Then Grandpa starts flicking his Bic
And waving his hickory stick.
"I'm much stronger than you!

The wee mouse said, "Aw, I been sick!"

And down he run,
Dragging sore balls and cock.

Hickory Dickery Dock,
A mouse ran away with a clock.
But his dong was a gong
Nearly twelve inches long;
When he used it, she went into shock!

Sing hickory, dickory, deg,
The mouse clawed its way up his leg;
The mystery's solved,
No clock was involved --
It nibbled the end of his peg.

Well, hickory, dickory, dock,
It seems I've a hole in my sock.

We've all heard of Little Jack Horner
And his feats with his thumb in the corner.
If I was his mom,
He'd of heard of wherefrom,
And become a small corner mourner.

37589 MA GOOSE - J HORNER   Azul

If I knew his ma, I would warn her,
Don't put your wee boy in a corner!
So you caught him abusing,
Left hand he was using.
Could this be why they call him Big Horner?

37590 MA GOOSE - J HORNER Jayne

Now Little Jack Horner, not dumb,
In the corner he pulled out his plum.
His father said, "Jack,
This scene takes me back
To when in my corner, I'd come."

37591 MA GOOSE - J HORNER Limericks Naughty & Gay

There's a problem for Mrs Jack Horner;
An interested person should warn her.
If Jack gets tumescent,
He'll give her a present
He got from the whore on the corner.

37592 MA GOOSE - J HORNER Arnie Schoenbrun P0208

We were tickled as hell to hear Gertie,
That frigid bitch, got it so dirty.
For Little Jack Horner
Got her trapped in a corner,
And fucked her from ten to five-thirty!

37593 MA GOOSE - J HORNER G0599

Alone in a corner, quite shy,
The Horner kid started to cry,
For his name wasn't Jack,
And he quite lacked the knack
For thumbing a plum from a pie.

37594 MA GOOSE - J HORNER Norm Storer P9605

Jack Horner, they say probed a pie,
With his thumb, for a plum, But "Oh My!
How the years will produce
A much better-placed use,
For his thumb," the young maidens all cry.

37595 MA GOOSE - J HORNER   Isaac Asimov

Alone in a corner, quite shy,
The Horner kid started to cry.
He'd fondled his plum,
And he started to come,
But then caught his thumb in his fly.

37596 MA GOOSE - J HORNER   Norm Storer   P9605

Little Jack Horner sat in a corner
Extracting cube roots of infinity;
An assignment for boys.
This will minimize noise
And produce a more peaceful vicinity.

37597 MA GOOSE - J HORNER

There was a young boy, Jack Horner,
Who played with his plums in the corner.
Said his father, "That's bad.
When I was a lad,
I preferred a massage at the sauna."

37598 MA GOOSE - J HORNER   Fiona Pitt-Kethley

There once was a painter named Warner,
Who painted himelf in a corner.
His mood, pederastic,
His appetite, drastic,
For pie, plum and Little Jack Horner.

37599 MA GOOSE - J HORNER   Ed Potts   P8503

To cure his bad manners, Ms. Horner
Told her son to go sit in the corner.
But as he passed by,
He snitched a plum pie,
Which he ate with his thumbs just to scorn her.

37600 MA GOOSE - J HORNER   Laurence Perrine   P8701

The Horner's son Jack was a nut,
He cornered himself in their hut.
They offered him pie,
To which he said "Why?
I've got my damn thumb up my butt!"

37601 MA GOOSE - J HORNER   Travis Brasell

Little Jack Horner's a prick.
Believe me, the guy makes me sick.
He never reached in a pie;
He reached in his FLY
And pulled out the world's smallest dick.
(I think he meant Little Jack Horner - McW)
37602 MA GOOSE - J HORNER   Pretty Grimm

Little Jack Horner sat in the corner
Happily pounding away.
Along came Miss Muffet,
Who decided to buff it,
Which blew all the cobwebs away.

37603 MA GOOSE - J HORNER   Steve Garlaounis

Old Mary Contrary caught Jack
Horner with thumb up his crack.
He pulled out his thumb,
And said wanna plumb?
And Mary laid down on her back.

37604 MA GOOSE - J HORNER   Jon Gearhart

So Jack got to goin' on Mary,
And he did not dawdle or tarry;
Got right to the humpin'
And I'll tell you sumpin':
His pumpin' sure wet Mary's hairy.

37605 MA GOOSE - J HORNER Jon Gearhart

Then Jill happened into the tale;
She came upon them with her pail.
Said Jill: "Let's go fill
This here pail on the hill."
Said Jack: "Nah, your pail's gettin' stale"

37606 MA GOOSE - J HORNER Jon Gearhart

Said Mary: "Come join in the fun,
For our orgy's only begun."
So Jill shed her knickers,
And Mary did lick hers,
While Jack kept on firin' his gun.

37607 MA GOOSE - J HORNER Jon Gearhart

Quite soon in came old Georgie Porgie,
To join in this fast growing orgie.
Then Little Boy Blue
Came and joined in, too,
And stuck his tongue in each gals' gorgie

37608 MA GOOSE - J HORNER Jon Gearhart

Then Little Miss Muffet arrived,
And on her Boy Blue quickly dived.
Then Little Bo Peep
Came in with her sheep,
And their orgy thrived and it thrived.

37609 MA GOOSE - J HORNER Jon Gearhart

Till Jack's mother, Goose, woke from slumber,
And came downstairs to this great number.
She screamed: "Get out now,
Before I show how
I beat little brats with hard lumber!"

37610 MA GOOSE - J HORNER Jon Gearhart

One day he took his right thumb,
And jammed it way up in his bum.
When he pulled it out,
His mother did shout,
"Don't eat that, Jack, that ain't a plum!"

37611 MA GOOSE - J HORNER Gearhart

A little guy named Jack Horner,
Sits around all day in a corner.
When mum caught him wanking,
She'd not give him a spanking;
She figured he'd like it, the porner.

37612 MA GOOSE - J HORNER Gearhart

As Horner tongued Mary's wet slash
She thought, 'Hey, he owes me some cash'.
So she cornered Horner,
Now Jack's just a mourner,
As she hacked his plums in a flash.

37613 MA GOOSE - J HORNER

If Jack were more nimble and quick,
He'd not have lost half of his dick.
If he had just paid her,
He'd still have it later,
But it was hacked off by that chick!

37614 MA GOOSE - J HORNER

Have a glance at that sly Jackie Horner,
Playing fierce pocket pool in the corner.
With finger and thumb
He pulls out his plum,
Boasting "Good for a spot on Time-Warner."

37615 MA GOOSE - J HORNER Armand E Singer P0102

Little Jack Horner sat in the corner,
Eating a nice hair pie.
He stuck in his thumb.
She said, "Are you dumb?
Let me know if you're ready to try!"

37616 MA GOOSE - J HORNER Richard Long

But what of poor little Jack Horner,
Who sits all alone in the corner,
With jealousy wracked
Of the others who've jacked,
Growing hourly more sad and forlorner.

37617 MA GOOSE - J HORNER Peter Wilkins

There was a young dolly named Warner
Who was trapped by a guy in a corner.
She looked mighty glum
When he stuck in his thumb
And asked, "Can it be you're Jack Horner?"

37618 MA GOOSE - J HORNER Grand Prix Lim 728

Little Jack Horny sat reading his porny,
Beating his meat with a sigh.
He gave a sharp cough
Which yanked his wang off;
He thought what a swell way to die.

37619 MA GOOSE - J HORNER Jhymn

Jack and Jill went up the hill
To fetch a pail of water.
Jack got down.
It's all over town,
How he screwed Jill and he taught her.

37620 MA GOOSE - JACK AND JILL   Richard Long

Young Jack and sweet Jill made the climb
As in that old nursery rhyme.
On the hill Jack then caught 'er
As Jill bent for the water;
What broke was her hymen this time.

37621 MA GOOSE - JACK AND JILL   Bob Birch   P0208

In Boston lived Jack, as did Jill,
Who gained mgh on a hill.
In their liquid pursuit,
Jill exclaimed with a hoot,
"I think we just climbed a landfill!"

37622 MA GOOSE - JACK AND JILL   David Morin

While noting "Oh, this is just grand,"
Jack tripped on some trash in the sand.
He changed his potential
To kinetic, torrential,
But not before grabbing Jill's hand.

37623 MA GOOSE - JACK AND JILL   David Morin

Jill said, "Jack, I suspected you'd fail."
Jack replied, "Jill, I beg you, don't rail.
I've had my fill
Of that dangerous hill,
And my broken crown's beyond the pale."

37624 MA GOOSE - JACK AND JILL   Loren Fitzhugh   P0101

Young Jack said to Jill on the hill.
"There's a hole in my bucket." Said Jill,
"Yes, I drilled it for you
'Cause I'm sick of your goo;
Use the pail if you're desperate to spill."

37625 MA GOOSE - JACK AND JILL

They climbed to the top of the hill,
Where young Jack lay on top of young Jill.
After humping a bit,
He just had to admit,
Fucking buckets was more of a thrill.

37626 MA GOOSE - JACK AND JILL

And Jill felt the same 'bout that number,
In the midst of it, dropped off to slumber.
When all's said and done,
She found it more fun,
When using a juicy cucumber.

37627 MA GOOSE - JACK AND JILL

The fact of the matter is, Jack
Had long wanted Jill on her back.
So he told her some tale
About filling a pail,
And then bungled this plan of attack.

37628 MA GOOSE - JACK AND JILL John Stanley

Jack and Jill went up the hill
To smoke some marijuana.
Jack got high,
Unzipped his fly,
But Jill said: "I don't wanna."

37629 MA GOOSE - JACK AND JILL Jim Weaver Collection

They say Jack and his best girlfriend Jill,
One nice day went climbing a hill.
If water they were after,
Then why all the laughter,
And how come Jill took her pill?

37630 MA GOOSE - JACK AND JILL Isaac Asimov

Young Jack and his ladyfriend Jill
Took a bucket and went up the hill.
She said, "Stop that laughter,
I know what you're after --
And you know just what you must fill."

37631 MA GOOSE - JACK AND JILL Norm Storer P9605

A story about Jack and Jill
After they fell down the hill.
Jack was dead,
His eulogy read,
And Jill was stuck with the bill.

37632 MA GOOSE - JACK AND JILL Jaymo Jamison T9711

Young Jack and his ladyfriend Jill
Took a bucket and went up of the hill.
He said, "I have brought her
To carry the water,
So I won't be blamed should it spill."

37633 MA GOOSE - JACK AND JILL Norm Storer P9605

One sunny day, Jack said to Jill,
"Hey, let's get a pail we can fill."
"Then", Jill said, "When done,
We can both have some fun,
And take a quick roll down the hill."

37634 MA GOOSE - JACK AND JILL EVELYN BOGEN P9604

Jack and Jill climbed that hill as they oughter;
They each had a buck and a quarter.
Jill came down with a laugh,
And two and a half;
They didn't go up there for water!

37635 MA GOOSE - JACK AND JILL John Miller 0047

Jack and Jill went up the hill,
And in the air there was a chill.
Her nips stood firm,
And she did squirm,
Then Jack her iron will did kill.

37636 MA GOOSE - JACK AND JILL OgniGioia

Jack and Jill sought out their thrill,
As Jill said, "Jack! You fit the bill!
But please confirm...
Conserve your sperm.
I'll love you for your pacing skill"

37637 MA GOOSE - JACK AND JILL OgniGioia

Jill thought, "Now that hill is a SCHLEP.
But I know young Jack has the pep
To help me with pail,
If he thinks that tail
Is reward for his gallant step."

37638 MA GOOSE - JACK AND JILL Chris Papa

I then fought with Jill for her Jack;
With her pail I gave her a sound smack.
She rolled down the hill,
While we had our fill
Of sweet loving till she stumbled back.

37639 MA GOOSE - JACK AND JILL Jeanie

A young couple by name Jack and Jill
Walked quickly up a steep hill.
When they got to the peak
They were both feeling weak,
They had to have a bloody big pill.

37640 MA GOOSE - JACK AND JILL Etio and Physio Lim P0206

"Jack and Jill," many cynics here say,
"Climbed the hill for a roll in the hay."
But that isn't true;
There wasn't a screw.
Jill said, "Let's," but dear Jack is quite gay.

37641 MA GOOSE - JACK AND JILL Arnie Schoenbrun P0208

Little Jack was a close friend of Jill.
She told him she was taking the pill.
It was then he taught her
To forget the water;
Spread her legs and then gave her a thrill.

37642 MA GOOSE - JACK AND JILL Tom Patton P0208

It's been nine months since Jack visited Jill,
Who lives way over the hill.
Jill did spill her water,
And birthed a daughter.
She's now on the birth control pill.

37643 MA GOOSE - JACK AND JILL Jillian

Poor Jill and her daughter now weep;
Jack's nowhere around now, that creep!
I've heard around town,
He's out running around
With that hussy, Little Bo Peep!

37644 MA GOOSE - JACK AND JILL Kaylin

Jack didn't get far with Bo Peep,
Once in bed there she went straight to sleep.
So in his frustration
To his ministrations,
He went out and buggered her sheep.

37645 MA GOOSE - JACK AND JILL   Tiddy Ogg

When Jack ran his tongue over Jill,
As she lay on her back, on the hill,
Abandoning shame,
She shrieked when she came;
Her bold exclamations were shrill.

37646 MA GOOSE - JACK AND JILL   Cap'n Bean   P0208

Jack and Jill went up the hill;
Both wanted a great big thrill.
Jack fell down
And broke Jill's crown.
Who will pay her dental bill.

37647 MA GOOSE - JACK AND JILL   Gearhart

Young Jack had a SOCKDOLAGER day,
When he and Jill climbed up to play,
And once at the top,
With no one to stop
Them, had a good roll in the hay.

37648 MA GOOSE - JACK AND JILL   Chris Papa

At the lake's edge they stood hand in hand;
From the hill-top the view it was grand.
The girl took the pail,
From her escorting male,
Dipped it into the water as planned.

37649 MA GOOSE - JACK AND JILL   Tiddy Ogg

She bends down, and up her skirt flies,
And Jack can't believe his young eyes.
That secret delight
Brings his dick to it's height,
And his hand reaches out for her thighs.

37650 MA GOOSE - JACK AND JILL Tiddy Ogg

That first verse was full of romance,
But now randy Jack takes his chance.
Without more ado,
Really wanting a screw,
That fellow pulls down Jilly's pants.

37651 MA GOOSE - JACK AND JILL Tiddy Ogg

He's seen it and now wants to fuck it;
He gropes at his zip but it's stuck; it
Won't free his pants,
And Jill takes her chance,
And hits the poor sap with the bucket.

37652 MA GOOSE - JACK AND JILL Tiddy Ogg

From his head now the blood was a-leaking;
Dumbfounded, he lay without speaking.
He just got a fumble,
And then had a tumble,
But not quite the kind he'd been seeking.

37653 MA GOOSE - JACK AND JILL Tiddy Ogg

Now Jill, as such young ladies often
Do, at his hard-on did soften.
She soon loosed his zip,
And on it did slip,
And soon they were happily boffin'.

37654 MA GOOSE - JACK AND JILL Tiddy Ogg

All afternoon he was up her;
Then they went to the chippie for supper.
Bought cod and french fries,
With vinegar, twice,
All tied in a brown paper wrapper.

37655 MA GOOSE - JACK AND JILL Tiddy Ogg

That vinegar Jill also used,
To clean up Jack's head - so contused.
'Twas a good antiseptic,
And quite contraceptic;
So with it her pussy she sluiced.

37656 MA GOOSE - JACK AND JILL Tiddy Ogg

So children, that must fill the bill.
That's the true tale of Jack and of Jill;
Thus pleasure and pain,
Are combined once again,
But they'll always remember the thrill.

37657 MA GOOSE - JACK AND JILL Tiddy Ogg

The story is old, but don't chuck it;
At least it's a tale 'bout a bucket
That's managed to go,
Nine verses or so,
Without that damned man from Nantucket.

37658 MA GOOSE - JACK AND JILL Tiddy Ogg

Jack and Jill went up the hill
And planned to do some kissing.
Jack made a pass
And grabbed her ass,
And now two of his front teeth are missing.

37659 MA GOOSE - JACK AND JILL

A woman named Jill, who was pretty,
Took her boyfriend named Jack, from the city,
To the top of the hill
In the cool evening's chill,
Where she warmed him up with some titty.

37660 MA GOOSE - JACK AND JILL Cap'n Bean P0208

Old Dame Dob had put Jill in a huff.
And so Jill told her Jack, "That's enough!
When I smell that old vinegar
I can tell that you've been with her.
The broad douches all day with the stuff."

There once was a little old Rat;
Built his house next door to a Cat.
Compassionate soul;
Adopted a Mole,
And rented to rooms to a Bat.

37671 MA GOOSE - MODERN Marlene

The Bat, who was slightly insane,
Refused to go out in the rain.
Just for pity's sake,
Rat hired a snake,
To ply the Bat with good champagne.

37672 MA GOOSE - MODERN Marlene

When tipsy, the rattle-brained Rat
Declared her mad love for the Cat.
The Snake and the Mole
Called her a clodpole,
Blind to the good care of the Rat.

Right when the Bat staggered next door,
The soft rain became a downpour.

Well prepared when the cyclone came through,

"Oz is nice," Dorothy said, "But who cares?
I miss watching my favorite players!"
When the wizard was able

37759 MA GOOSE - MODERN - OZ Larry Hollister

Young Dorothy blew a great fart;
The force tore the whole place apart.
At last down she landed
And found herself stranded,
So hunted for dick, the young tart.

37760 MA GOOSE - MODERN - OZ Tiddy Ogg

She came to a humble abode,
And into it straight way she strode.
She found a Chinese
And jumped on his knees,
And Dot on that yellow prick rode.

37761 MA GOOSE - MODERN - OZ Tiddy Ogg

But there little Dotty won't stay;
She wants for some new games to play.
So, flashing her titties,
Its Emerald City's,
The place where she fancies to stray.

37762 MA GOOSE - MODERN - OZ Tiddy Ogg

She first comes across a tin man,
And at him she flashes her fan.
He's feeling ambitious,
And she's so lubricious,
Her can-can shows Canman he can.

37763 MA GOOSE - MODERN - OZ Tiddy Ogg

Here now's the sad, mournful part:
Old Tinnie, he hasn't a heart.
She screamed: "When I saw yer,
Shoulda knowed you're a lawyer,
And none of your cash, you'll impart."

37764 MA GOOSE - MODERN - OZ Tiddy Ogg

So next she meets this bloke, Jack Straw,
Who says "Hark to me! I am the Law!
And you've got no right,

To do that 'round here any more."

37765 MA GOOSE - MODERN - OZ Tiddy Ogg

"I show zero tolerance on speed;
Go over the limit, I'll bleed

37770 MA GOOSE - MODERN - OZ Tiddy Ogg

This flea-bitten lion's a pain;
To rouse him our Dot tries in vain.
This impotent cat

37771 MA GOOSE - MODERN - OZ Tiddy Ogg

And on they go, cat and young broad;
She spends time in fucking a horde,
Of dumb munchkin midgets,
With very small widgets,
Which leave her exceptionally bored.

37772 MA GOOSE - MODERN - OZ Tiddy Ogg

The wizard's reached 'midst some confusion;
He tells them it's all been delusion.
He's simply a bawd,
Who's working a fraud,
And all life's a total illusion.

37773 MA GOOSE - MODERN - OZ Tiddy Ogg

This whole silly thing was a hoax,
He sends her home, after a poke.
She marries her brother
And soon is a mother.
So no more's to say. That's all folks.

37774 MA GOOSE - MODERN - OZ Tiddy Ogg

Dorothy would strip off her dress,
In the woods when in sexual stress.
She'd whistle and strut,

Dorothy said to the Tin Man, "I'm trusting

But mostly she likes all his lies.

37795 MA GOOSE - MODERN - PINOCCHIO Marty

A fetishist whore from Duluth
Who rode upon noses (uncouth!),
Met up with a bloke, ya know,
Whose name was Pinnochio,
But she hates it when he tells the truth.

37796 MA GOOSE - MODERN - PINOCCHIO Anon

Here's a story you kids will enjoy,
'Bout a mischievous hand-crafted toy,
Whose nose would extend
When he lied, to no end.
When he stopped, he became a real boy.

37797 MA GOOSE - MODERN - PINOCCHIO Anon

To be real was Pinocchio's desire;
Of this dream he never did tire.
But he knew he was wood,
When he bashed on his pud,
And set his poor pecker on fire.

37798 MA GOOSE - MODERN - PINOCCHIO Anon

Gepetto's house maid it is said,
Took Pinocchio into her bed.
And as he lay in repose,
She sat on his nose,
And said, "Tell some lies, wooden head!"

37799 MA GOOSE - MODERN - PINOCCHIO John Chastaine

Pinocchio's girl said, "I figure
To get my hand on your trigger.
For you have got wood,
Which is really good,
But now can you make it get bigger?

37800 MA GOOSE - MODERN - PINOCCHIO Tony Burrell

An ingenious old fucker named Hunt
Refined the Pinocchio stunt.
From behind on a lass,
With his nose up her ass,
He extended his tongue up her cunt.

37801 MA GOOSE - MODERN - PINOCCHIO Albin Chaplin   3024-0829

The old woodcarver's helper, Miss Fry,
Took Pinocchio aside on the sly,
Then she took off her clothes,
And she stuffed his big nose
In her cunt, and said, "Now tell a lie!"

37802 MA GOOSE - MODERN - PINOCCHIO Albin Chaplin   3024-0697

Pinocchio, the puppet of yore
Could please all his ladies galore,
'Cause unlike what's been heard,
When he spoke a false word,
It's not his nose that grew one inch or more.

37803 MA GOOSE - MODERN - PINOCCHIO Pilar

Pinocchio was offered cash
To fuck a poor girl with a rash.
She'd have been better off
To do her own trough;
The damned puppet, he splintered her gash.

37804 MA GOOSE - MODERN - PINOCCHIO That Guy

Those splinters were painful by rights;
She suffered for several nights.
But Pinocch' had it worse
For he suffered the curse
Of a serious case of termites.

37805 MA GOOSE - MODERN - PINOCCHIO Kasodrac

Pinocchio has lust and depravity,
But his situation has gravity.
Though he makes real wood
Like a young fellow should,
His girl friend, alas, has no cavity.

37806 MA GOOSE - MODERN - PINOCCHIO Tony Burrell

Said Gepetto to his puppet Pinocchio,
"How would you like to fly to Tokyo?
It's all up to you;
All you've to do
Is give my big dick a strokio!"

37807 MA GOOSE - MODERN - PINOCCHIO

Pinocchio gave his ring
To the sweet China doll, Mae Ling.
With a great deal of huffing,
He poked through her stuffing;
For her, love was a splintered thing.

37808 MA GOOSE - MODERN - PINOCCHIO Jim Weaver Collection

"Oh bother!" said Winnie the Pooh,
While running like hell for the loo;
"It can't be the hunny
That's making me runny;
It must be young Christopher's goo.

37809 MA GOOSE - MODERN - POOH BEAR Peter Wilkins

Said Christopher: "There's not an ounce
Of truth in that tale; when I pounce
On animals furry,
I'm oft in a hurry,
And Tigger's the one that I bounce."

37810 MA GOOSE - MODERN - POOH BEAR Peter Wilkins

I'd like poking Young Roo with my missle
And for Kanga, I'd come if she'd whistle.
But what sight is a bummer,
A miserable hummer
Is Eeyore with a mouthful of thistle.

37811 MA GOOSE - MODERN - POOH BEAR Scott C

Chris Robin and that ol' Pooh Bear
Have many adventures to share.
They visit Eeyore
Then Piglet and more
Friends in the woods that live there.

37812 MA GOOSE - MODERN - POOH BEAR

Hush, hush, and whisper who dares,
Christopher Robin's not saying his prayers.
There's a cat on the mat.
Hey, just fancy that!
And there's blood all the way up the stairs.

37813 MA GOOSE - MODERN - POOH BEAR Friar

"Oh, Bother!" Said Winnie the Pooh,
"My face is all covered with goo!
I said I would swallow,
But you didn't follow
Directions, young Chris Robin, you!"

37814 MA GOOSE - MODERN - POOH BEAR

For the past seven years or so, Hugh
Has dreamed about Winnie-the-Pooh.
He will wake with a scream;
Dreams no other dream;
Just think, this could happen to you.

37815 MA GOOSE - MODERN - POOH BEAR Henry Fitzgerald

Said Piglet to Kanga the 'roo,
"I'm achin' to give you a screw."
"Not now, for I'm knobbin'
Young Christopher Robin,"
Said Kanga, "Try Winnie the Pooh."

37816 MA GOOSE - MODERN - POOH BEAR Peter Wilkins

Pooh got himself stuck in a hole.
Least ways so the story is told.
But a tale that I heard,
From a foul little bird
Is the cause was the KY was old!

37817 MA GOOSE - MODERN - POOH BEAR Pjzabruin

Young Christopher Robin screwed Alice
Outside in the grounds of Buck Palace.
Along came the Queen
Feeling far from serene,
And said angrily, "Orf with his phallus!"

37818 MA GOOSE - MODERN - POOH BEAR

While Christopher Robin was saying
His prayers and Eyore was braying,
'Bout eating the grass,
I found his fine ass
And made him a neighbor for laying.

37819 MA GOOSE - MODERN - POOH BEAR

Oh yes, ol' poor Pooh Bear;
Wonder how he got that name there?
His mom took a dump
Out her bearly bare rump,
And left without giving a care.

37820 MA GOOSE - MODERN - POOH BEAR

Pooh hung with Christopher Robin,
Who left the forest one day just a hoppin'.
Pooh's face wore a grin
As he wiped off his chin,
For it was Robin's nob he'd been slobbin'.

37821 MA GOOSE - MODERN - POOH BEAR Anon

Chris Robin and that wicked Pooh Bear
Had many a humping and share
Of their old vaseline pot,
With the friends they have got
In the woods, and who also screw there.

37822 MA GOOSE - MODERN - POOH BEAR

When a boy, there was nothing so fair
As Winnie-the-Pooh in his lair.
I'd give all my money
For a pot of his honey,
So I second childhood could bear.

37823 MA GOOSE - MODERN - POOH BEAR Warrick Elrod

"Oh Piglet," said Winnie the Pooh,
"Our Tigger's come down with the flu.
Then he started to hop
And he just couldn't stop --
I think it's spring fever, don't you?"

37824 MA GOOSE - MODERN - POOH BEAR S. M. Polonsky

A little bear named Winnie-the-Pooh
One summer day had nothing to do.
So he took his money
And bought him some honey
But before he got home, he was through.

37825 MA GOOSE - MODERN - POOH BEAR Warrick Elrod

Of Winnie-the-Pooh I'm a fan
And I read all his stuff when I can.
But unless I have missed her,
There's surely no sister;
I thought I knew most of the clan.

37826 MA GOOSE - MODERN - POOH BEAR Peter W

Besides good old Winnie-the-Pooh,
There is Rabbit and Kanga and Roo,
Making eight, so I figure
With Eeyore and Tigger
And Piglet and Owl. Who are you?

37827 MA GOOSE - MODERN - POOH BEAR Peter W

But of course old Pooh Bear had a sister!
As a lad I caressed her and ...kissed her.
Till I learned girls were better --
If nothing else, wetter --
(Straw's scratchy; I can't say I missed her).

37828 MA GOOSE - MODERN - POOH BEAR John Miller

Whenever I needed, I fetched her
While Tigger would chase till he ketched her,
And Eeyore turned gloomy
When she got too roomy
After Tigger and I had both stretched her.

37829 MA GOOSE - MODERN - POOH BEAR John Miller

And of course there was Christopher Robin,
Good-natured and seldom seen sobbin',
After Pooh smeared her cunny
With warm gooey honey,
To help slip his hard little knob in.

37830 MA GOOSE - MODERN - POOH BEAR John Miller

The Owl had her up in his tree
In a foursome with Rabbit and me,
And I won't say what Roo
One time tried to do
With Piglet before he was three.

37831 MA GOOSE - MODERN - POOH BEAR John Miller

(A. A. Milne, I truly feel bad
After writing that stuff; what a cad!
But I'm glad that I did
What I did as a kid:
'Cause I WAS quite a perverted lad!)

37832 MA GOOSE - MODERN - POOH BEAR John Miller

It was bound to happen, they say;
Pooh was always too happy and gay.
Now Piglet is dead,
Tigger shot in the head,
'Cause Winnie went postal today.

37833 MA GOOSE - MODERN - POOH BEAR Mirrorq

Owl said to Kanga, "It's true,
It couldn't have been Rabbit or Roo.
It's Eeyore, I figure,
With Piglet and Tigger,
Who murdered poor Winnie-the-Pooh."

He's Popeye the backdoor man.
He'll enter when ever he can.
He likes the boys best
And eschews all the rest.
He's Popeye the backdoor man   (toot toot)

37835 MA GOOSE - MODERN - POPEYE   Jim Weaver Collection

Good ol' Popeye, the nautical man.
Gobbles green stuf right out of the can;
But Olive Oyl's silly
'Bout Big Bluto's willy;
For biceps she don't give a damn!

37836 MA GOOSE - MODERN - POPEYE

Each time Bluto left from the shore,
Popeye'd get so irritably sore.
What was the gist?
Why'd Popeye get pissed?
Bluto'd gone to Mt Olive once more.

37837 MA GOOSE - MODERN - POPEYE   Jon Gearhart

Good old Popeye, the nautical man,
Gobbles green stuff right from the can;
But Olive Oyl's silly
'Bout big Bluto's willie;
For biceps she don't give a damn!

37838 MA GOOSE - MODERN - POPEYE   Allen Wolverton

Feisty Popeye, the Alpha-Dog man,
Challenged Bluto without a game plan;
As the wiry old runt
Said: "Buzz off; she's my cunt!"
About then's when the shit hit the fan!

37839 MA GOOSE - MODERN - POPEYE   Allen Wolverton

He popped open that can; down the hatch!
But that spinach still made him no match;
Bluto, high on hashish,
Ground the runt into quiche;
A snack offering for sweet Olive's snatch!

37840 MA GOOSE - MODERN - POPEYE   Allen Wolverton

Such a gourmet delight, a la carte,
Drove poor Popeye from Olive Oyl's heart;
There in big Bluto's den;
She's content; now and then,
Olive raises her butt, cuts a fart!

37841 MA GOOSE - MODERN - POPEYE   Allen Wolverton

He's Popeye the bunghole man.
He likes when things go to plan.
He starts to gyrate,
When he's in the boys' gate.
He's Popeye the bunghole man.   (toot toot)

I'm Popeye the businessman.

For bunging's my option plan!   (boot scoot)

To Olive Oyl Popeye was not
As faithful as is often thought.
One day he embarked,
To have sex with a shark,
Who blew him, and took all he'd got.

37844 MA GOOSE - MODERN - POPEYE   Jim Weaver Collection

So your brown haired and six foot three?
And have muscles that'd make Popeye pee,
As you'd last many rounds,
With your 210 pounds,
And Olive would be glad of your 'tree'.

I'm Popeye the poop-hole man.

I'm Popeye the poop-hole man.

I'm Popeye the sailor man;
I live in a caravan,

Where I do my piddle.
I'm Popeye the Sailor man!

I'm Popeye the sailor man;
I live in a garbage can.
I never go swimmin
With bow-legged women.
I'm Popeye the sailor man.

37848 MA GOOSE - MODERN - POPEYE

Though Popeye had 'muskles' quite round,
When it came to women, I found
He'd tastes RECTILINEAR,
Olive Oyl, thinnier,
"Queen of the Toothpicks, well crowned.

37849 MA GOOSE - MODERN - POPEYE   Chris Papa

Popeye the sailor man,
He lived in a garbage can.
He turned on the gas
And blew up his ass,
And turbo-charged Olive Oyl's fan.

Sweet Pea is a mystery lad,
For no one is sure who's his dad.
Can Olive breast feed
When she's flat as a reed?
Is Popeye's reed ironclad?

37851 MA GOOSE - MODERN - POPEYE   Magyar

Olive Oyl has a hunger for guys;
Tried Brutus and Popeye for size.
But she found them skimpy,
So she turned to Wimpy.
Who'd guess his thing won first prize?

37852 MA GOOSE - MODERN - POPEYE   John Miller

Olive Oyl decided to stuff
Wimpy's thing inside of her muff.
It stood at attention
To give her injection,
And she found it not to be rough.

37853 MA GOOSE - MODERN - POPEYE   Arden

I'm Popeye the sailor man.
A fortnight I spent on the can.
My trunk-butt all red,
I slept in the head.
Thank God Olive brought me a fan!

37854 MA GOOSE - MODERN - POPEYE   H Whelchel

Popeye the sailor man,
Lived on the Isle of McCan.
The girls were so dirty
They lifted his shirty
And played with his watering can.

I'm Popeye the sailor man.
This isn't real spinach, it's bran.
In each episode
I almost explode --
I fight it as hard as I can.

37856 MA GOOSE - MODERN - POPEYE   H WHELCHEL

If of cartoon lore you are wise,
Try this mystery on for size.
When they ground their groins,
Was the fruit of Wimpy's loins,
Sweet Pea springing from Olive's thighs?

37857 MA GOOSE - MODERN - POPEYE   Hungarian

He's Randog the backdoor man;
He loves rooting 'round in the can.
When he sticks it in,
He gets packing again
And his date then needs lots more of bran.

37858 MA GOOSE - MODERN - POPEYE   Jon Gearhart

I'm Popeye the young rectum man.
I like my cock with a light tan.
Colored all over with poop
From a young boy's chute,
And then I lick them spic-n-span.

37859 MA GOOSE - MODERN - POPEYE   Saint

When Popeye, an impotent slob,
Decided that he'd do the job
And proceeded to make
A coed named Drake,
She said it was rough as a cob.

I'm Popeye the sailor man;
While at sea, my matey is Dan.
But a nude Olive Oyl
Brings my lust to a boil,
So I'll have her whenever I can!

37861 MA GOOSE - MODERN - POPEYE CM

Though spinach makes Popeye's arms swell,
It puffs up his percy as well.
This fiercesome erection
Passed Olive's inspection;
To Bluto she then bade farewell.

Old Frosty, he wants a good lay,
Right here on this very fine day.
But that hot blow job
Cost Frosty his knob;
Oh damn! It just melted away!

37865 MA GOOSE - MODERN - SNOWMEN   Azul

Now, Frosty is known for his snow balls;
An icicle down to his toe falls.
But in case he should party
With warm, loving Marty,
In minutes he'd prob'ly have no balls!

37866 MA GOOSE - MODERN - SNOWMEN

Marshmellows, I thought at first glance
But then I was given the chance
To read the small tag
On the little clear bag.
It said: "Snowman Poop, from Frosty's pants"

37867 MA GOOSE - MODERN - SNOWMEN

Shouted Frosty the Snowman, "Hooray!
I'm agog with excitement today!
And the reason, of course:
A reliable source
Said a snow-blower's headed this way!"

37868 MA GOOSE - MODERN - SNOWMEN

Frosty loves when the temperature falls,
He doesn't like summer at all.
And he never gets laid
Because he's afraid
The rising heat melts his snow balls!

37869 MA GOOSE - MODERN - SNOWMEN   Kaylin

Frosty the Snowman, a jolly old chap,
Wearing his scarf and his gloves and his cap.
But you better look out;
He's been all about;
He's likely to give you a dose of the clap.

37870 MA GOOSE - MODERN - SNOWMEN   Jayne

A snowman named Frosty Van Pelt
Would sleep where and whenever he felt.
One evening he chose
To curl up on the stove
And it caused the poor moron to melt.

37871 MA GOOSE - MODERN - SNOWMEN   Limb Rick

Confucious say: Frosty made of snow
He likes temperature 10 below.
When the sun comes out
You can here him shout,
"I'm melting, no, no, no, no, no!"

37872 MA GOOSE - MODERN - SNOWMEN

Frosty is known for his snow balls;
An icicle down to his toe falls,
But in case he should party
With warm loving Marty,
In minutes he'd probably have no balls.

37873 MA GOOSE - MODERN - SNOWMEN   John Miller

There once was a snowman named Fred,
Who had a bad cold in the head.
He wished it was hot
And not snowing a lot,
But once it was hot, he was dead.

37874 MA GOOSE - MODERN - SNOWMEN   Cath

There once was a snow-woman Brigid;
An ice-maiden, frosty and frigid.
She started to melt
And to drip as she felt
In her ice box, Fred's icicle rigid.

37875 MA GOOSE - MODERN - SNOWMEN   Peter Wilkins

It's been rumored this chilly activity
Was a scene cut from Christmas nativity.
For that pair made of snow
Almost did make the show,
But young Jesus despised promiscuity.

37876 MA GOOSE - MODERN - SNOWMEN   Cath

That eager young actor, Dean Cain
Worked too hard, and was feeling the strain.
When a friend said, "Lay Low,"
He replied "Well, you know,
Teri Hatcher's the Lois I've lain."

37877 MA GOOSE - MODERN - SUPERMAN   Larry Hollister

Superman's honest and moral;
He'll save lives or settle a quarrel.
When he's shot, never bleeding,
It must be the breeding,
So lets give the credit to Jor-el

37878 MA GOOSE - MODERN - SUPERMAN   Larry Hollister

Superman in his earlier days,
Before heroes had become the craze,
When his mother said, "Oy,
A profession, my boy,"
Got his start doing dental X-rays.

37879 MA GOOSE - MODERN - SUPERMAN   Arthur Deex   P9605

A well-known reporter, Clark Kent,
Had a simpering, mild-mannered bent.
But he grabbed Lois Lane
And then made it quite plain
What his cognomen, Superman, meant.

37880 MA GOOSE - MODERN - SUPERMAN   Isaac Asimov

Superman, who of course is a man,
Wonderwoman espied in a van,
With her legs opened wide,
So he stuck his inside,
Which surprised the invisible man.

37881 MA GOOSE - MODERN - SUPERMAN

So Jim Olsen the young cub reporter,
Having noticed Miss Lane was a sporter,
Dragged her into the closet,
Made a big sperm deposit,
And when finished he tipped her the quarter.

37882 MA GOOSE - MODERN - SUPERMAN

Said Superman quaffing a brew,
To Lois, "I'm staring at you."
Said Ms Lane, "Must you peer
At my front and my rear?"
"Lead knickers," he said, "I can't do."

37883 MA GOOSE - MODERN - SUPERMAN   Arthur Deex   P0104

Said Superman downing a scotch,
And adjusting his vision a notch,
"My attention, my dear,
Is on your brassiere -
Since your lead skivvies obscure your crotch."

37884 MA GOOSE - MODERN - SUPERMAN   Arthur Deex   P0104

There was a girl whose mouth was quite bent
Out of shape by a fellow named Kent.
He was a shy reporter,
Whose Clark Bar got shorter
As he cried out, "I simply can't vent!"

37885 MA GOOSE - MODERN - SUPERMAN   Bribelge

This lady, who called herself Lane,
Cried "Superman, oh please refrain!"
But Mister Jim Olsen
Chugged down a Molson,
And said, "Let him do it again!"

37886 MA GOOSE - MODERN - SUPERMAN   Bribelge

Before Miss Lane could eschew it,
Mr Kent continued to do it.
He hummed as he plumbed,
But nobody comed.
Said Lois, "Hey Super, you blew it."

37887 MA GOOSE - MODERN - SUPERMAN   Bribelge

If Clark here ain't Mister Right,
He's tried through the day and the night.
I'll find a sexual predator,
A prez or a senator,
Or maybe my editor, White.

37888 MA GOOSE - MODERN - SUPERMAN   Bribelge

Since White was too flaccid to face her,
He humbly decided to grace her
With his editor's pencil
(The tip was prehensile),
And fit with a jumbo eraser.

37889 MA GOOSE - MODERN - SUPERMAN   Bribelge

He started to probe and to dabble;
He played with her crotch-hairs like Scrabble.
Then as Jimmy was hopin',
She said, "Back lane is open,
For a carousing young rouser to rabble."

37890 MA GOOSE - MODERN - SUPERMAN   Bribelge

To make a short story longer,
The eraser got caught in her thonger.
When Jim came to play,
He rubbed the wrong way,
And gradually lost his ding-donger.

37891 MA GOOSE - MODERN - SUPERMAN   Bribelge

In the manner of Mr Lex Luthor,
I promise to tell the whole truth or
If I must lie,
At least I will try,
To be much couther than youth are.

37892 MA GOOSE - MODERN - SUPERMAN   Bribelge

The lesson to each manly churl
That wants to take Superman's girl?
If Lois Lane beckons,
Take no sloppy seconds
Or you'll live in a penis-less world.

37893 MA GOOSE - MODERN - SUPERMAN   Bribelge

If Clark here ain't Mister Right,
(He's tried through the day and the night)
I'll find a sexual predator --
A prez or senator --
Or maybe my editor, White.

37894 MA GOOSE - MODERN - SUPERMAN

Proud Superman from the phone booth
Raced skyward enroute to Duluth.
In a moment of jest
He mooned the Mid-West.
Kinky, and somewhat uncouth.

37895 MA GOOSE - MODERN - SUPERMAN   Martin Wellborn   P8407

Now you've got to feel sorry for Lex.
With no powers or special effects,
Every dastardly plan
From this poor crooked man,
Is a brainstorm that Superman wrecks.

37896 MA GOOSE - MODERN - SUPERMAN   Larry Hollister

Clark Kent says "There isn't much news
Since the crooks have been stopped in their shoes.
All this laying aroun'
Is getting me down,
And boy, could I sure use some cooze!"

37897 MA GOOSE - MODERN - SUPERMAN

Jimmy Olsen says "How 'bout it chief?
I've been thinkin' 'bout raisin' a beef.
I know I'm just a rookie,
But I could use some nookie;
This hard-on of mine needs relief!"

37898 MA GOOSE - MODERN - SUPERMAN

Perry White says to young Olsen, "Can it,
If you like working here at the planet.
When I ask for the wit
Of some-snot nosed young shit,
I'll check my brain in. They can scan it!"

37899 MA GOOSE - MODERN - SUPERMAN

Lois Lane says to Perry, "You tell 'em!
Their nuts are so full, I can smell 'em!
They've been trying to spear me,
But I won't let 'em near me!
You've got to do something to quell 'em!"

37900 MA GOOSE - MODERN - SUPERMAN

Perry white says, "I'll raise your pay, Lois,
If you'll lift up your skirt there and show us
That lovely pink snatch
With the small furry patch;
When you get us all hard, you can blow us."

37901 MA GOOSE - MODERN - SUPERMAN

Says Clark "That's a great idea, Perry.
Let's see if she still has her cherry.
Her hymen, it's possible,
Has remained uncrossable,
As for likely though, I'd say not very."

37902 MA GOOSE - MODERN - SUPERMAN

Lois lane said "Hey, Clark fucking Kent!
Why don't you, Jim and Perry get bent.
A kiss 'tween my cheeks
Is all you get, geeks.
It's for Superman, this pussy's meant!"

37903 MA GOOSE - MODERN - SUPERMAN

Said Clark "Allow me to appeal,"
Then he whipped out his pecker of steel.
Perry White gave a shout;
Jimmy Olsen passed out;
And all Lois could do was to squeal.

37904 MA GOOSE - MODERN - SUPERMAN

Well it didn't take long for Miss Lane
To give in and relieve all their pain.
But she saved her best hole
For the old super pole;
Looks like Supermans done it again!

37905 MA GOOSE - MODERN - SUPERMAN

Now we know what made him so "Super" --
Ol' Clark Kent made love like a trooper!
He drove Lois Lane
Damn nearly insane --
Left her in a love-sated stupor.......

37906 MA GOOSE - MODERN - SUPERMAN

As a kid, when we rode on the bus,
Deep questions we'd often discuss:
"Would it come off divine,
Or just blow out her spine,
If Superman did it with Lois?"

37907 MA GOOSE - MODERN - SUPERMAN   John Miller 0085

Superman's moves are the slowest
When it comes to seducing Miss Lois.
Would this work? Well it might,
"How about my crypt tonight?"
The reply "yes" would be apropo-est.

37908 MA GOOSE - MODERN - SUPERMAN   Larry Hollister

Though he's careful with money that's spent,
Turns out Supermman can't pay the rent.
Now the poor Man of Steel
Can't afford a square meal,
On the salary of lowly Clark Kent.

37909 MA GOOSE - MODERN - SUPERMAN   Larry Hollister

Maybe Merry and Pippin are cuter,
And it's obvious Gandalf's astuter,
But the guy on the quest
Is the one I like best.
I'm becoming a real frodo-Rooter.

37910 MA GOOSE - MODERN - TOLKEIN Larry Hollister

Down with Gandalf, the wizard of Shoreditch!
He gives gals who refuse him the itch;
And he works his low spells
On sex-shy young belles--
He is really a son of a bitch!

37911 MA GOOSE - MODERN - TOLKEIN G1955

Once during his long wandering,
A hobbit found a magic ring.
An object quite rare
And a pleasure to wear;
Who knew what great woe it would bring.

37912 MA GOOSE - MODERN - TOLKEIN Phil T

An Ent-wife of five thousand years
Was enthralled by a Hobbit named Piers.
This halfling, 'tis said,
Would shove in his head,
And vomit while wiggling his ears.

37913 MA GOOSE - MODERN - TOLKEIN G2652

This tale is, (once I'm in the groove,)
'Bout Bunter, so foreigners who've
Not heard of this lad --
Fat, cowardly, bad --
He's known as the Owl of [the] Remove.

37914 MA GOOSE - MODERN - TOLKEIN

This owl, after pussy, once sailed
To sea, but the engine soon failed.
He drifted ashore
"Oh cripes, crikey, lor',
I'm lost, cast away," the fool wailed.

37915 MA GOOSE - MODERN - TOLKEIN

"I'm out in the back of beyond!"
But there on the beach stood a blonde.
He gave her a smile:
"Hi, is this the Isle
Of Virgins? I've a throb in my wand."

37916 MA GOOSE - MODERN - TOLKEIN

The blonde, whose bra top was well filled-o,
Said " "No kid, until he was killed-o,
'Twas owned by old Tolkien,
Whose penis was brolkien,
Who made me a fine 'lectric dildo.

37917 MA GOOSE - MODERN - TOLKEIN

"It glowed fluorescent, was long,
As thick as the one on King Kong,
And looking quite nasal,
Was named by friend Hazel,
The Nose With The Luminous Dong."

37918 MA GOOSE - MODERN - TOLKEIN

Said Bunter, his voice going mumbly,
"I reckon you must be a Jumbly,
So take off your kit,
And let's have a bit
Of sexual rumbly-tumbly.

37919 MA GOOSE - MODERN - TOLKEIN

She asked "Can you match dildo Hobbit?"
He stripped."What's your name? Mr Bobbit?
But that inch or two
Will just have to do,
My dildo's gone, Hazel did rob it."

37920 MA GOOSE - MODERN - TOLKEIN

"The old boss, the Lord of the Rongs,
Made me a mechanical dong.
It's called Dildo Shaggins,
But the battery's flagging,
And I need me a man with a shlong."

37921 MA GOOSE - MODERN - TOLKEIN

So blondie then grabs Bunter's pobble,
But getting it in gives her trobble;
Gives up, starts a-whining:
"Let's try sixty-nining."
And both start to have a good gobble.

37922 MA GOOSE - MODERN - TOLKEIN

Just then from the edge of the channel,
Comes Hazel, who's fucking a spaniel,
Up to them she's walkien,
And thus-wise is tolkien:
"This dog'll do more than a man'll."

37923 MA GOOSE - MODERN - TOLKEIN

To cut then a long story short,
With these two our Bunter has sport.
They fair shag him out,
But he grows far less stout,
And's glad that he came to this port.

37924 MA GOOSE - MODERN - TOLKEIN

The moral: If you're out a-cruising,
Don't practice that dumb self-abusing;
You'll always find totty
When out on your yachty,
And that stuff you'll find more amusing.

37925 MA GOOSE - MODERN - TOLKEIN

I really like "Lord of the Rings."
In spite of the orcs, trolls, and things
That sneaked up in the dark,
Beyond Gandalf's wand's spark.
WOW! Guess what the next episode brings!

37926 MA GOOSE - MODERN - TOLKEIN   Willis Baddel

The title's a bore, that's the thing;
They need one with a little more zing.
"Look who's Tolkein" has worth;
"Battlefield Middle Earth"?
But I'm partial to "Dude, Where's My Ring?"

37927 MA GOOSE - MODERN - TOLKEIN   Larry Hollister

A "Good Time" to Barney and Fred,
Was to have Dino give 'em both head.
And to continue the revels,
Bugger Bam Bam and Pebbles,
While Wilma sucked Betty in bed!

37928 MA GOOSE - MODERN - TV   Jim Weaver Collection

Fred, I once thought you were built
Like a stegosaur. Now though you wilt,
To raise you's much trouble;
I'll see Barney Rubble;
He'll plunge his in up to the hilt.

37929 MA GOOSE - MODERN - TV   Frank Sfa

You have to give Freddie his due,
For each time she gives him a screw,
The neighbors would know
Because he would crow,
That crappy YABBA-DABBA-DOO.

37930 MA GOOSE - MODERN - TV Frank Sfa

One night he gave Wilma a shock
And shattered his famous bed rock.
To get out of trouble
He called Barney Rubble,
To finish the job with his cock.

37931 MA GOOSE - MODERN - TV Tiddy Ogg

Said Betty: "Your tongue, Barney Rubble,
Down there is so nice, but my nub'll
Get sore from your play, sir,
Invent please, the razor,
And stop shredding me with your stubble."

37932 MA GOOSE - MODERN - TV Tiddy Ogg

When it comes to the programs I've cursed,
"Barney" certainly ranks as the worst.
Still, the dork in the suit
Must have mountains of loot.
I just wish I had thought of it first!

37933 MA GOOSE - MODERN - TV Larry Hollister

"Where's his peepee?" she wondered dismayed,
Dressing Barney to take to first grade.
I explained, "He lookes neater
Without any peter."
She replied, "Well then how's he get laid?"

37934 MA GOOSE - MODERN - TV John Miller 0168

Barney, who TV created,
Has urges which cannot be sated.
His triceratops friend
Has no hole in her end,
Nor does he, the show is G-rated.

37935 MA GOOSE - MODERN - TV Actaeon

T-rex isn't quite the right species
For this creature my daughter of three sees.
Allosaurus? Not quite,
Crapodactyl sounds right,
'Cause his show smells distinctly like feces.

37936 MA GOOSE - MODERN - TV Larry Hollister

Barney, purple master of tedium,
Drives sane adults to delirium.
Spouting multi-cultural drivel,
He makes our brains shrivel,
With messages of oneness ad nauseum.

37937 MA GOOSE - MODERN - TV

I think that I'd like Barney more
If he'd act like a real carnivore.
Munching children with relish,
On a rampage so hellish,
It's something they'd call in the army for.

37938 MA GOOSE - MODERN - TV Larry Hollister

Dick Armee named Barney a fag;
As smooth as saluting the flag.
Whether slip or design,
It was less than benign,
And suggested his bent as a wag.

37939 MA GOOSE - MODERN - TV Jim Weaver Collection

On Sesame Street, it was late,
Burt and Ernie were concluding their date,
When Bert's hot erection,
Spewed the Paper Clip Collection,
Which made Ernie fuckin' irate!

37940 MA GOOSE - MODERN - TV Jim Weaver Collection

A Japanese girl in a sweat shirt
Tripped over her feet when she met Bert.
Ernie then chose to say
"What a wonderful day.
I'm so glad that she didn't get hurt."

Big Bird was playing with Snuffy...
Where his hairs are shorter and fluffy...
Strokin' with a yellow feather
Where ass comes together;
Till his dick, like his trunk, is quite puffy.

Jim Henson was caught in a flubber;
This pig he wanted to bugger.
So he snuck out at night,
But it didn't feel right.

What he was presented,
And no one resented
That Porky then licked the whole plate.

And soon a cute bird he did find.

So when Homer comes in with a bone,

A South Park kid named Kyle.

There was a young stripper named Jenny.
And of men she did have very many.
Her tits tumbled out
And then she did shout:
"Oh my God! They have just killed Kenny!"

37948 MA GOOSE - MODERN - TV Phil T

Remeber the girl named Miss Muffet
Who sat her ass down on a tuffet
And that creepy old spider,
He now flies a fighter,
And today blew Miss Muffet away!

37949 MA GOOSE - MUFFET

Miss Muffet was once chased away
By a spider who moved in to stay.
But where did she go,
Does anyone know?;
And where is Miss Muffet today?

37950 MA GOOSE - MUFFET Travis Brasell

Her whereabouts is very puzzling,
And plentiful rumors are buzzling
Throughout the dominion;
So what's your opinion;
Do you have some notions you're nuzzling?

37951 MA GOOSE - MUFFET Travis Brasell

Her parents, of course, are concerned,
And they for Miss Muffet have yearned
For her to this day,
To finish her whey
And curds, so please tell what you've learned.

37952 MA GOOSE - MUFFET Travis Brasell

Oh look, there she is, fast asleep,
Down among our old Tiddy's sheep.
If you don't wake her,
I guess he will take her
Along with her friend wee Bo Peep

37953 MA GOOSE - MUFFET Tony Burrell

Whatever is wrong with Miss Muffet
We cure with a poke up her tuffet;
But when she's asleep
We go after Bo Peep,
And if she's not around we just rough it.

37954 MA GOOSE - MUFFET Peter Wilkins

You remember that Little Miss Muffet,
The one with the tits and the tuffet?
I gave her my lar-
Gest Havana cigar;
She said, "Thanks", and proceeded to stuff it.

37955 MA GOOSE - MUFFET Sansuesi

Miss Muffit and Sadaam one day
Compared notes and this they did say:
"I know what you mean...
It's just too obscene!
To have all those Kurds in the way!"

37956 MA GOOSE - MUFFET Jim Weaver Collection

There was an old camper named Muffet,
Who had to make do with a tuffet;
Groused she, "I'm a fool
To squat on this stool:
I like to be comfy, not rough it!"

37957 MA GOOSE - MUFFET Armand E Singer 979

Little Miss Muffet sat of a tuffet,
Knickers all tattered and torn.
It wasn't the spider
That sat down beside her,
'Twas Little Boy Blue with a horn.

37958 MA GOOSE - MUFFET Geoff Tring

Miss Muffet loved all of her sheep
And rams were the ones she would keep.
If they were well hung,
She'd tickle their bung...
Oh Hell - that was little Bo-Peep.

37959 MA GOOSE - MUFFET Archie

While eating her curds and her whey,
Miss Muffett was once forced to weigh
The impact of a spider
Who had sat down beside her
To frighten her off on her way.

37960 MA GOOSE - MUFFET Arthur Deex P9112

Miss Muffet's not happy today,
As, whilst eating her curds and her whey,
There came down a spider
That soon got inside her,
And discovered vaginal decay!

37961 MA GOOSE - MUFFET Biro

There was a young person named Muffet,
Who sat spooning whey on a tuffet,
When a hairy arachnid,
In terms coarse and hackneyed,
Succinctly enjoined her to stuff it.

37962 MA GOOSE - MUFFET Anon

The inept young lass, Miss Muffet
Had further bad luck with her tuffet;
Some used-tuffet dealers
Decided to steal hers,
And now she must rent one or rough it.

37963 MA GOOSE - MUFFET Dean Walley P9007

There was a young maiden named Muffett
Who sat on a dildoform tuffett.
Along came a spider
Who offered to ride her,
But she sneered at the size of his stuffett.

37964 MA GOOSE - MUFFET G1289

Here's the true tale of Little Miss Muffet:
He came to the city to "tough it."
When an eight-legged spider
Took a bar-stool beside her,
She told the web-spinner, "Go stuff it!"

37965 MA GOOSE - MUFFET Laurence Perrine P8701

"As for screwing," said Little Miss Muffet,
"I proclaim here and now that I love it.
I defy the authority
Of the Moral Majority.
They can take all their preaching and stuff it."

37966 MA GOOSE - MUFFET Isaac Asimov

A neurotic young milkmaid called Muffet
Was seated one day on her tuffit.
Now a tuffit's a stool,
But 'stool' is not cool,
And it isn't a good rhyme for Muffet.

37967 MA GOOSE - MUFFET

Miss Muffet had not worked too hard;
I guess it was hot in the yard.
She'd made only curd,
Or that's what I heard.
She was eating and let down her guard.

37968 MA GOOSE - MUFFET

Now this handsome young spider, Arachnid,
Saw the seat and cute little gal kid.
In coming to call,
He rappelled down the wall,
Though he certainly had not been bid.

37969 MA GOOSE - MUFFET

He spread his eight legs by her side;
When she saw him her eyes opened wide.
She thought that the spider
Was hoping to ride 'er,
And a spider, she could not abide.

37970 MA GOOSE - MUFFET

She raced from the scene in distress,
Leaving curds and the whey in a mess.
The spider stayed calm;
At the mess with no arm.
He'd seen she had some on her dress.

37971 MA GOOSE - MUFFET

So he chased her to old Mother Hubbard's,
Who went off for a stick to her cupboards.
She found a great rod
And walloped the sod,
Who with rocks she often bombards.

37972 MA GOOSE - MUFFET

Now the handsome Arachnid's in court,
And a battle's about to be fought
'Twixt a good little gal
With her motherly pal,
And the curd-eating cad they did thwart.

37973 MA GOOSE - MUFFET

A militant daughter of Muffet
Chose to reclaim the family tuffet.
The bold plan of that kid
Was find the arachnid
And catch it and kill it and stuff it!

37974 MA GOOSE - MUFFET J. Patrick Adams

That old rhyme 'bout Miss Muffet, OK?
Simply just ain't the truth, as we say;
One horny Jack Spider
Sat down beside her --
What she ate wasn't curds, much less whey.

37975 MA GOOSE - MUFFET Armand E Singer P0102

I like being a spider, I do...
I'd rather have nothing in lieu
Of a juicy fly dinner,
(I'm an expert web-spinner)
Then make a Scots lass go "Boo-hoo"!

37976 MA GOOSE - MUFFET

Her Muffit she fondled so gay;
Jack Horner, he spider at play,
And stuck it in fast
In hopes it would last,
But plum shot his curds right a whey.

37977 MA GOOSE - MUFFET

Miss Muffet wasn't so little;
Her Tuffet was bony and brittle.
When along came a spider,
And settled beside her,
She covered the sucker with spittle.

37978 MA GOOSE - MUFFET Mushroom

Miss Muffet wasn't so little;
Her Tuffet was boney and brittle.
When along came the spider,
And settled besider her,
She covered it over in spittle.

37979 MA GOOSE - MUFFET

We remember sweet Little Miss Muffet
Who was sitting there right on her tuffet.
She was once heard to say
As she ate curds and whey,
"You can take all this garbage and stuff it."

37980 MA GOOSE - MUFFET Popsicle TP9806

Hear about little Miss Muffet,
That chick that sat on a tuffet?
Along came a spider
And sat down beside her
And he told her where she can stuff it.

37981 MA GOOSE - MUFFET

The following harrowing tale,
Concerning a predatory male,
May well cause distress
To the gals here unless
Her name I inscribe here in Braille.

37982 MA GOOSE - PIED PIPER Tiddy Ogg

"Now how are you going to do that?"
You yell," 'Cause my telly screen's flat."
I haven't gone bendy;
I'll christen her Wendy.
You'll just have to make do with that."

37983 MA GOOSE - PIED PIPER Tiddy Ogg

One evening young Wendy was playing
With two brats and sadly was saying:
"Those dicks are so small,
They're no use at all.
For a real man, I'd better be praying."

37984 MA GOOSE - PIED PIPER Tiddy Ogg

And such is the value of prayer,
That all at once, stood standing there,
A man, perhaps half goat,
With one hell of a choat,
That arose through his thick pubic hair.

37985 MA GOOSE - PIED PIPER Tiddy Ogg

This reprobate looked at the trio,
Said, "Come on, let's fly down to Rio.
The time is now ripe."
Whereon Wend grabs his pipe
And blows it, allegro con brio.

37986 MA GOOSE - PIED PIPER Tiddy Ogg

That pipe that before was so bendy,
Grows stiff at the sight of our Wendy.
Oh Hell! What a drag;
Cat's out of the bag.
Okay, so our tart's name is Wendy.

37987 MA GOOSE - PIED PIPER Tiddy Ogg

So now that she's lost anonymity,
That quality, like virginity,
Once lost for the first
Time, is never reversed,
Though you wait from today to infinity.

37988 MA GOOSE - PIED PIPER Tiddy Ogg

"Those brothers of yours seem quite witless.
For travel, I quite doubt their fitness.
But they'd better come,
Or they'll run to your mum,
And gee, I don't want any witness.

37989 MA GOOSE - PIED PIPER Tiddy Ogg

They jump in that dude's private jet;
Our Wendy's now horny and wet.
And up in the sky,
She joins the Mile-High
Club, on the route to Tibet.

37990 MA GOOSE - PIED PIPER Tiddy Ogg

He does though, a right turn to Cairo,
And meets in the souk his friend Spiro,
To whom he does sell
Those boys into Hell,
As their asses that pimp plies for hire-o.

37991 MA GOOSE - PIED PIPER Tiddy Ogg

You think that this tale's pretty sick?
Don't worry, revenge will come quick.
On a trip down the Nile,
A great crocodile
Chomps off that randy sod's prick.

37992 MA GOOSE - PIED PIPER Tiddy Ogg

So sans genitalia, he's ramblin',
Playing his pipes while he's amblin'.
He charms all the rats
And the villager's brats,
'Til he meets his demise up in Hamelin.

37993 MA GOOSE - PIED PIPER Tiddy Ogg

And what about Wendy Dar-lin?
The pope has forgiven her sin.
Her body's for hire
To the Vatican choir...
Wendy -- saints go marchin' in.

37994 MA GOOSE - PIED PIPER Tiddy Ogg

Having rid Hamlein town of its vermin,
And been tricked by a noddy in ermine,
He lured girls and boys,
With his pipes pleasant noise.
Where they went, not a soul can determine.

37995 MA GOOSE - PIED PIPER   Ted Thompson

In Hamlein the Pied Piper tooted
And into the river rats routed.
When the town wouldn't pay,
Of children, next day,
The town then became destituted.

37996 MA GOOSE - PIED PIPER   Irving Superior   P9403

Forthcoming, some very mixed prose,
On nursery rhymes I have chose.
About bears and pigs,
And a girl seen in wigs,
And so, this is how it goes...

37997 MA GOOSE - RED RIDING   Sandman

A wolf asked if he could be able
To join the three bears at their table.
But unless I'm mistaken,
The chairs were all taken,
And this guy was in the wrong fable!

37998 MA GOOSE - RED RIDING   Sandman

So he set off in search of his tale;
Convinced of his task, he'd not fail.
Three pigs would be good,
But Red Riding Hood
Would he like for his dinner (with ale).

37999 MA GOOSE - RED RIDING   Sandman

He went looking for a house made of straw,
But was amazed at what eventually he saw;
A lady of the night,
Quite a pretty young site,
Red Riding Hood had turned into a whore!

38000 MA GOOSE - RED RIDING Sandman

She prefers to be called madam or lady,
In a trade that is ever so shady.
No more does she roam,
For France is her home,
And she's now known simply as Sadie.

38001 MA GOOSE - RED RIDING Sandman

The wolf, he did think it his duty
To rescue the voluptuous beauty
Away from this vice,
Would be very nice,
And stop others from touching her booty.

38002 MA GOOSE - RED RIDING Sandman

But alas, the moment he did see her,
He wanted to 'know her' to free her.
He accepted her advances,
And suggestive glaces,
Now all he's got is gonorrhea.

38003 MA GOOSE - RED RIDING Sandman

To the wolf said Miss Hood, "I do fear
That your tongue is so long it looks queer."
Said the wolf, "You will find
That it causes no bind.
It is better to eat you, my dear."

38004 MA GOOSE - RED RIDING Al Chaplin P0304

Little Red Riding Hood met bad luck
When out of the blue, the wolf struck.
"I will eat you, " he said,
Which upset Little Red,
"What's the matter, does nobody fuck?"

38005 MA GOOSE - RED RIDING   Al Chaplin   P9702

"Whatcha doin' up there in that bed?"
Mama Hood one day shouted to Red.
"Put down that vibrator,
And take these potaters
To Grannie, she's got to be fed."

38006 MA GOOSE - RED RIDING   Tiddy Ogg

So Red tumbles out of her bunk;
Having been on the gin, she's quite drunk.
But her car is a-waiting,
So without hesitating,
She throws the spud sack in the trunk.

38007 MA GOOSE - RED RIDING   Tiddy Ogg

So she's off in her Lotus Elite,
And weaves her mad way down the street.
But the road's swaying so,
And the next thing we know,
A lamp post she happens to meet.

38008 MA GOOSE - RED RIDING   Tiddy Ogg

So while she just sits there and sags,
A cop car comes up the main drag.
Out gets Mister Fuzz,
And the way that he does,
Says "Honey, blow into this bag."

38009 MA GOOSE - RED RIDING   Tiddy Ogg

But now she's recovered her wits,
Pulls her bodice down, flashes her tits.
"Let me off with a caution,
And I'll give you a portion,"
Grabs his dick, "Yeah, I bet this thing fits."

38010 MA GOOSE - RED RIDING   Tiddy Ogg

So off she goes to the outback,
To her granny's old tumbledown shack,
On an erratic route,
With the cop in pursuit,
Till she stops and removes the old sack.

38011 MA GOOSE - RED RIDING   Tiddy Ogg

"That don't look like spuds in that stash,"
Says the cop. "Yes it is - Instant mash",
Says Red, very canny,
'Cause she knows dear old granny,
Is a dealer, and the sack's full of hash.

38012 MA GOOSE - RED RIDING   Tiddy Ogg

So Officer Wolf and young Red,
Go inside, but there's no-one in bed.
For granny's no fool,
And keeping her cool,
Out the back door she has fled.

38013 MA GOOSE - RED RIDING   Tiddy Ogg

"Get your kit off then, big boy," says Red.
"We'll have fun on old granny's big bed."
And after a space
In Red's panties of lace,
That cop like an eagle is spread.

38014 MA GOOSE - RED RIDING   Tiddy Ogg

Whilst high above up on the roof,
A video camera gives proof
Of couplings lascivious,
Which he thinks are so frivolous,
Which will compromise Officer Wolf.

38015 MA GOOSE - RED RIDING Tiddy Ogg

Now Red and her granny are fair,
They give him a reasonable share,
Of their profits illicit.
But the threat is implicit,
Bent coppers must act with due care.

38016 MA GOOSE - RED RIDING Tiddy Ogg

So the moral: as usual, man's penis
Seduced by the sweet mound of Venus,
From time beyond measure,
For a few minutes pleasure,
A gal makes a fool of a genius.

38017 MA GOOSE - RED RIDING Tiddy Ogg

Now I stress that I'm just the reporter,
In this saga of gran and grand daughter.
And if you're offered hash
For a wad of hard cash,
I can only say you didn't oughter.

38018 MA GOOSE - RED RIDING Tiddy Ogg

The Wolf caught Little Red where she skipped.
"Gonna rape you!" he joyfully quipped.
"Nuh-uh," said our Red,
"You'll eat me instead,
In this limerick, you follow the script!"

38019 MA GOOSE - RED RIDING John Miller 0109

Once Little Red Riding Hood said
"As my Granny's sick and in bed,
With some nasty flu,
I'll visit her to
Make certain the old bat isn't dead!

38020 MA GOOSE - RED RIDING   Marlene Lewis

But Little Red's motives aren't pure;
She had heard of Sir Wolf's great allure.
So, hot for his bod,
The wood's path she trod,
Just hoping he'd find her for sure.

38021 MA GOOSE - RED RIDING   Marlene Lewis

Say, didn't we start out this day
With you in bed, swollen this way?
If I'm a good
Red Riding Hood,
Will the Big Bad Wolf let me stay?

38022 MA GOOSE - RED RIDING   Jim Weaver Collection

Said the wolf to Miss Hood, "It's a bore,
But I'll just have to eat you -- what gore!"
"Damn it" (stamping her feet),
She exclaimed, "Eat, eat, eat!
Doesn't anyone fuck any more?"

38023 MA GOOSE - RED RIDING   Ward Marden 0002   P9702

When the wolf told her what lay in store,
Red Riding Hood let out a roar:
"You're planning to eat me?
That's no way to treat me! --
Don't wolves ever fuck anymore?"

38024 MA GOOSE - RED RIDING   Norm Storer   P9806

Little Red Riding Hood, nee Mame Krause,
Dressed in Cardinal cape and pink blouse,
Gave the brave Woodsman hell,
When he smote with death knell,
Villian Wolf. She screamed, "Not in the house."

38025 MA GOOSE - RED RIDING   Loren Fitzhugh   P0309

While walking to Granny's she found 'im,
And went off in the woods to pound 'im.
Sir Wolf made her cream
More than she'd ever dreamed,
And her tight virgin hole did astound 'im.

38026 MA GOOSE - RED RIDING

She looked at Sir Wolf in surprise
She swooned at his great big brown eyes
But the thing she liked best
[And what really impressed]
Was that tongue of such monsterous size

38027 MA GOOSE - RED RIDING

"I think it is clear," Sir Wolf said
"The women adore me in bed.
I've heard of the bard
Pete and his yard
But they'd rather I eat 'em instead!"

38028 MA GOOSE - RED RIDING

Said Red Riding Hood, "Really my dear!"
As she tossed the wolf out on his ear,
"You just want to eat me,
But that's no way to treat me!
Doesn't anyone fuck around here?"

38029 MA GOOSE - RED RIDING   Robin K. Willoughby P8701

Through the woods young Red Riding Hood skipped,
Till the wolf in his jaws had her gripped.
"Now I'll fuck you," he said.
"Nothing doing," said Red,
"Just eat me and stick to the script."

38030 MA GOOSE - RED RIDING   Bob Giandomenico   P8801

"Hmmm, you taste so good."
Said the wolf to Red Riding Hood.
But Red Riding Hood said.
As she gave the wolf head,
"Eat! Eat! Eat! I'd just like to fuck if we could!"

38031 MA GOOSE - RED RIDING   Limberick

A virginal maiden named Hood
Met a flashy young wolf in the wood,
Though she'd said she would die
Undefiled, ere comply,
She gave in when she saw how things stood.

38032 MA GOOSE - RED RIDING

Look out, Little Red Riding-Hood!
The Big Bad Wolf's up to no good --
He gobbles old crones,
And he'll jump your bones,
So stay the hell out of the woods!

38033 MA GOOSE - RED RIDING   Robin K. Willoughby P8701

There once was a girl with red hoods,
Took goodies to Granny through woods.
Wolf took Granny's place,
But she knew that face
Wasn't Granny's and was simply BAD GOODS!

38034 MA GOOSE - RED RIDING   Lois Walker

The wolf, disguised in grandma's gown,
Had followed Red when she left town.
With motives corrupt
"I'll now eat her up,
But first," he drooled, "I'll eat her down."

38035 MA GOOSE - RED RIDING   Irving Superior   P8701

That Little Red Riding Hood slut
Needed a dick up her butt.
When the wolf had her anally,
She moaned so insane-ally,
Like some kind of fairy-tale nut!

38036 MA GOOSE - RED RIDING   Pretty Grimm

The wolf did a kind of a jig,
And dressed himself up in a wig.
Red Riding Hood said,
When he'd got her to bed,
"What you've got just seems awfully big."

38037 MA GOOSE - RED RIDING   Silvia S Crockett   P0104

Snow White is the fairest I've seen,"
The wall mirror said to the queen.
But an apple one day,
Put poor Snow White away,
Till the prince kissed her back into being!

38038 MA GOOSE - SNOW WHITE   Lois Walker

In the fabulous land they call Disney,
There's a dwarf who's all shriveled and wizney,
'Cause from morning till night
He's out making snow White --
He's a lucky old ding-a-ling, isney?

38039 MA GOOSE - SNOW WHITE   Hugh Oliver   A019C

A fairy tale that's called Snow White,
Never hid her fair limbs from dwarf's sight.
So the buxom young maid --
Though too big to be laid --
Got as oft Seven Up as she might.

38040 MA GOOSE - SNOW WHITE Marnix van Winkeln

Six dwarfs strolled up to the mine,
But Grumpy just bided his time.
He had serious lust
For Snow White's fair bust,
And that will make a fine nursery rhyme.

38041 MA GOOSE - SNOW WHITE John Henry

Snow White told him, "Bugger off, Pappy;
Your tool is too old, knarled, and crappy.
Go back to your work,
You miserable jerk,
While I lie her feeling Happy."

38042 MA GOOSE - SNOW WHITE Tiddy Ogg

Snow White was a bit of a whore,
She'd do it with all seven dwarves.
Straight, anal, or head;
Even eight in a bed,
On the sofa, the table, or floor.

38043 MA GOOSE - SNOW WHITE Tiddy Ogg

With seven dwarves she shacked up,
One dwarf each night got it up.
Dopey wasn't too bright,
But he'd do it all night,
As he wasn't to dopey to fuck.

38044 MA GOOSE - SNOW WHITE Tiddy Ogg

Even Bashful wasn't too shy,
And got quite a gleam in his eye.
All week he mined gems,
Till his turn came again,
The following Saturday night.

38045 MA GOOSE - SNOW WHITE   Tiddy Ogg

On Sunday night Snow White had Doc,
With huge disproportionate cock.
For the rest of the week
He did it with sheep,
But preferred her to shagging the flock.

38046 MA GOOSE - SNOW WHITE   Tiddy Ogg

The following day she got Grumpy,
His turn came around every Monday.
And just for that while,
He broke into a smile,
Not grumpy while having a hump, eh?

38047 MA GOOSE - SNOW WHITE   Tiddy Ogg

She found it especially pleasing
When she was shagging with Sneezy.
He coughed and he sniffled
And his beard really tickled,
But she wasn't deterred by his wheezing.

38048 MA GOOSE - SNOW WHITE   Tiddy Ogg

Sleepy was a narcoleptic,
Shagging sent him cataleptic.
Snow White asked for more
But Sleepy just snored,
Or fainted when things got too hectic.

38049 MA GOOSE - SNOW WHITE   Tiddy Ogg

Happy was good for a laugh;
Missed her cunt and entered her ass.
He attacked from behind,
But she didn't mind,
As long as he gave her full blast.

38050 MA GOOSE - SNOW WHITE Tiddy Ogg

She thought seven-up was alright,
That is all seven dwarves up Snow White.
Night time or day,
She'd do it this way;
All at once, or one at a time.

38051 MA GOOSE - SNOW WHITE Tiddy Ogg

Though the stench was enough to kill ya',
They also enjoyed necrophilia.
All the hugging and kissing
And foreplay was missing,
And no qualms about if they'd fulfill her.

38052 MA GOOSE - SNOW WHITE Tiddy Ogg

It was the best way they could have her,
As she lay inert like a cadaver.
On her back or her front,
Us mouth, anus, or cunt,
With none of the warm-up palaver.

38053 MA GOOSE - SNOW WHITE Tiddy Ogg

They built a glass case, put her in,
But took her out every night just for sin.
Place her down on her bed,
Where she lay as if dead,
Then the seven would queue to get in.

38054 MA GOOSE - SNOW WHITE Tiddy Ogg

One day as she lay in her case,
Prince Charming he rode through that place.
The chap held his breath
And awoke her from death,
With a kiss on her cunt, not her face.

38055 MA GOOSE - SNOW WHITE   Tiddy Ogg

Prince Charming said "I am not braggin',
But if you want a chap good at shaggin',
I'm heir to a throne,
If I don't get disowned,
'Cause I'm fed up with hunting down dragon."

38056 MA GOOSE - SNOW WHITE   Tiddy Ogg

When by his kiss she was wakened,
The dwarves knew they would be forsaken.
It wasn't their size
That lost them their prize,
Nor the fact they were tired of her nagging.

38057 MA GOOSE - SNOW WHITE   Tiddy Ogg

Snow White would be missed, she was sure,
Though she still felt peculiarly sore.
Then it entered her head
That while she lay almost dead,
Those buggers had come back for more.

38058 MA GOOSE - SNOW WHITE   Tiddy Ogg

The Prince took her back to his castle;
She thought he was a daft asshole.
He'd fly into rages
And bugger his pages,
And his dick, unlike Doc's, wasn't vast, Oh!

38059 MA GOOSE - SNOW WHITE   Tiddy Ogg

Although they'd a mine full of gems,
Snow White one day would leave them.
That ambitious bitch
Wanted land, marriage and riches,
Instead of seven small horny men.

38060 MA GOOSE - SNOW WHITE Tiddy Ogg

When she left them, Doc started to weep,
As the prince carried her off to his keep.
Said Doc, "Bloody Hell!
I admit she was swell,
But it's Hi Ho and back to my sheep."

38061 MA GOOSE - SNOW WHITE Tiddy Ogg

Said Bashful "I'll miss her I fear,
It's sad not having her here.
Call me a pervert,
I must now revert
And shag squirrels and bugger the deer."

38062 MA GOOSE - SNOW WHITE Tiddy Ogg

Dopey looked forlorn and glum,
And said nothing other than "Um."
Her aroma still lingered
On all of his fingers,
So he stood there and sucked at his thumb.

38063 MA GOOSE - SNOW WHITE Tiddy Ogg

Sneezy just broke down and wept,
Sleepy -- he passed out and slept.
Happy started to frown,
Feeling quite sad and down,
And Grumpy looked pissed off at best.

38064 MA GOOSE - SNOW WHITE Tiddy Ogg

The seven dwarves don't have Snow White,
To set their libido alight.
The prince kissed her and charmed
Her right out of their arms.
So they bugger each other at night.

38065 MA GOOSE - SNOW WHITE Tiddy Ogg

Snow White took on seven small men
Who continued their love even when
After entering coma,
She gained an aroma
That was one on a scale one to ten.

38066 MA GOOSE - SNOW WHITE John Miller 0111

They built a glass case, put her in;
Took her out now and then, just for sin.
But from death she arose
When (with cold in his nose)
Prince Charming embraced her within.

38067 MA GOOSE - SNOW WHITE John Miller 0111a

She left them, all seven, to weep,
When the Prince took her off to his keep.
But said Grumpy, "Oh Hell,
I admit it was swell,
But now 'Hi Ho', and back to the sheep."

38068 MA GOOSE - SNOW WHITE John Miller 0111b

There was a young princess, Snow White,
Who awoke with a terrible fright.
She was fearful and shaken;
She shouldn't have taken
That seven up, last thing at night.

38069 MA GOOSE - SNOW WHITE Gerard Benson

Philandering a pixie is banned,
But if you must have sex in the sand,
Try arousing Snow White
From her slumber tonight;
Then you're sure to get your peter panned!

38070 MA GOOSE - SNOW WHITE

Snow White was a lucky old bitch;
Had dwarves to scratch every itch.
Sinful and Naughty
And Wetty and Hotty;
And when they got tired, they would switch.

38071 MA GOOSE - SNOW WHITE

Now none was too largely endowed,
But Snow carried on being wowed.
Which proves the chatter
That size doesn't matter,
Except, of course, when you are cowed.

38072 MA GOOSE - SNOW WHITE

Said the dwarfs to their friend Snow White,
"We want to gang bang you tonight!"
(Said she) "Well, let's see,
Seven of you, one of me!
I guess it would be alright!"

38073 MA GOOSE - SNOW WHITE

Happy was the first to begin;
He stuck his dick in with a grin.
He stroked in and out,
Finally did spout,
And shot his load all over her chin!

38074 MA GOOSE - SNOW WHITE

The next dwarf in line was Doc;
She then gently straddled his cock.
Up and down she did bounce,
Then swallowed each ounce
Of his hot, molten, gelatinous schlock!

38075 MA GOOSE - SNOW WHITE

The third dwarf to bang her was Sneezy;
Needless to say, conditions were breezy.
In his own funny way
He was a good lay;
But, when finished, he was tired and wheezy.

38076 MA GOOSE - SNOW WHITE

The fourth dwarf to mount her was Grumpy;
Who was just in the mood for a humpy.
He did her with style,
On her face put a smile,
And covered her with jism that was lumpy.

38077 MA GOOSE - SNOW WHITE

The next one to fuck her was Bashful,
Who claims he was brought up in Nashville.
When she saw his bit,
She damn near did shit,
And knew she was in for a gashful!

38078 MA GOOSE - SNOW WHITE

The sixth dwarf to pork her was Sleepy,
But first he had to go peepy.
Then performed a great stunt;
Licked her ass, fucked her cunt.
The whole thing was really quite creepy!

38079 MA GOOSE - SNOW WHITE

Dopey was the last dwarf to do her,
But he had no clue how to screw her.
He got coaching from Doc
In control of his cock,
But he damn near stuck it right through her!

38080 MA GOOSE - SNOW WHITE

Snow white was sore and content
After being fucked by seven small gents.
But when she arose
To put on her clothes,
She was all alone, they all went!

38081 MA GOOSE - SNOW WHITE

Every cloud has a silvery streak,
When the mirror so plainly doth speak,
That Snow White is most cute.
Her survival is moot...
But forget castle scrubbing technique.

38082 MA GOOSE - SNOW WHITE   Prof M-G   TP9806

The Prince, with an ardor intense,
Kept assailing young Snow White's defense.
When at last she was racked,
He found her intact,
Though her cherry had seven small dents.

38083 MA GOOSE - SNOW WHITE

These seven midgets stood behind
Me in the unemployment line,
And sadly sang, "Heigh Ho,
It's not to work we go."
And when I asked, said "Walt is fine."

38084 MA GOOSE - SNOW WHITE   Irving Superior   P8701

Snow White had two dwarves up her nose,
With a pair in her ears and the hose
Of the fifth in her mouth,
And the others down south;
So that covers all holes I suppose.

38085 MA GOOSE - SNOW WHITE

Among dwarfs who serviced Snow White
Was one who was not very bright.
But when it was done,
The SOMNOLENT one
Got cheated and slept through the night.

38086 MA GOOSE - SNOW WHITE Chris Papa

Handsome and Beauty are drunk;
Beauty sure smells like a skunk.
In a casket of glass,
She's been sweatin' her ass
Off. She needs some soap and a dunk.

38087 MA GOOSE - SNOW WHITE Jim Weaver Collection

I'm one of just seven small men,
Who kept a dead maid in our den.
This quail under glass
Was a poor piece of ass,
But I had her again and again!

38088 MA GOOSE - SNOW WHITE

"Shall I kiss this sleeping young lass,
Or else let the next Prince who'll pass?
Though pretty is she,
What's bothering me--
Those seven small houseguests she has."

38089 MA GOOSE - SNOW WHITE Irving Superior P9307

STERNUTATION, a weird name of sorts,
For one engageed in sneezing sports,
The classic is found,
You you'll look around
For one of Snow White's wee cohorts.

38090 MA GOOSE - SNOW WHITE Chris Papa

One morning, a handsome young frog,
Was singing with joy in the bog,
When his song short was cut
By a randy young slut,
Who carried him home at a jog.

38091 MA GOOSE - ZSERIES Tiddy Ogg

And now, her own doubts to convince,
She did something she's never done since.
That frog she now kissed;
With a flash and a mist,
In the loo stood an ugly old prince.

38092 MA GOOSE - ZSERIES Tiddy Ogg

And now she has washday-red hands;
She's scrubbing those pots and those pans.
She's sweeping the foor,
And acts like a whore,
As the slave of that evil old man.

38093 MA GOOSE - ZSERIES Tiddy Ogg

Now she knows that she's been a fool;
Should have left the frog in his pool.
As she washes the dishes,
She fervently wishes
To be a fairy astride a toads tool.

38094 MA GOOSE - ZSERIES Tiddy Ogg

Testudinate fable we share,
About an event very rare,
'Bout lumbering bugger,
A persistant plugger,
Who always beats dawdling hare.

38095 MA GOOSE - ZSERIES Chris Papa

It says race goes to slow, steady;
If believed, then you may be ready
For bridge that I sell
And other deals swell,
With promise of much delights, heady.

38096 MA GOOSE - ZSERIES Chris Papa

Mother Hubbard in search of a bone
Heard Rover, her hungry dog, groan.
The top cupboard was bare;
Not one bone in there;
If there was one, it would be alone!

38097 MA GOOSE - ZSERIES R F Bardsley

Bending, she looked for a bone;
Lower cupboard it was the bone's home.
An idea got Rover
While mother bent over,
'Cause Rover'd a bone of his own.

38098 MA GOOSE - ZSERIES R F Bardsley

Mother Hubbard was sore for a while,
And scared she would bear Rover's child.
She thought of a doctor,
But the thing that most shocked her:
The fact that she liked doggy style!

38099 MA GOOSE - ZSERIES R F Bardsley

Mother grew more fond of her dog,
Now that she'd discovered his log.
For hours they'd play,
Until the sad day
Mother Hubbard fell for a frog.
(those damn Frenchmen - McW)

38100 MA GOOSE - ZSERIES R F Bardsley

Okay! So it's true! So I leap
At the sound of the baa of a sheep;
And the reason is clear,
I've a yen for that dear
Little girl with nice titties, Bo Peep.

38101 MA GOOSE - ZSERIES Peter Wilkins

Just think, Miss Peep is thirteen;
I think it most awfully mean
Of you to crave twat
Of a age you should not...
An estrussy ewe's less obscene!

38102 MA GOOSE - ZSERIES Tutta Gioia

There once was a whore named Bo Peep,
Who smelled like a water-soaked sheep.
She didn't screw well,
But once past her smell,
Her price for a piece was quite cheap.

38103 MA GOOSE - ZSERIES Bob Birch

Bo Peep, now, is someone I've had
When I was an innocent lad.
But I'd much rather sleep
With one of her sheep,
'Cause they're free and don't smell quite so baaad.

38104 MA GOOSE - ZSERIES Bob Birch

Sweet Carol went to the cupboard,
Just like that old gal, Mother Hubbard.
She stooped and she bent
And inside her I went,
With a willie 'twas not even rubbered.

38105 MA GOOSE - ZSERIES Jon Gearhart

She cooed and she giggled with glee,
As I ravaged her vaginally.
My cock struck G-one;
Come started to run,
And dribbled down legs past her knee!

38106 MA GOOSE - ZSERIES Jon Gearhart

Then Carol, just like Little Muffet,
Sat right down upon her nice duff; it
Looked so good that my slider
Popped deep inside her,
Proceeding to thoroughly stuff it.

38107 MA GOOSE - ZSERIES Jon Gearhart

Jack Horner sat thumbing his plum,
And watched as I started to hum,
Upon Carol's sweet
And sticky pink meat.
His thumb on his plum made him come.

38108 MA GOOSE - ZSERIES Jon Gearhart

That Little Boy blew such a spurt,
While watchin my tongue deep insert.
Then Mary Contrary
With pussy quite hairy,
Came in and fucked Jack till it hurt.

38109 MA GOOSE - ZSERIES Jon Gearhart

But Jack being nimble and quick,
Proceeded to pull out his dick
And tongued softly sweet
On Mary's sore meat.
He soothed her with every tongue flick.

38110 MA GOOSE - ZSERIES Jon Gearhart

This orgy was certainly great;
So good that I had to relate
Our lovely fuck feast.
'Twill soon be released
On tape for just ten ninety-eight! [$10.98]

38111 MA GOOSE - ZSERIES Jon Gearhart

This story, Lucinda's a wreck of
Some Afghan thing written a heck of
A long time ago,
And not, you should know,
A ripoff of some play by Chekhov.

38112 MA GOOSE - ZSERIES Tiddy Ogg

Three sisters all went for a walk,
And did, as girls do, nowt but talk.
Their perambulation
Thus lacked concentration.
They might be in Hayle or Dundalk.

38113 MA GOOSE - ZSERIES Tiddy Ogg

'Twere neither the former nor latter,
And when they at last stopped their chatter,
Much ground had been crossed;
They find themselves lost,
As rain on the leaves starts to patter.

38114 MA GOOSE - ZSERIES Tiddy Ogg

As thunder roars, rain starts to pour,
When, though they've not seen it before,
They now apprehend,
Around the next bend,
A castle, with wide-open door.

38115 MA GOOSE - ZSERIES Tiddy Ogg

I see, bawds, you're interest is waning.
I'll kindle it thus: Once they're gaining
Relief from the drips,
Each one of them strips;
Their clothes 'round the fireside are draining.

38116 MA GOOSE - ZSERIES Tiddy Ogg

Bare-footed, bare-armed and bare-faced,
They set out to see where they're placed.
So take their bare fannies
To search nooks and crannies,
'Till all of the old joint is cased.

38117 MA GOOSE - ZSERIES Tiddy Ogg

The place is no palace of fun.
They find when their searching is done,
No porridge, no chairs,
No three grizzly bears;
Each room's bare as them, except one...

38118 MA GOOSE - ZSERIES Tiddy Ogg

And this one is locked, but the key
Is perched on the lintel. The three
Form a pyramid, hoist
One babe to the joist,
Insert into lock; door swings free.

38119 MA GOOSE - ZSERIES Tiddy Ogg

And as you'd expect in a hoary
Old legend like this rancid story,
On bed spread with chintz,
Lies sleeping, a prince,
Erect in his priapic glory.

38120 MA GOOSE - ZSERIES Tiddy Ogg

They stand there in rapt admiration,
So ere I resume my naration,
The background I've missed
Of these tarts, who've been kissed
And more, by the men of their nation.

38121 MA GOOSE - ZSERIES Tiddy Ogg

At least that's the case with our Goldilocks,
The youngest in age, while old Moldipox,
The eldest, prefers
Goats, donkeys and curs,
While virginal mid-sis in Holyhocks.

38122 MA GOOSE - ZSERIES Tiddy Ogg

So as you would guess, her I tell a
New twist on that thing, Cinderella.
For each one will sit
On the pole; she who'll fit
Will surely get off with that fella.

38123 MA GOOSE - ZSERIES Tiddy Ogg

But due to her barnyard diversion,
Moldipox can't grip with exertion;
And H is too tight,
But G thinks she might...
"I'm coming!"'s her gleeful assertion.

38124 MA GOOSE - ZSERIES Tiddy Ogg

The prince wakes, to joyful refrains,
But straight away, the pillock complains:
"If you'd take your eyes
Away from my thighs,
You'd see than I'm strapped down with chains.

38125 MA GOOSE - ZSERIES Tiddy Ogg

"And though bondage fills some with glee,
That, gals, is not the case with me.
So you'd better go
To the dungeons below,
And get from a well there, the key.

38126 MA GOOSE - ZSERIES Tiddy Ogg

So off troop our trio downstairs,
To depths where the brave alone dares,
(Or if not the brave,
Then the fool or the slave
Of lust,) to the basement and there's...

38127 MA GOOSE - ZSERIES Tiddy Ogg

...A well. 'Round the top they all grope,
And find, passing downwards, a rope.
With crud it's congealed,
But they haul, and's revealed,
Not soap, nor the Pope smoking dope...

38128 MA GOOSE - ZSERIES Tiddy Ogg

...But a bad tempered bird firmly caged.
From below comes a voice, most enraged:
"Come back with my parrot!"
Then up pops a carrot-
Haired giant, and soom he's engaged...

38129 MA GOOSE - ZSERIES Tiddy Ogg

With Moldypox, who cries: "At last!,
A man who can fill me. You bast-
Ard, come stick it in here."
The others, in fear,
With parrot, skedaddle, real fast.

38130 MA GOOSE - ZSERIES Tiddy Ogg

"What use is that tattered old crow!"
Cries Princey, his face full of woe.
Thus answers the bird:
"You shut up! You turd!
For I have the key, don't you know.

38131 MA GOOSE - ZSERIES Tiddy Ogg

The Giant and M finish work,
And join sisters, bird, and the berk. (??)
"Right folks, you all get
Into a quartet,"
Cries parrot, "and you shut up, jerk."

38132 MA GOOSE - ZSERIES Tiddy Ogg

"The key, my dear boneheads, is D.
I'll whistle, you take it from me.
A chorus or two
Of "What'll it do?"
Should do it and then he'll be free.

38133 MA GOOSE - ZSERIES Tiddy Ogg

Their voices rise up to the strains...
The resonant frequencys gained.
A snap and a crack;
The fetters go slack,
And laddo is freed from his chains.

38134 MA GOOSE - ZSERIES Tiddy Ogg

Thus Goldie and Princey now share
A life ful of joy, and the pair
Of Moldy and Red
Will spend years in bed,
Which just leaves our Holyhocks spare.

38135 MA GOOSE - ZSERIES Tiddy Ogg

The moral of what has occurred,
Lucinda dear, as you have heard,
If you don't give pleasure
With your little treasure,
You'll finish up getting the bird.

38136 MA GOOSE - ZSERIES Tiddy Ogg

In race between tortoise and hare,
The bunny had hours to spare.
It was quite clever, it
Gave birth to a LEVERET...
Conceived from a former affair.

38137 MA GOOSE - ZSERIES Observer

The hair, though, miscalculated;
Finished the race quite belated.
Sitting there in the shade,
Sipping cool Gatorade,
Her opponent patiently waited!

38138 MA GOOSE - ZSERIES Observer

The bride-to-be, donning her dress,
Excitedly told her witness,
With a glorious smile,
"First comes the aisle,
And then begins our happiness."

38139 MARRIAGE - BRIDE Res Ipsa

"And then at the altar, we'll pray,
For conjugal bliss every day.
And no one need guess
As to our happiness;
'They're the happiest couple,' they'll say."

38140 MARRIAGE - BRIDE Res Ipsa

"Third, is to love him and more.
'Course some habits of his are no more.
He'll stop watching sports,
And we'll visit resorts,
And my mother he'll learn to adore.

38141 MARRIAGE - BRIDE Res Ipsa

Said the matron, "You're a lovely bride.
Your love simply can't be denied.
The order you get?
And you will not forget?"
"Sure: Aisle, altar, him," she replied.

38142 MARRIAGE - BRIDE Res Ipsa

"When you walk down the aisle don't look grim,"
Said the preacher. "We'll then sing a hymn.
When I stand by the altar
The groom must not falter."
"Ah yes," said the bride, "Aisle, altar, hymn."

38143 MARRIAGE - BRIDE Casey Renn P0204 P8702

An Athenian King took a bride
But was shocked that her thing was so wide.
She'd been open to traffic
That was heavily Sapphic,
And with standing-room-only inside.

38144 MARRIAGE - BRIDE Thomas A. Quinine P8308

A modest young lady named Beal,
Once protected herself with great zeal,

38770 MARRIAGE - SAD - MALE Laurence Perrine P8405

'Twas way back in Spring '44
That young Bert said to Pat, "I adore
You; and now that we're wed
Can I take you to bed?"
"Well, OK", she said, "Once and no more."

38771 MARRIAGE - SAD - MALE

So thinking of England she lay
On her back and let Bert have his way
With her. "Did you feel that?"
Said young Bert. Said young Pat,
"What a messy revolting affray."

38772 MARRIAGE - SAD - MALE

"Now tuck that there thing back inside
Of your trousers", she said, as she dried
Herself off with a sponge,
"This disgusting wet gunge
Has got everything sticky", she cried.

38773 MARRIAGE - SAD - MALE

At the end of the Second World War,
Bert came home with a smile, but before
He could even say, "Hi."
She said, "Don't even try!
Get your boots off; I'm cleaning the floor."

38774 MARRIAGE - SAD - MALE

"But Pat, it's been more than three years",
He said, eyes filling up with his tears
Of frustration. But Pat
Said, "You can't, and that's that;
I won't stand for your ghastly ideas."

38775 MARRIAGE - SAD - MALE

Now Bert took a job in a bank
And for years his frustrations he sank
Into working all day,
To keep Pat in the way
She expected; but still drew a blank...

38776 MARRIAGE - SAD - MALE

...When it came to that conjugal bliss.
Then in spring '54 he said, "This
Is ridiculous, love."
But she gave him a shove;
"Keep your hands off", she said with a hiss.

38777 MARRIAGE - SAD - MALE

The '60's; free love and all that.
Once again poor old Bert turned to Pat
And said, "Come on old thing;
Let's get groovy and swing."
"Is that all you can think of?" she spat.

38778 MARRIAGE - SAD - MALE

"But dearest, what harm can it do?"
Pleaded Bert, but she glared and said, "You
Are perverted. You know
What I said long ago;
I've had more than enough of your goo."

38779 MARRIAGE - SAD - MALE

"To buck up our sex life in bed,
Love, I've bought you these scanties", he said,
And some tiny red... " "That
Is disgusting", said Pat,
"Is that all that goes on in your head?"

38780 MARRIAGE - SAD - MALE

"BERT!! That's revolting!!" cried Pat,
As she lifted the poor little cat
From his lap; and he sighed,
"When I made you my bride,
I hoped sex was a part of all that."

38781 MARRIAGE - SAD - MALE

"Just once was enough of your lust",
She said, looking at Bert in disgust.
"Oh you poor little cat;
Has he hurt you?" crooned Pat,
As she held the poor thing to her bust.

38782 MARRIAGE - SAD - MALE

"Bert!" she cried, "Don't be so crude;
What the hell are you doing there nude?"
Replied Bert from his chair,
With his knob in the air,
"What the fuck does it look like, you prude!"

38783 MARRIAGE - SAD - MALE

"That's NO way to speak to your wife!"
She said, angrily wielding a knife.
"I'm so sorry", he cried,
"Pat, I really have tried
To stay celibate most of my life ...

38784 MARRIAGE - SAD - MALE

But it's hard ..." "So I see." "Come to bed;
Can't you once, just this once, give me head?"
Pleaded Bert. "How disgusting,
That's worse than you thrusting
That thing up my privates", she said.

38785 MARRIAGE - SAD - MALE

The '80's; and Bert had retired.
He said, "Pat? You've got all you aspired
To, and now I have time
And I'm still in my prime,
Will you let me have sex?" he enquired.

38786 MARRIAGE - SAD - MALE

"Oh, not that old chestnut again",
Replied Pat with a grimace of pain.
"I've had more than enough
Of your sticky wet stuff
And your whinging and whining refrain."

38787 MARRIAGE - SAD - MALE

"OK, you old bat, that's enough!"
Shouted Bert, "Now it's time I got rough!"
But he got a surprise
For Pat fluttered her eyes
And said, "Go on then; prove it's no bluff."

38788 MARRIAGE - SAD - MALE

"All RIGHT!!" said old Bert, as he threw
Her with force to the floor for a screw;
But he couldn't get a rise
And felt tears prick his eyes;
"I've forgotten", he cried, "What to do."

38789 MARRIAGE - SAD - MALE

Last night he determined once more
To have sex with dear Pat, and at four
In the morning he found
She was sleeping quite sound,
So he gently began to explore.

38790 MARRIAGE - SAD - MALE

He fondled her dried-up old thighs
And thought, "What if I can't get a rise?
Should I try cunnilingus?"
He sniffed at his fingers
And thought, "Better not if I'm wise."

38791 MARRIAGE - SAD - MALE

So lying with Pat at his side,
He wanked hard as he dared, as he tried
To get stiff. It was tough
But it worked sure enough;
Then he came prematurely and died.

Now you may say, "Heaven's above!
Why doesn't Miz calhoun just shove

Because it's this way:
With Horace, Miz Calhoun's in love!

38836 MARRIAGE - SAD - ZSERIES Travis Brasell

There was a young fellow named Fyfe,
Who married the pride of his life.
But imagine his pain
When he struggled in vain,
And just couldn't get into his wife.

38837 MARRIAGE - SAD - ZSERIES L0835

Now the trouble was not with our hero,
Who, though no match for Epstein or Nero,
Had a good little dong
That was five inches long,
And as stiff as a parsnip at zero.

38838 MARRIAGE - SAD - ZSERIES L0836

But his efforts to poke her, assiduous,
Met a dense growth of hair most prodiguous.
Well, he thought he might dint her
By waiting till winter,
But he found that she wasn't deciduous.

38839 MARRIAGE - SAD - ZSERIES L0837

Now here was this fellow named Fyfe,
Unable to diddle his wife.
Which fact, sad but true,
Left him nothing to do
But bugger the girl all his life.

38840 MARRIAGE - SAD - ZSERIES L0838

For diversion, that might have been funny,
And of course, it saved him some money.
But it angered our Fifey
To think that his wifey
Was hoarding her deep nest of honey.

38841 MARRIAGE - SAD - ZSERIES L0839

He went whoring to find satisfaction.
But with whores, though accomplished in action,
He never could capture
That fine fucking rapture,
For the thought of his wife was distraction.

38842 MARRIAGE - SAD - ZSERIES L0840

So here was our fellow named Fyfe,
With a truly impervious wife.
She was not worth a damn,
Being closed as a clam,
Why, he couldn't get in with a knife.

38843 MARRIAGE - SAD - ZSERIES L0841

The problem that harassed his soul,
Was 'What kept him out of her hole?
Was her hymen too tough?
Was she stuffed up with fluff?
Was her coosie the home of a mole?'

38844 MARRIAGE - SAD - ZSERIES L0842

This was just what poor Fyfe couldn't tell,
For her prow was as sound as a bell.
He'd have needed a gimlet
To get into her quimlet,
And it made the poor guy mad as hell.

38845 MARRIAGE - SAD - ZSERIES L0843

He applied to that fellow from Strensall
For help from his long, pointed pencil.
But Strenny's tool now
Was as blunt as the prow
Of a tug, he'd have needed a stencil.

38846 MARRIAGE - SAD - ZSERIES L0844

Fyfe searched for the chap from New York,
Who had punctured the hymen like cork.
But he was quite coy,
For he now loved a boy,
And refused to help Fyfe with the stork.

38847 MARRIAGE - SAD - ZSERIES L0845

Fyfe asked Durand how much he'd charge,
(The fellow whose cock could contract or enlarge)
To drill his way in
With his prick like a pin,
And there make it slowly enlarge.

38848 MARRIAGE - SAD - ZSERIES L0846

But Durand, though he'd fuck with no urgin',
Warned, "Apart from the risk that she'll burgeon,
Your pride must be low
If you'll meekly forego,
A crack at a genuine virgin."

38849 MARRIAGE - SAD - ZSERIES L0847

In the spring in the woods Fyfe did wander late,
And saw couples preparing to copulate.
But he could not abide
The gay sight, and he cried
At the thought that the pigfuckers penetrate!

38850 MARRIAGE - SAD - ZSERIES L0848

One couple he foolishly leapt on,
To examine the wound and the weapon.
One was rigid, one deep,
The snug fit made him weep,
And in shame and contrition he crept on.

38851 MARRIAGE - SAD - ZSERIES L0849

In the meantime, Fyfe's wife, who had wed
With some thought to the pleasures of bed,
Was becoming depressed,
In fact damn near obsessed
By her terribly tough maidenhead.

38852 MARRIAGE - SAD - ZSERIES L0850

She remarked, "When all joking is done,
What I honestly want is a son.
I would like impregnation
If not copulation,
But to wed and have neither's no fun."

38853 MARRIAGE - SAD - ZSERIES L0851

She grew worried and nervous and thin,
'Till Fyfe said, "You would jump at a pin!"
And those words, though unkind,
Put a thought in her mind
That a pin-point perhaps might get in.

38854 MARRIAGE - SAD - ZSERIES L0852

Thus she thought of synthetic conception,
Which at first seemed like basest deception.
But her cunt was so sore
From Fyfe's trying to bore,
That she gave the thought better reception.

38855 MARRIAGE - SAD - ZSERIES L0853

And indeed, though it's sad to relate it,
Her first fuck was so sadly belated,
That a poke by a pin,
Though ever so thin,
Was a prospect that made her elated.

38856 MARRIAGE - SAD - ZSERIES L0854

To be brief, the great action was done.
There was artfully planted, a son;
Through a bodkin that filled her,
And wonderfully thrilled her,
More fun than a son of a gun!

38857 MARRIAGE - SAD - ZSERIES L0855

This syringe, which was long but quite thin,
Left a hole that Fyfe couldn't get in.
But he kept right on busting
And jousting and thrusting,
On account of his excess of vim.

38858 MARRIAGE - SAD - ZSERIES L0856

While she mused on this synthetic screw,
The sperm got well-planted, and grew,
And the great day approached
When her breech would be broached,
But Fyfe, the poor wretch, never knew.

38859 MARRIAGE - SAD - ZSERIES L0857

One night in sheer desperation,
He prodded and poked like tarnation.
His wife groaned in pain.
She gave way!! Would he gain
The goal of three years contemplation?

38860 MARRIAGE - SAD - ZSERIES L0858

The head of his dingus went in!
He felt sure he was going to win!
He thrust like a demon,
He spilt all his semen,
And scraped off a square inch of skin.

38861 MARRIAGE - SAD - ZSERIES L0859

But despite all his trying, he found
He was losing, not gaining, his ground.
Though he clung to her thighs
While he tried for the prize,
Each push in caused a greater rebound.

38862 MARRIAGE - SAD - ZSERIES L0860

The harder the poor fellow tried,
The more her hold filled, from inside.
'Till he fell back quite spent,
His prick battered and bent,
And a few minutes later, he died.

38863 MARRIAGE - SAD - ZSERIES L0861

As he passed, a new life was begun,
And his tomb tells how he was undone.
"Shed a tear for poor Fyfe,
His imperforate wife
Did him in with the aid of their son."

38864 MARRIAGE - SAD - ZSERIES L0862

38865 MARRIAGE - SAD - ZSERIES Azul

As long as my dong keeps on standing.

Though playing solo onanist,
Does much to bring calm,
[Except to your palm]

That wanking is not aberration;
Though some say that sex
Has splendid effects,

She even strokes her monkey in the rain.

38995 MASTURBATION - FEMALE Keith MacMillan 65a

There is something that I'd like to ask,
Is female masturbation a task?
The one-handed fuck,
Has it ever got stuck?
And is it really your thermos flask?

38996 MASTURBATION - FEMALE Funny Bone

39002 MASTURBATION - FEMALE SFA

That's why we keep plenty of toys
Around when you're off with the boys.
They come in real handy
When we're feeling randy,
And all of them moan and make noise.

39003 MASTURBATION - FEMALE Carol

Toys whistle and toot but don't stink,
Like men who've had too much to drink.
And pee in the plants,
Then come in their pants.
It's better if they're in the pink.

39025 MASTURBATION - GOOEY L1599

Be careful when chokin' that chicken,
As they can't take too much of a lickin'.
It might get angry and cry
And then spit in your eye,
And your face to the sheets would be stickin'.

39026 MASTURBATION - GOOEY

So while jerkin' his gherkin', his grip
Was not quite firm enough and a slip
Of his fingers from mast,
Caught you with a blast
From his fist? Is that all? What a gyp!

Wrote the tiresome Pierre de Fermat:
"I've proved a great wonder. Hurrah!
The proof written large in
This very small margin,
'S too long, so omitted. Ta-ta!"

39657 MATH - FERMAT James Albert Lindon P9507

A challenge for many long ages
Had baffled the savants and sages.
Yet at last came the light:
Seems old Fermat was right --
To the margin add 200 pages.

39658 MATH - FERMAT Paul Chernoff

Rational, modular, cohomologically,
Wiles and Taylor prove they are the same.
Modular, rational, nonarchimedian
Methods now justify Fermat's old claim.

39659 MATH - FERMAT

The proof of the claim of Fermat,
Is truly a marvelous tract.
Did Pierre tease us all
'Cause the margin was small,
Or his writing was much much too fat.

39660 MATH - FERMAT Barry Mazur

With a little ingenious phrasing,
The proof's detail is not quite as dazing.
It's enough just to dream
Of a finite flat scheme,
And to say that the proof is amazing.

39661 MATH - FERMAT Alf van der Poorten

No higher power can ever be,
The sum of two of like degree.
That shouldn't be too hard to see.

39662 MATH - FERMAT Joseph Shaya

We take an elliptic curve E,
And consider the points killed by 3;
This "rho" must be modular,
And by facts which are popular,
The proof of Fermat comes for free.

39663 MATH - FERMAT Jeremy Teitelbaum

A mathematician named Wiles
Overcame the severest of trials.
He, amidst great eclat
Proved "Theoreme de Fermat"
And provoked a succession of smiles.

39664 MATH - FERMAT Geoffrey A. Kendall

Fermat's Last Theorem beguiles.
It appeares to be suited to styles
Of diligent toilers
Like Gausses and Eulers,
So it yielded to Andrew J. Wiles.

39665 MATH - FERMAT Cybergeezer

The time has come, Fermat opined,
To talk of many things;
Of GL_2 and flat group schemes,
And local Heche rings,
And which ideals are Eisenstein,
And Wiles's wild flings.
39666 MATH - FERMAT Joe Silverman

Sir Wiles wrote home to his mama
And said, "I've improved Taniyama."
His mother replied,
"I am filled with such pride...

39667 MATH - FERMAT Johathan Matte

Said Wiles, "I know it's for real;
I've proven this theorem with zeal."
His doubters then said,

39668 MATH - FERMAT Jonathan Matte

But it's not, so the proof is on you!

39669 MATH - FERMAT Ted Munger

A mathematician named Wiles
Had papers stacked in large piles,
Since he saw a clue
He could show Fermat True,
Mixing many mathematical styles.

39670 MATH - FERMAT Jonathan Harvey

He labored in search of the light,
To find the cricial insight.
Young Andrew, it seems,
Had childhood dreams
To prove Mr. Fermat was right.

39671 MATH - FERMAT Jonathan Harvey

He studied for seven long years,
Expending much blood, sweat, and tears.
After showing the proof,
A skeptic said "Poof!
There's a hole here," raising deep fears.

39672 MATH - FERMAT Jonathan Harvey

This shattered Mr. Wiles's belief;
His ship was wrecked on a reef.
Then a quick switcheroo
Came out of the blue,
Providing his mind much relief.

39673 MATH - FERMAT Jonathan Harvey

Mr. Wiles had been under the gun,
But the obstacles blocking Proof One
Fixed a much older way
From an earlier day,
And now Wiles has his place in the sun.
